Music at the Aragonese Court of Naples Allan W. Atlas 2008-10-30 This book deals with various aspects of musical life at the Aragonese court of Naples, from its establishment in 1442 to its demise in the opening years of the sixteenth century. An opening chapter gives a general historical-cultural background of the court. The author then discusses the royal chapel and its most important members, as well as other important musicians who were in Naples but who had no known ties with the court in an official sense. He goes on to describe the various types of secular music at the court and the music manuscripts compiled in and around Naples. The importance of the book lies in its attempt to synthesize all that is known about music at Naples - both from discovered archival sources and from the scholarly literature of specialized studies. The second part of the book contains a collection of 18 pieces, edited from Neapolitan manuscripts, which illustrate the earlier chapter on the repertory.

Politics and Culture in Renaissance Naples Jerry H. Bentley 2014-07-14 Examining the cultural history of Renaissance Naples with an emphasis on humanism, the author also evaluates Naples in the broader context of fifteenth-century Italy and Renaissance Europe in general. He addresses several prominent themes of Renaissance history: patron-client relationships, the development of a realistic, Machiavellian approach to matters of statecraft and diplomacy, and the influence of Neapolitan humanists on European culture in general. Originally published in 1987. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
