*The Panoramic Seer* James Maloney 2012-11-20 The Applause of Heaven! Developing your spiritual eye and walking hand in hand with the supernaturally prophetic. “Somehow, I was instantly in Heaven; I knew the room I was standing in was directly adjacent to the throne room of the Father,” writes author James Maloney. From this exciting experience, shared in the first chapter, to the thrilling conclusion, *The Panoramic Seer* reveals realms and realities that most Christians don’t even know exist! Panorama is the seer’s prophetic gifting that releases the miraculous. It is tied into five key elements: inheritance, humility, compassion, righteousness, and faith. These keys and much more are presented to you in a spiritually sensitive way—straight from the throne room of God. You will hear the applause of Heaven when you operate as a panoramic seer. The only way to cultivate that kind of relationship with Him is in the “secret place.” *The Panoramic Seer* takes you to that special place and offers you the powerful Kingdom secrets that have sustained the move of God from generation to generation.

Eyes of Honor Jonathan Welton 2012-06 Open your pure eyes. Whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy--meditate on these things (Philippians 4:8). After struggling with sexual temptation for years, author Jonathan Welton devoted himself to finding a way to be completely free from sexual sin. He read books, attended 12-step groups, and participated in counseling--with no success. Spurred on by countless friends and acquaintances who shared a similar broken struggle and longed for freedom, the author searched Scripture--there he found the answer and shares it with you in a compassionate, nonjudgmental way. *Eyes of Honor* helps you understand how to live a life of purity by realizing: Your personal identity. How to view the opposite sex correctly. Recognizing your enemies. *Eyes of Honor* is honest and refreshing, offering hope and complete freedom and deliverance from sexual sin. Jesus' sacrifice on the cross and your salvation guarantee rescue from the appetite of sin. Your true identity empowers you to stop agreeing with the lies of the enemy that ensnare you.

**Normal Christianity** Jonathan Welton 2011-09-20 Jesus and the Book of Acts are the standard of

Normal Christianity. Remember the fad a few years ago when people wore bracelets reminding them, “What Would Jesus Do?” Christians state that Jesus is the example of how to live, yet this has been limited in many cases to how we view our moral character. When Christians tell me that they want to live like Jesus, I like to ask if they have multiplied food, healed the sick, walked on water, raised the dead, paid their taxes with fish money, calmed storms, and so forth. I typically receive bewildered looks, but that’s what it is like to live like Jesus! Perhaps we are ignoring a large portion of what living like Jesus really includes. While I agree that we are to live like Jesus, “Those who say they live in God should live their lives as Jesus did” (1 John 2:6 NLT). I am also aware that the application of Jesus’ model has been minimized to something that can be accomplished by living a moral life. Many Christians believe that they can live like Jesus without ever operating in the supernatural. After reading in the Bible about all of the miracles He performed, does that sound right to you? (Excerpt from book)

Power Portals Study Guide Joshua Mills 2020-11-24 Become a Conduit of God's Power "I encourage you to read Joshua's book, not only to learn about the glory but also to be changed by the glory."  
—Bill Johnson "This book is boot camp for the next and greatest move of God's Spirit in history."  
—Sid Roth All Christians are intended to live, move, and operate in the supernatural realm. But many people aren't sure how to enter into this realm—or how to go deeper in the Spirit. Joshua Mills explains that, much more than sensing what God is doing, we can participate in the supernatural on a daily basis through divine portals, or gates. In this study guide companion to his book Power Portals, Joshua clearly shows believers how they can become conduits of God's power. Within a power portal, we may experience a sudden realization of God's presence, an abundance of healing, spontaneous joy, signs and wonders, angelic activity, an increase in spiritual dreams and visions, or extravagant provision. Some portals can be activated in our own bodies through the heart, mouth, eyes and ears, mind, innermost being, hands, and feet. There are also direct heavenly portals and

geographical portals, special places where we can experience the release of God's power. The Power Portals Study Guide, which can be used by either individuals or groups, contains some brand-new material to further your understanding of these gateways to the Spirit realm. The guide is also filled with key points from the book, thought questions, review questions, and supernatural activations. Get ready to awaken your connection to the Spirit realm. Get ready to encounter Power Portals! "Joshua Mills...has taken deep spiritual revelation and translated it into language that any reader can understand and apply to daily life." —Becky Thompson "Joshua Mills...gives you teachings you can trust and revelations that get you results." —Tony Kemp #PowerPortalsBook

**The Gospel of the Kingdom** George Eldon Ladd 1988 Serious students of the Bible sometimes lose sight of the fact that the study and interpretation of Scripture should never be an end in itself. God has given men His Word written for a practical purpose: "That the man of God may be complete, equipped for every good work" (II Tim. 3:17). When a gulf exists between the lecture-room and the pulpit, sterility in the class-room and superficiality in the pulpit often result. The present author has given much attention to the technical study of the Biblical doctrine of the Kingdom of God. No teaching of the New Testament has been more vigorously debated than this. However, the Kingdom of God was the central message of our Lord's ministry. He "went about all Galilee ... preaching the gospel of the kingdom" (Matt. 4:23). This element of proclamation has often been engulfed in debate and argument. The following pages are proclamation. While it is obvious that a distinct point of view underlies the proclamation, the purpose is not to defend the point of view or to discuss optional interpretations or critical and theological problems, but to attempt to follow our Lord's example by proclaiming Good News.

**Wisdom of the Ancient Seers** David Frawley 2019-01-01 "The Rig Veda is not only one of the

oldest sacred scriptures of the world, but also one of the most misunderstood. Past scholarship has dismissed the hymns of the Rig Veda as being expressions of a primitive animistic mentality that only rarely rose to true spiritual and philosophical heights. David Frawley's book demonstrates that this judgmental view is ill-founded. His fine renderings of select Vedic hymns bear witness to the fact that their composers were sages and seers--powerful poets who knew the art of symbolic and metaphoric communication. The Vedic hymns give us a unique glimpse not into a primitive mentality but a mentality and culture that revolved around the highest spiritual values and visions. This is an important and riveting book, ushering in a new and sounder tradition of Vedic interpretation and scholarship." Georg Feuerstein

*The Seer Expanded Edition* James W. Goll 2012-03-20 Satisfy the hunger in your heart! An exciting and insightful journey into the visionary world of The Seer. The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal the seer, whose revelation is more visionary While the role of the prophet is

familiar, less is known about The Seer dimension. To many people, these visionary prophets remain mysterious, other-worldly, and even strange. Knowledge dispels misunderstanding, and you will discover the prophetic power of dreams, visions, and life under the open heavens. Questions answered include: How does visionary revelation happen? Can it be trusted? Where does it fit into your life and today's church? Can any believer become a seer? Is it a prophetic dimension reserved for the spiritually-gifted? The Seer will move your heart and stir up your hunger for intimacy with God because the seer's goal is to reveal the person of Christ Jesus—to you, today.

**The Feeler** James W. Goll 2021-03-09 “James Goll is one of the most accurate prophets I know.” —Sid Roth, *It's Supernatural!* The Scriptures give us a full-color picture of a God who is moved by emotions such as yearning, love, and compassion. Our human emotions reflect the emotional qualities of our Creator, who made us in His own image. Feelings have a vital place in any believer's life, not just in those who have a more sensitive nature due to their personalities. *The Feeler* by James W. Goll delivers a remarkable biblical perspective on our emotions and how they help us to discern and act on God's voice. We experience the love, joy, and presence of God with our feelings. Our emotions have an impact on our bodies, our level of holiness, our relationships, and our decisions. The Bible tells us we need to have our “senses trained to discern good and evil” (Hebrews 5:14 NASB). What are we training? Both our natural senses and our spiritual senses. Our physical senses, with the addition of “knowing,” correspond to our spiritual senses in these ways: Eyes (sight): visions and dreams Ears (hearing): voices and sounds Heart (touch): emotions and feelings Tongue (taste): good and evil Nose (smell): good and bad Mind (knowing): divine thoughts and impressions This book will show you how to listen for and recognize the often subtle ways God's Spirit speaks to believers, as well as how to discern good and evil spirits. With consecrated gifts and

senses, you can reach out to the body of Christ and to the world at large in both spiritual and practical ways, making you much better equipped to fulfill your role as an ambassador of the gospel.

**Why Do We Quote?** Ruth Finnegan 2011-03-01 Quoting is all around us. But do we really know what it means? How do people actually quote today, and how did our present systems come about? This book brings together a down-to-earth account of contemporary quoting with an examination of the comparative and historical background that lies behind it and the characteristic way that quoting links past and present, the far and the near. Drawing from anthropology, cultural history, folklore, cultural studies, sociolinguistics, literary studies and the ethnography of speaking, Ruth Finnegan 's fascinating study sets our present conventions into crosscultural and historical perspective. She traces the curious history of quotation marks, examines the long tradition of quotation collections with their remarkable recycling across the centuries, and explores the uses of quotation in literary, visual and oral traditions. The book tracks the changing definitions and control of quoting over the millennia and in doing so throws new light on ideas such as imitation, allusion, authorship, originality and plagiarism .
