YEAR BY The Wall Street Journal • NPR • The New York Times • Los Angeles Times • The Washington Post • Kirkus Reviews • Publishers Weekly “We are always telling a story to ourselves, about ourselves.” This is one of the little mantras Dustin Tillman likes to share with his patients, and it’s meant to be reassuring. But what if that story is a lie? A psychologist in suburban Cleveland, Dustin is drifting through his forties when he hears the news: His adopted brother, Rusty, is being released from prison. Thirty years ago, Rusty received a life sentence for the massacre of Dustin’s parents, aunt, and uncle. The trial came to epitomize the 1980s hysteria over Satanic cults; despite the lack of physical evidence, the jury believed the outlandish accusations Dustin and his cousin made against Rusty. Now, after DNA analysis has overturned the conviction, Dustin braces for a reckoning. Meanwhile, one of Dustin’s patients has been plying him with stories of the drowning deaths of a string of drunk college boys. At first Dustin dismisses his patient’s suggestions that a serial killer is at work as paranoid thinking, but as the two embark on an amateur investigation, Dustin starts to believe that there’s more to the deaths than coincidence. Soon he becomes obsessed, crossing all professional boundaries—and putting his own family in harm’s way. From one of today’s most renowned practitioners of literary suspense, *Ill Will* is an intimate thriller about the failures of memory and the perils of self-deception. In Dan Chaon’s nimble, chilling prose, the past looms over the present, turning each into a haunted place. “In his haunting, strikingly original new novel, [Dan] Chaon takes formidable risks, dismantling his timeline like a film editor.”—The New York Times Book Review “The scariest novel of the year . . . ingenious . . . Chaon’s novel walks along a garrote stretched taut between Edgar Allan Poe and Alfred Hitchcock.”—The Washington Post

When her former handler offers her a way out, she realizes it's her only chance to erase the giant target on her back. But it means taking one last job for her ex-employers. To her horror, the information she acquires only makes her situation more dangerous. Resolving to meet the threat head-on, she prepares for the toughest fight of her life but finds herself falling for a man who can only complicate her likelihood of survival. As she sees her choices being rapidly whittled down, she must apply her unique talents in ways she never dreamed of. Jane, Unlimited Kristin Cashore 2017-09-19 An instant New York Times bestseller—from the award-winning author of the Graceling Realm series—about adventure, grief, storytelling, and finding yourself in a world of seemingly infinite choices. "A wild gift for readers who like books that take them to unexpected places."—Melissa Albert, author of *The Hazel Wood* Jane has lived a mostly ordinary life, raised by her recently deceased aunt Magnolia, whom she counted on to turn life into an adventure. Without Aunt Magnolia, Jane is lost. So she's easily swept away when a glamorous, capricious, and wealthy acquaintance from years ago asks Jane to accompany her to a gala at the extravagant island mansion called Tu Reviens. Jane remembers her aunt telling her: "If anyone ever invites to you to Tu Reviens, promise me that you'll go." What Jane doesn't know is that the house will offer her five choices that could ultimately determine the course of her life. One choice leads Jane into a heist mystery. Another takes her into a spy thriller. She finds herself in a gothic horror story, a space opera, and an extraordinary fantasy realm. She might fall in love, she might lose her life, she might come face-to-face with herself. Every choice comes with a price. But together, all the choices will lead her to the truth. One house. Five choices. Limitless possibilities. Read *Jane, Unlimited* and remember why The New York Times has raved, "Some authors can tell a good story; some can write well. Cashore is one of the rare novelists who do both."

The Thirteenth Tale Diane Setterfield 2009-03-16 Biographer Margaret Lea returns one night to her apartment above her father's antiquarian bookshop. On her steps she finds a letter. It is a handwritten request from one of Britain's most prolific and well-loved novelists. Vida Winter, gravely ill, wants to recount her life story before it is too late, and she wants Margaret to be the one to capture her history. The request takes Margaret by surprise—she doesn't know the author, nor has she read any of Miss Winter's dozens of novels. Late one night, while pondering whether to accept the task of recording Miss Winter's personal story, Margaret begins to read her father's rare copy of Miss Winter's Thirteen Tales of Change and Desperation. She is spellbound by the stories and confused when she realizes the book only contains twelve stories. Where is the thirteenth tale? Intrigued, Margaret agrees to meet Miss Winter and act as her biographer. As Vida Winter unfolds her story, she shares with Margaret the dark family secrets that she has long kept hidden as she remembers her days at Angelfield, the now burnt-out estate that was her childhood home. Margaret carefully records Miss Winter's account and finds herself more and more deeply immersed in the strange and troubling story. In the end, both women have to confront their pasts and the weight of family secrets. As well as the ghosts that haunt them still.
