Divine Magic Doreen Virtue 2015-08-04 The Ancient Hermetic Secrets to Alchemy and Divine Magic Revealed! You have natural magical abilities that can elevate your life to a whole new level, as well as heal and help your loved ones and clients. The original teacher of this Divine magic was an Egyptian sage named Hermes Trismegistus. His teachings, called "Hermetics," were only taught verbally or in very cryptic writings. In 1908, three Hermetic students recorded them in a book called *The Kybalion*. Yet this work was still difficult to understand because of its archaic and confusing language. Now, in *Divine Magic*, Doreen Virtue presents a clear, edited version of *The Kybalion*, written in understandable and modern language while retaining all of the original teachings. She gives comments and practical suggestions based upon her own success in using Hermetic teachings for healing and manifestation. With *Divine Magic*, you can master your moods, release negativity, manifest new levels of abundance, and attract wonderful opportunities in all areas of your life.

A Lightworker is someone who has a rare gift: the ability to lend their healing energy to a planet that is now heavy with fear and negativity. But Lightworkers aren't necessarily well-known spiritual gurus—they are also musicians and artists, shopkeepers, accountants, stay-at-home moms, and people you pass on the street. They share their gifts in many ways; by speaking out for those who have no voice, creating glorious works of art that uplift our planet, or perhaps writing music that elevates our spirits. But many Lightworkers have forgotten their divine purpose. They live among us, unaware of who they really are. And we can't always recognize them or fully understand their special qualities. But one thing is certain: the Earth is more in need of them than ever before. Here, Sahvanna Arienta—long-time psychic medium and intuitive advisor with clientele from around the globe—shows how to: Discover the true origin of your soul Realize your unique gifts Learn how anxiety, depression, or addiction may actually be signs of a Lightworker's highly sensitive nature Transform your sensitivities into extrasensory perceptions And use these qualities as healing powers Sahvanna Arienta's Lightworker will change the way you view yourself and your life's challenges and to discover your true place in the world.

Earth Angels Doreen Virtue 2002-09-30 In the same way that "The Indigo Children" was a phenomenon that was much talked-about, before the book came out and explained it, "Earth Angels" is a topic of much discussion among spiritually minded people world-wide. Four years ago, Doreen Virtue wrote an article on the topic, and then a chapter in her book, "Healing with the Angels," and then more information in "Healing with the Fairies." Since that time, Doreen has been flooded with letters from people who resonate with the idea, requesting more information. "Earth Angels" will be the first book devoted to the topic. Doreen will describe the five different types of lightworkers: Incarnated Angels (those who had previous lives as angels, but who are now here as humans); Incarnated Elementals (those whose previous lives were in the elemental kingdom, as fairies, elves, etc.); Starpeople (those who have lived the majority of their past lives on other planets); Walk-In's (those who came from a high spiritual realm and walked-in to another person's life, as that soul gladly exited their body); and Reincarnated Sorcerers, Sorceresses, and Wizards (those whose most recent past life was during Arthurian or Atlantian times, when they practiced high magic). The book will include dozens of case studies; a fascinating analysis of an extensive survey that Doreen has conducted among people who identify with the five types of Earth Angels; and guidance to help readers to feel happier about their lives, their own idiosyncrasies, and their missions.
