

Ten Count 1

The Ten Count Tom Schreck 2023-01-23 The brutal throat-slashing murder of Crawford Academy's football coach has the city on edge. The fact that his body was found in the gay section of Jefferson Park has created more than a few whispers about the macho coach. That creeps social worker Duffy Dombrowski out enough, but not nearly as much as the fact that the kid he's counseling said he wanted to slit the coach's throat the day before. Now Duffy is assigned to the high school as a grief counselor, and before he can confront his client, the kid gets beaten into a coma by the captain of the football team. As the rumors of a high school sex club run rampant, murder becomes routine in Crawford-until a victim is someone close to Duffy. Everything points to the coach, his sex life, his players, and maybe to the coach leading the team into a different arena. Duffy is not so sure. Add in a new love affair with TJ Dunn, a concussion that might drive Duff out of the boxing game, and the daily challenges of Al the basset hound and you have the fastest paced, most complex and culturally challenging Duffy mystery yet. Praise for the Duffy Dombrowski Mysteries: "The Vegas Knockout is a funny book, full of engaging characters that cover the spectrum of human likeability. What makes it more than a piece of fluff is how Schreck uses Duffy's love of boxing to stand in for any devotion truly held. Duffy's success is in his journey, just as the greatest fun in The Vegas Knockout is in the reading." -Dana King, author of the Penns River Crime Novels "Out Cold floored me with a quick one two of the serious and seriously funny. Schreck's unique blending of the absurd and the sublime along with his rather oddball cast of characters makes Out Cold a great read." -Reed Farrel Coleman, two-time Shamus Award winning author of Empty Ever After "Out Cold is a fast, funny, rip-roaring

read, and Shreck's wit and humor shines through on every page. But what I love most about Schreck's creation, Duffy Dombrowski, is the decency and dignity with which he treats the unforgettable cast of loonies, addicts, and criminals who parade through his office. I haven't cared this much about a protagonist in a good long while. Duffy is real hero and a true original." -Blake Crouch, author of Abandon "Fresh, intense and funny, Schreck's second mystery to feature unrepentant Elvis fan and dog lover Duffy Dombrowski packs a knockout punch." -Publishers Weekly, for TKO "Refreshingly iconoclastic." -Kirkus Reviews, for TKO "TKO is fast-paced, authentic, and funny as hell. Social worker and journeyman boxer Duffy Dombrowski is a workingman's hero, and I want him in my corner!" -Sean Chercover, author of Trinity Game "Not since Carl Hiassen's Tourist Season debut has there been a novel with such superb comic timing and laugh-out-loud lines." -Ken Bruen, Shamus Award-winning author of The Guards, for On the Ropes "An Everyman with a big heart and a wicked jab, Duffy Dombrowski may well be the new Spenser. I can't wait for Round Two." -Marcus Sakey, author of The Blade Itself, for On the Ropes

Song of the Navigator Astrid Amara 2015-05-26 Worst Possible Birthday: Being sold into slavery by none other than your lover. Tover Duke's rare ability to move anything instantly across light-years of space makes him a powerful, valuable asset to the Harmony Corporation, and a rock star among the people of the colonies. His life is luxurious. Safe. Routine. He has his pick of casual hookups passing through Dadelus-Kaku Station. His one brush with danger of any kind-the only bright spot in his otherwise boring life-is Cruz Arcadio, a dark-haired, hard-bodied engineer whose physical prowess hints he's something much more. When a terrorist abducts Tover, hurling him into a world of torture, exploitation and betrayal, it's with shattering disbelief that he realizes his kidnapper is none other than Cruz. As Tover struggles to find the courage to escape his bondage, he begins to understand the only way to free his body, his mind-and his heart-is to trust the one man who showed him that everything about his once-perfect life was a lie. Warning: This story contains descriptions of extreme violence and assault. It also contains graphic sexual depictions. It also has a lot of birds. And pirate movies from the future. And romance.

Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute.
