*Grief Is the Thing with Feathers* Max Porter 2016-06-07 Here he is, husband and father, scruffy romantic, a shambolic scholar—a man adrift in the wake of his wife's sudden, accidental death. And there are his two sons who like him struggle in their London apartment to face the unbearable sadness that has engulfed them. The father imagines a future of well-meaning visitors and emptiness, while the boys wander, savage and unsupervised. In this moment of violent despair they are visited by Crow—antagonist, trickster, goad, protector, therapist, and babysitter. This self-described "sentimental bird," at once wild and tender, who "finds humans dull except in grief," threatens to stay with the wounded family until they no longer need him. As weeks turn to months and the pain of loss lessens with the balm of memories, Crow's efforts are rewarded and the little unit of three begins to recover: Dad resumes his book about the poet Ted Hughes; the boys get on with it, grow up. Part novella, part polyphonic fable, part essay on grief, Max Porter's extraordinary debut combines compassion and bravura style to dazzling effect. Full of angular wit and profound truths, *Grief Is the Thing with Feathers* is a startlingly original and haunting debut by a significant new talent.

Their relationship is made up of clandestine meetings and stolen moments because there is someone who will make them suffer if he discovers she is no longer 'his'. But life in the theatre doesn't always go according to plan and tragedy and heartache are waiting in the wings for all the players ... Almost seventy years later, a new production of *When the Curtain Falls* arrives at the theatre, bringing with it Oscar Bright and Olive Green and their budding romance. Very soon, though, strange things begin to happen and they learn about the ghost that's haunted the theatre since 1952, a ghost who can only be seen on one night of the year. Except the ghost is appearing more often and seems hell bent on sabotaging Oscar and Olive. The young couple realise they need to right that wrong from years gone by, but can they save themselves before history repeats itself and tragedy strikes once more?

A tale full of magic and family mystery, *The Book of Speculation* will keep you up all night reading."—Isaac Fitzgerald, BuzzFeed Simon Watson, a young librarian, lives alone in a house that is slowly crumbling toward the Long Island Sound. His parents are long dead. His mother, a circus mermaid who made her living by holding her breath, drowned in the very water his house overlooks. His younger sister, Enola, ran off six years ago and now reads tarot cards for a traveling carnival. One June day, an old book arrives on Simon's doorstep, sent by an antiquarian bookseller who purchased it on speculation. Fragile and water damaged, the book is a log from the owner of a traveling carnival in the 1700s, who reports strange and magical things, including the drowning death of a circus mermaid. Since then, generations of "mermaids" in Simon's family have drowned--always on July 24, which is only weeks away. As his friend Alice looks on with alarm, Simon becomes increasingly worried about his sister. Could there be a curse on Simon's family? What does it have to do with the book, and can he get to the heart of the mystery in time to save Enola? In the tradition of Sara Gruen's *Water for Elephants*, Erin Morgenstern's *The Night Circus*, and Elizabeth Kostova's *The Historian*, *The Book of Speculation*--with two-color illustrations by the author--is Erika Swyler's moving debut novel about the power of books, family, and magic.
