The Meaning of the Millennium Robert G. Clouse 1977-04-01 Robert G. Clouse brings together four scholars to debate various views on the millennium: George Eldon Ladd, Herman A. Hoyt, Loraine Boettner and Anthony A. Hoekema.

Everything You Ever Wanted to Know about Heaven Peter Kreeft 1990 "Standing on the shoulders of C.S. Lewis", Kreeft provides a look at the nature of heaven. A refreshingly clear, theologically sound glimpse of the "undiscovered country". Kreeft speaks to the heart and the mind for an unexcelled look at one of the most popular, yet least understood, subjects in religion.

Living in God's Two Kingdoms David VanDrunen 2010-10-06 Modern movements such as neo-Calvinism, the New Perspective on Paul, and the emerging church have popularized a view of Christianity and culture that calls for the redemption of earthly society and institutions. Many Christians have reflexively embraced this view, enticed by the socially active and engaged faith it produces. *Living in God's Two Kingdoms* illustrates how a two-kingdoms model of Christianity and culture affirms much of what is compelling in these transformationist movements while remaining faithful to the whole counsel of Scripture. By focusing on God's response to each kingdom—his preservation of the civil society and his redemption of the spiritual kingdom—VanDrunen teaches readers how to live faithfully in each sphere. Highlighting vital biblical distinctions between honorable and holy tasks, VanDrunen's analysis will challenge Christians to be actively and critically engaged in the culture around them while retaining their identities as sojourners and exiles in this world.

Through the Looking Glass Kris Lundgaard 2000 What makes your favorite hero shine in your eyes? Is it the courage of Indiana Jones swinging down into the snake-filled Well of the Souls? Is it the strength of Superman bringing to a screeching halt a locomotive that is bearing down on Lois and Jimmy? Is it the nobility of Shakespeare's Henry V inspiring his sorely outnumbered troops before the battle of Agincourt? Is it the wits of Sherlock Holmes dogging the trail of arch-villain Moriarty? Or is it the combination of fearlessness, muscle, dignity, and brains in Doc Savage, the consummate superhero? Whatever heroic traits pop into your mind, I suspect that obedience and suffering aren't among them. Yet it's in his obedience to God's law and his suffering the curse of that law for us that we see Christ as our conquering Hero.

Does God Love Everyone? Matthew McCullough 2021-03-16 "I eagerly commend this series." —R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary Many new believers have questions about what it means to live as a Christian in the context of a local church, and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life. *Church Questions* is a series by 9Marks that seeks to provide Christians with sound and accessible biblical teaching by answering common questions about church life. Each booklet offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment. A popular children's song starts with the lyrics "Jesus loves me, this I know." Some people readily trust that they are loved by God, but others struggle to believe this is true for them. In this booklet, Matt McCullough addresses this topic by answering the question Does God love everyone? By directing us to the surprising answer found in the Bible, McCullough helps us to see God's genuine love for all people and his specific love for those who trust in him.

The Beauty of God Daniel J. Treier 2007-05-18 Editors Mark Husbans, Roger Lundin and Daniel J. Treier present ten essays that explore a Christian approach to beauty and the arts. The visual arts, music and literature are considered as well as the theological meaning and place of the arts in a fallen world redeemed by Christ.

Christ and the Future Cornelis P. Venema 2008 summarizes the Bible's teaching about the last things. The Christ-centred nature of the biblical teaching on the future is the main emphasis throughout, as the author shows us the future of the individual, the church, and, indeed the whole universe. Cornelis P. Venema is the President of Mid-America Reformed Seminary, Dyer, Indiana, where he also serves as Professor of Doctrinal Studies. he gained his PhD. from Princeton Theological Seminary for work on the theology of John Calvin. His books, *The Promise of the Future*, *Getting the Gospel Right*, and *The Gospel of Free Acceptance in Christ* are also published by the Trust.

Three Views on the Millennium and Beyond Zondervan, 2010-08-10 Is there biblical evidence for a thousand-year earthly kingdom (the Millennium) ruled by Christ before the fulfillment of the new heaven and new earth? Revelation chapter 20 seems to suggest so, but few books of the Bible are so difficult to interpret. And a discussion of the Millennium branches out into many other theological questions about the end times (eschatology): Are these the last days? What must happen before Jesus returns? What part does the church play? This Counterpoints volume compares three views of the Millennium: Premillennial: Christ will come again before this kingdom is established. Postmillennial: our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom. Amillennial: a future Millennium is not a literal kingdom, and when Christ returns, he will usher in an immediate new heaven and new earth. Robert B. Strimple, Kenneth L. Gentry Jr., and Craig A. Blaising offer their perspectives, giving their exegetical reasoning. Each of them then responds to the views held by their peers in a respectful and informative setting, making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope--the return of Jesus--is understood by the church. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

A Case for Amillennialism Kim Riddlebarger 2013-08-15 Amillennialism, dispensational premillennialism, historic premillennialism, postmillennialism, preterism. These are difficult words to pronounce and even harder concepts to understand. *A Case for Amillennialism* is an accessible look at the crucial theological question of the millennium in the context of contemporary evangelicalism. Recognizing that eschatology--the study of future things--is a complicated and controversial subject, Kim Riddlebarger provides definitions of key terms and a helpful overview of various viewpoints. He examines related biblical topics as a backdrop to understanding the subject and discusses important passages of Scripture that bear upon the millennial question. Regardless of their stance, readers will find helpful insight as Riddlebarger evaluates the main problems facing each of the major millennial positions and cautions readers to be aware of the spiraling consequences of each view.

The Four Major Cults Anthony A. Hoekema 1963

Man Gerrit Cornelis Berkouwer 1962 This is a print on demand book and is therefore non- returnable. This study in theological anthropology considers man as the image of God, the meaning of the image, immortality, and human freedom, dealing always with living, actual man and his inescapable relation to God.

Dignity and Destiny John F. Kilner 2015-01-08 Misunderstandings about what it means for humans to be created in God's image have wreaked devastation throughout history -- for example, slavery in the U. S., genocide in Nazi Germany, and the demeaning of women everywhere. In *Dignity*

and Destiny John Kilner explores what the Bible itself teaches about humanity being in God's image. He discusses in detail all of the biblical references to the image of God, interacts extensively with other work on the topic, and documents how misunderstandings of it have been so problematic. People made according to God's image, Kilner says, have a special connection with God and are intended to be a meaningful reflection of him. Because of sin, they don't actually reflect him very well, but Kilner shows why the popular idea that sin has damaged the image of God is mistaken. He also clarifies the biblical difference between being God's image (which Christ is) and being in God's image (which humans are). He explains how humanity's creation and renewal in God's image are central, respectively, to human dignity and destiny. Locating Christ at the center of what God's image means, Kilner charts a constructive way forward and reflects on the tremendously liberating impact that a sound understanding of the image of God can have in the world today.

Revelation 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Life after Death Anthony C. Thiselton 2011-12-05 Writing in the wake of a near-fatal stroke, eminent theologian Anthony C. Thiselton addresses a universally significant topic: death and what comes next. This distinctive study of "the last things" comprehensively explores questions about individual death, the intermediate state, the return of Christ, the resurrection of the dead, hell, the final state of the redeemed, and more. At once scholarly and pastoral, Thiselton's Life after Death offers biblically astute, historically informed, and intellectually sound answers -- making this book an invaluable resource for thinking Christians.

The Christian Looks at Himself Anthony A. Hoekema 1975 What kind of self-image should Christians have? Should they see themselves primarily as unworthy sinners before a holy God? The biblical view, Anthony A. Hoekema argues in this readable study, is that humanity, having been made in God's own image, was the capstone of God's creation. Even when we fell, God considered us of such worth that he gave up his only Son to redeem humanity. And in Christ, as Paul makes plain, we are made into new creatures. This does not mean that the redeemed live a life of sinless perfection; it does mean that what is most distinctive about them is the new life they have in Christ. And this new life entitles Christians to a self-image that is essentially positive. Accepting the biblical view of our worth can be difficult for Christians burdened with feelings of guilt. How can such Christians learn to see themselves in better light? And how can others in the Christian community - preachers, counselors, teachers, and parents - help fellow members to attain the positive self-image that is essential to the Christian faith? Part Two of *The Christian Looks at Himself* offers concrete answers to these questions and in doing so points up the social dimension of being in Christ. As Christians accepts themselves as creatures made new in Christ, so in love they must also fully accept fellow Christians as recreated in that same Christ. ANTHONY A. HOEKEMA (1913-1988) was former professor emeritus of systematic theology at Calvin Theological Seminary in Grand Rapids, Michigan. His other books include *Created in God's Image, Saved by Grace*, and *The Bible and the Future*.

Kingdom Come Sam Storms 2015-11-20 The second coming of Christ is a matter of sharp disagreement amongst Christians. Many hold to premillennialism: that Christ's return will be followed by 1,000 years before the final judgement. However, premillennialism is not the only option for Christians. In this new book, Sam Storms provides a biblical rationale for amillennialism; the belief that 1,000 years mentioned in the book of Revelation is symbolic with the emphasis being the King and his Kingdom. --from publisher description.

An Introduction to the Old Testament Prophetic Books C. Hassell Bullock 2007-05-01 The Old Testament prophets spoke to Israel in times of historical and moral crisis. They saw themselves as being a part of a story that God was weaving throughout history--a story of repentance,

encouragement, and a coming Messiah. In this updated introductory book, each major and minor prophet and his writing are clustered with the major historical events of their time. Our generational distance from the age of the prophets might seem to be a measureless chasm. Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets, but also the God who comprehends, spans, and transcends all time. In these pages, C. Hassell Bullock presents a clear picture of some of history's most profound spokesmen--the Old Testament prophets--and the God who shaped them.

The Promise of the Future Cornelis P. Venema 2000 Though we can never, in our time-bound state, know the future in detail, God in his mercy has not left us in complete ignorance of what is to come. His revelation in Holy Scripture has cast a flood of light on what would otherwise remain an impenetrable mystery. Even among those who accept the Bible's authority, however, there has never been complete agreement on what Scripture teaches in this area. This major new examination of biblical teaching on the future of the individual, of the church and of the universe as a whole will be useful both to theological students and to informed non-specialists. Ranging over the whole field, it interacts extensively with recent literature on disputed issues, such as the nature of the intermediate state, the millennium of Revelation 20 and the doctrine of eternal punishment, always seeking to answer the fundamental question: 'What do the Scriptures teach?' The Christ-centered nature of biblical teaching on the future is emphasized, as is the importance of the church's historic confessions for an understanding of eschatology. The chief note sounded is one of hope: 'God's people eagerly await Christ's return because it promises the completion of God's work of redemption. The future is bright because it is full of promise, the promise of God's Word.' - Jacket flap.

Jesus Christ Our Lord John F. Walvoord 1969-06-01 Of the life and work of Jesus, the apostle John said, "Even the world itself could not contain the books that should be written" (John 21:25). Acknowledging the size of the task, as well as its importance, Dr. John F. Walvoord has written this systematic presentation of the Person and work of Christ from eternity past to eternity future. Beginning with an analysis of modern trends in the study of Christology, Dr. Walvoord shows that "contemporary Christology has in many respects confused rather than clarified the extended revelation of the Word of God." The Word of God forms the solid basis for Dr. Walvoord's entire study. Analyzing the Old Testament, he shows Christ in its history, typology, and prophecy. Then, in the New Testament, he examines the life and work of the incarnate Christ. The doctrines of atonement, redemption, propitiation, and reconciliation are thoroughly and clearly discussed. The book concludes with an examination of the present and future work of Christ, thus giving the reader a comprehensive study of Christology

Saved by Grace Anthony A. Hoekema 1994-09-06 A comprehensive, dynamic, and eminently practical presentation of the biblical teaching on salvation. In discussing the facets of the working out of salvation -- the role of the Spirit, union with Christ, the gospel call, regeneration, conversion, repentance, and so on -- Hoekema does away with the classical *ordo salutis* ("order of salvation") by viewing these facets largely as simultaneous aspects in the process of salvation rather than sequential steps on the way to salvation.

The Man of Sin Kim Riddlebarger 2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture, says author Kim Riddlebarger. Unfortunately, it's also one which has been subject to far more speculation than sound biblical exegesis. Until now. Unlike other resources available on the Antichrist, *The Man of Sin* focuses on Scripture, not contemporary events, to uncover the truth about this mysterious entity. With skilled exegesis Riddlebarger asserts that, contrary to popular speculation, the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter-advental age before culminating in an end-times Antichrist. Backing this claim first in Scripture, Riddlebarger also draws from historical teachings including those of the church fathers, the Reformation, and historic Protestantism, before contrasting this evidence to the sensational interpretations of many contemporary writers. Pastors, teachers, and study groups wanting to

understand the doctrine of the Antichrist will find *The Man of Sin* to be a unique and comprehensive study.

More Than Conquerors William Hendriksen 1998-06-01 With an uninterrupted printing history since it was first published in 1939, this classic interpretation of the book of Revelation has served as a solid resource and source of inspiration for generations. Using sound principles of interpretation, William Hendriksen unfolds the mysteries of the apocalypse gradually, always with the purpose of showing that "we are more than conquerors through Christ." Both beginning and advanced students of the Scriptures will find here the inspiration to face a restless and confusing world with a joyful, confident spirit, secure in the knowledge that God reigns and is coming again soon. This edition features a newly designed interior layout.

Proverbs Ray Ortlund 2012-03-31 How exactly does one become wise? Pastor and teacher Ray Ortlund points out that the wisdom of God does not stand aloof, as if it were unattainable. Instead, he shows that wisdom graciously moves toward us, into our real world where we live and struggle day by day. Wisdom offers us her very best, if only we will listen. After all, "Wisdom cries aloud in the street, in the markets she raises her voice," and, if wisdom troubles herself to yell, there must be a reason to listen and a means to hear. Ortlund unpacks the book of Proverbs in twenty-one straightforward sermons, providing a biblical worldview that opens up the higher meaning of money, sex, and power, as well as that of the daily routines of an average life. Drawing relevant parallels from ancient culture to present day, he helps the reader understand how the book of Proverbs is practical help for normal people going through everyday life. Most importantly, Ortlund shows how the Proverbs point to Jesus and his counsel for the perplexed, his strength for the defeated, his warning to the proud, his mercy for the broken. With careful treatment of the Scriptures and uncomplicated language, *Proverbs: Wisdom that Works* fills the vacuum between the layman's experience and the exegetical depth of many commentaries. Part of the *Preaching the Word* series.

The Presence of the Future George Eldon Ladd 1996-07-29 After surveying the debate of eschatology, Ladd discusses the promise of the kingdom, the fulfillment of the promise, and the consummation of the promise. Throughout the book he develops his thesis that the kingdom of God involves two great movements--fulfillment within history and consummation at the end of history.

Five Views on Sanctification Melvin E. Dieter 2011-04-19 Christians generally recognize the need to live a holy, or sanctified, life. But they differ on what sanctification is and how it is achieved. How does one achieve sanctification in this life? How much success in sanctification is possible? Is a crisis experience following one's conversion normal--or necessary? If so, what kind of experience, and how is it verified? *Five Views on Sanctification*--part of the *Counterpoints* series--brings together in one easy-to-understand volume five major Protestant views on sanctification: Wesleyan View - represented by Melvin E. Dieter Reformed View - represented by Anthony A. Hoekema Pentecostal View - represented by Stanley M. Horton Keswick View - represented by J. Robertson McQuilkin Augustinian-Dispensationalism View - represented by John F. Walvoord Writing from a solid evangelical stance, each author describes and defends his own understanding of the doctrine sanctification and then responds to the views of the other authors. The *Counterpoints* series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific

issue and form their own, educated opinion.

No Longer Strangers Eugene Cho 2021-05-04 What does evangelism look like at its best? Evangelism can hurt sometimes. Well-meaning Christians who welcome immigrants and refugees and share the gospel with them will often alienate the very people they are trying to serve through cultural misconceptions or insensitivity to their life experiences. In *No Longer Strangers*, diverse voices lay out a vision for a healthier evangelism that can honor the most vulnerable—many of whom have lived through trauma, oppression, persecution, and the effects of colonialism—while foregrounding the message of the gospel. With perspectives from immigrants and refugees, and pastors and theologians (some of whom are immigrants themselves), this book offers guidance for every church, missional institution, and individual Christian in navigating the power dynamics embedded in differences of culture, race, and language. Every contributor wholeheartedly affirms the goodness and importance of evangelism as part of Christian discipleship while guiding the reader away from the kind of evangelism that hurts, toward the kind of evangelism that heals.

The Bible and the Future Anthony A. Hoekema 1994 'Anthony Hoekema brings to the study of biblical prophecy and eschatology a maturity that is rare among contemporary works on the subject. Free of sensationalism, he evinces a reverence for the Scriptures and a measured scholarship...One of the best studies on eschatology available.' ---Christianity Today

Jesus and Israel David Earl Holwerda 1995 Revisiting the important topic of covenant fulfillment, Reformed theologian David Holwerda argues that God's promises to Old Testament Israel cannot be understood apart from Jesus Christ. Holwerda maintains that the Old Testament promises of God find their complete fulfillment in Jesus Christ and the church.

Dispensationalism and the History of Redemption D. Jeffrey Bingham 2015-08-25 Top-level scholarship on an enduring tradition

Reflective of its past and present status and strategic to its future, *Dispensationalism and the History of Redemption* is a fresh defense of a time-tested tradition. Holy Spirit Baptism Anthony A. Hoekema 1972

The Apocalypse Code Hank Hanegraaff 2010-09-20 Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result, according to Hank Hanegraaff, has been rampant misreading of Scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible — not current events or recent history and certainly not any complicated charts. *The Apocalypse Code* offers sane answers to some very controversial questions: What does it mean to take the book of Revelation (and the rest of the Bible) literally? Who are the “Antichrist” and the “Great Whore of Babylon,” and what is the real meaning of “666”? How does our view of the end times change the way we think about the crisis in the Middle East? Are two-thirds of all Jews really headed for an apocalyptic holocaust? *The Apocalypse Code* is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world. “Provocative and passionate, this fascinating book is a must-read for

everyone who's interested in end-times controversies." — Lee Strobel, Author, *The Case for the Real Jesus* " This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts — Tim LaHaye. Every fan of the *Left Behind* series should read this book. The fog will clear, and common sense will return to our reading of the Bible." — Gary M. Burge, Professor of New Testament, Wheaton College and Graduate School.

From Adam and Israel to the Church Benjamin L. Gladd 2019-12-03 Biblical Foundations Award Finalist What does it mean to be created in God's image? How has the fall affected this image? Who are the people of God? Addressing these core questions about spiritual identity, *From Adam and Israel to the Church* examines the nature of the people of God from Genesis to Revelation through the lens of being created and formed in God's image. Benjamin Gladd argues that living out God's image means serving as prophets, priests, and kings, and he explains how God's people function in these roles throughout Scripture—from Adam and Eve to the nation of Israel, from Jesus to the church. The consistent call of the people of God is to serve as God's image-bearers in the world. This first volume in *Essential Studies in Biblical Theology* lays a foundation for subsequent volumes, introducing key biblical-theological themes such as temple, king, priest, prophet, creation, and redemption. *Essential Studies in Biblical Theology* (ESBT), edited by Benjamin L. Gladd, explore the central or "essential" themes of the Bible's grand storyline. Taking cues from Genesis 1-3, authors explore the presence of these themes throughout the entire sweep of redemption history. Written for students, church leaders, and laypeople, the ESBT offers an introduction to biblical theology.
