River Cottage Fruit Every Day! Hugh Fearnley-Whittingstall 2015-05-07 Fruit is pretty much the perfect food: bountiful, delicious and colourful, it also helps us to fight infection, stresses and strains. But why are we still a nation that thinks it's a bit racy to slice a banana onto our cornflakes in the morning? A 'piece of fruit' in a lunch box, on the breakfast table or at the end of a meal is all very well, but fruit is so much more exciting than this, and we don't eat nearly enough of the stuff. Perhaps this is because we don't always understand how to use it in our cooking, or how to choose the best fruit for the season. Hugh sets out to address this head on. With 180 delicious recipes, *River Cottage Fruit Every Day!* will show you how to enjoy a broader eating experience and make fruit easy, fun and irresistible. You'll find recipes for all the wonderful seasonal fruit that grows in this country, and learn how to make the most of fruit from other parts of the world. Recipes include marinated lamb and fig kebabs; barbecued pork chops with peaches and sage; venison stew with damsons; and parsnip and apple cakes. There are also fresh and zingy salads as well as gorgeous cakes, tarts, pies, crumbles and puddings. With glorious photography from Simon Wheeler, this book will bring amazing new fruity vitality and flavour to your food.

**The River Cottage Cookbook** Hugh Fearnley-Whittingstall 2011 More than just a collection of Hugh's recipes, this book is a witty, practical guide to the River Cottage lifestyle from Channel 4's iconoclastic back-to-basics chef. Includes tips on how best to buy organic produce and, for the more adventurous, advice on rearing your own meat, growing your own vegetables, and tapping into the free wild harvest. 'How much of this book you incorporate into your life is up to you. But if all you do is grow a few herbs in a window box, make nettle soup once a year, and try a free-range goose for Christmas instead of a frozen turkey, you will already, I hope, be enjoying your life more.' Hugh Fearnley-Whittingstall With over one hundred recipes and Simon Wheeler's acclaimed photography, *The River Cottage Cookbook* has been a hugely influential and original book, appealing to all downshifters and those who prefer their food to be full-blooded and wholesome. *The River Cottage Cookbook* has won the Andre Simon Food Book of the Year Award, the Guild of Food Writers' Michael Smith Award and the Glenfiddich Trophy and Food Book of the Year. This new edition's preface looks back at River Cottage from the perspective of 2011. The book also includes new recipes, new pictures and an updated directory that reflects the changes over the past ten years.

River Cottage Much More Veg Hugh Fearnley-Whittingstall 2017-09-21 Hugh's *River Cottage Veg Every Day!* became the UK's best-selling vegetable cookbook, persuading us through sheer temptation to make vegetables the mainstay of our daily cooking. In this much-anticipated follow-up, Hugh delivers more irresistible recipes, and this time, takes things one step further. Fuelled by his passionate belief that plant foods should be the dominant force in our kitchens, Hugh has put cheese, butter, cream, eggs, and refined flour and sugar firmly to one side. Instead, he uses veg, fruit, wholegrains, nuts, seeds, spices and cold-pressed oils to explore the length and breadth of what can be achieved with natural, unprocessed plant foods. *River Cottage Much More Veg!* makes it clear that unadulterated ingredients are the very best building blocks for delicious and healthy meals. In typical Hugh style, the recipes are easy, utterly foolproof and delicious. All but a handful are gluten-free, and at least half the dishes require 20 minutes (or less) hands-on work time. With recipes such as Roast squash and chickpeas with spicy apricot sauce, Blackened cauliflower with pecans and tahini, Spiced beetroot, radicchio and orange traybake, Celeriac and seaweed miso broth, Seared summer cabbage with rosemary, chilli and capers, and Baked celery agrodolce, *River Cottage Much More Veg!* demonstrates how easy it is to make versatile, plentiful and delicious vegetables the bedrock of your diet.

Nikki Duffy brings the River Cottage ethos to feeding children, and shows that it's never too early to involve the youngest family members in mealtimes. Her delicious seasonal purées and simple, wholesome recipes put the needs and wants of babies and toddlers first, whilst offering up dishes that will delight adults too. With clear advice on nutrition and weaning, *The River Cottage Baby & Toddler Cookbook* is the perfect starting point for your child's great food adventure. Start the day with breakfasts like blueberry pancakes, apple muesli or eggy bread, followed by simple and delicious meals like fishcakes, meatballs, shepherd's pie, home-made pizza, falafel, mackerel pâté, pea risotto or roasted fish with tomato sauce. **Curing & Smoking** Steven Lamb 2018-02-22 In the thirteenth River Cottage Handbook, Steven Lamb shows how to cure and smoke your own meat, fish and cheese. Curing and smoking your own food is a bit of a lost art in Britain these days. While our European neighbours have continued to use these methods on their meat, fish and cheese for centuries, we seem to have lost the habit. But with the right guidance, anyone can preserve fresh produce, whether living on a country farm or in an urban flat - it doesn't have to take up a huge amount of space. The River Cottage ethos is all about knowing the whole story behind what you put on the table; and as Steven Lamb explains in this thorough, accessible guide, it's easy to take good-quality ingredients and turn them into something sensational. Curing & Smoking begins with a detailed breakdown of any kit you might need (from sharp knives to sausage stuffers, for the gadget-loving cook) and an explanation of the preservation process - this includes a section showing which products and cuts are most suitable for different methods of curing and smoking. The second part of the book is organised by preservation method, with an introduction to each one, and comprehensive guidance on how to do it. And for each method, there are, of course, many delicious recipes! These include chorizo Scotch eggs, salt beef, hot smoked mackerel, home-made gravadlax ... and your own dry-cured streaky bacon sizzling in the breakfast frying-pan. With an introduction by Hugh Fearnley-Whittingstall and full-colour photographs as well as illustrations, this book is the go-to guide for anyone who wants to smoke, brine or air-dry their way to a happier kitchen.

**Hugh Fearlessly Eats It All** Hugh Fearnley-Whittingstall 2011-05-15 'It has been said that I will eat anything. That is, of course, nonsense. A fried egg that still has a pool of runny egg white clinging to the yolk is a definite no-no. Still, I must admit that it was with some pride that I read, in one review of my series A Cook on the Wild Side, that I had been given the sobriquet "Hugh Fearlessly Eats it all"...' For almost two decades Hugh has been writing about food in all its guises. To some, his concept of 'good eating' might seem a bit skewed - he'd always bypass a McBurger in favour of a squirrel sandwich, and make a detour for fresh road kill - but to others he is a shining and shaggy beacon of good sense in a food world gone mad. Armed with a broad mind, a quick wit and a ready appetite, Hugh covers almost every area of global food culture, whether singing the praises of offal; playing 'poisson roulette' with the deadly fugu fish in Tokyo; analysing the tea-dunking qualities of some classic British biscuits; or reminding us that a reindeer isn't just for Christmas, but tasty all year round.

**The River Cottage Family Cookbook (special Sales)** Hugh Fearnley-Whittingstall 2014-04-26  
**Christmas at River Cottage** Lucy Brazier 2021-10-14 'Exactly the kind of person you want to lead you through Christmas... a comprehensive volume' Diana Henry, Sunday Telegraph Christmas at River Cottage encapsulates the very best that the season has to offer, guiding you from the autumn equinox, through advent and Christmas, and merrily into the new year with inspiration, traditions and indispensable recipes for every festive occasion. These are recipes that have been honed over the years and are rooted in the River Cottage foundations of tradition, seasonality and sustainability. As well as the ultimate versions of all the classics, there are a whole host of new ideas for showstopping centrepieces, sparkling cocktails, prep-ahead canapes, edible gifts, livening up leftovers, as well as some of Hugh Fearnley-Whittingstall's festive favourites. And accompanying all

of this are tips from Lucy and Hugh on planning ahead, making natural decorations, effortlessly feeding a crowd and orchestrating the great Christmas Dinner so you'll also be able to find the magic along the way.

**Outdoor Cooking** Gill Meller 2019-05-02 In *Outdoor Cooking*, Gill Meller explains every aspect of cooking out in the open. He will take you back to basics with a guide to building the perfect fire, and reinvigorate your summer barbecue by cooking bread on it, grilling Indian-style kebabs, smoking fish or roasting succulent joints of meat. You can also find out how to make the most of a pizza oven or Kamado-style clay barbecue (popularised by the Big Green Egg) and, if you're feeling adventurous, there are comprehensive instructions for spit roasting larger pieces of meat or making a smouldering earth oven. With an introduction by Hugh Fearnley-Whittingstall and plenty of mouth-watering photographs, this book will rekindle your passion for the great outdoors and spark new ideas for creative cooking in the wild.

**Whole Beast Butchery** Ryan Farr 2011-11-16 DIY fever + quality meat mania = old-school butchery revival! Artisan cooks who are familiar with their farmers market are now buying small farm raised meat in butcher-sized portions. Dubbed a rock star butcher by the *New York Times*, San Francisco chef and self-taught meat expert Ryan Farr demystifies the butchery process with 500 step-by-step photographs, master recipes for key cuts, and a primer on tools, techniques, and meat handling. This visual manual is the first to teach by showing exactly what butchers know, whether cooks want to learn how to turn a primal into familiar and special cuts or to simply identify everything in the case at the market.

**The Edible Garden Cookbook & Growing Guide** Paul West 2019-09-24 For Paul West, a meaningful life is one built around food and community. In *The Edible Garden Cookbook & Growing Guide*, Paul shows you how easy it is to grow and cook some of your own food, no matter how much space you have. Paul shares practical gardening advice, with guides on building a no-dig garden, composting and keeping chooks, and an A-Z guide of the veggies that are easiest to grow. There are also more than 50 of Paul's favourite family recipes - simple, produce-driven dishes that are bursting with freshness and flavour. And then there are ideas for fun food activities to do with your community, whether it's hosting a pickle party or passata day, brewing beer with some mates or whipping up a batch of homemade sausages. *The Edible Garden Cookbook & Growing Guide* is a celebration of real food and vibrant community. It will inspire you to grow, cook and eat with those you love - and find real meaning along the way. This is a specially formatted fixed-layout ebook that retains the look and feel of the print book.

**The River Cottage Preserves Handbook** Pam Corbin 2010-10-05 In this new addition to the award-winning collection, River Cottage master preserver Pam Corbin helps you transform the abundance of your garden (and your friends' and neighbors' gardens) into everything from jams and jellies to vinegars and sauces. The River Cottage farm, established by British food personality Hugh Fearnley-Whittingstall to promote high-quality, seasonal, and sustainable food, has inspired a television series, restaurants and classes, and a hit series of books. Now, with *The River Cottage Preserves Handbook*, learn to make everything from simple Strawberry Jam to scrumptious new combinations like Honeyed Hazelnuts, Nasturtium "Capers," Onion Marmalade, Spiced Brandy Plums, and Elixir of Sage, plus a pantryful of butters, curds, pickles, chutneys, cordials, and liqueurs.

**Meat Illustrated** America's Test Kitchen 2020-10-27 2021 IACP Award Winner in the General Category Increase your meat counter confidence with this must-have companion for cooking beef, pork, lamb, and veal with more than 300 kitchen-tested recipes. Part cookbook, part handbook organized by animal and its primal cuts, *Meat Illustrated* is the go-to source on meat, providing essential information and techniques to empower you to explore options at the supermarket or butcher shop (affordable cuts like beef shanks instead of short ribs, lesser-known cuts like country-style ribs, leg of lamb instead of beef tenderloin for your holiday centerpiece), and recipes that make those cuts (72 in total) shine. Meat is a treat; we teach you the best methods for center-of-the-plate meats like satisfying Butter-Basted Rib Steaks (spooning on hot butter cooks the steaks from both sides so they come to temperature as they acquire a deep crust), meltingly tender Chinese

Barbecued Roast Pork Shoulder (cook for 6 hours so the collagen melts to lubricate the meat), and the quintessential Crumb-Crusted Rack of Lamb. Also bring meat beyond centerpiece status with complete meals: Shake up surf and turf with Fried Brown Rice with Pork and Shrimp. Braise lamb shoulder chops in a Libyan-style chickpea and orzo soup called Sharba. Illustrated primal cut info at the start of each section covers shopping, storage, and prep pointers and techniques with clearly written essays, step-by-step photos, break-out tutorials, and hundreds of hand-drawn illustrations that take the mystery out of meat prep (tie roasts without wilderness training; sharply cut crosshatches in the fat), so you'll execute dishes as reliably as the steakhouse. Learn tricks like soaking ground meat in baking soda before cooking to tenderize, or pre-roasting rather than searing fatty cuts before braising to avoid stovetop splatters. Even have fun with DIY curing projects.

**Preserves** Pam Corbin 2018-02-22 In the second of the River Cottage Handbook series, Pam Corbin explains how to turn Britain's seasonal gluts of fruit, vegetables, flowers and herbs into delicious preserves to enjoy all year around. Preserving is a centuries-old way to make the most out of every season, stretching the more bountiful months into the sparser ones - and what's more, it is fun, rewarding and easy to learn. Explaining the history, science and basic processes of preserving, Pam Corbin guides us through a world of jams, jellies, butters, curds, pickles, chutneys, cordials, liqueurs, vinegars and sauces that can be made from local produce throughout the year. She includes 75 recipes, covering everything from traditional favourites such as raspberry jam, lemon curd, quince cheese and sloe gin, to fresh new combinations such as apple butter, cucumber pickle and nettle pesto. The handbook includes seasonable tables, regional maps, flow charts of all the preserving processes and full-colour photographs throughout, and is completed by a directory of equipment and useful addresses. With a textured hard cover and an introduction by Hugh Fearnley-Whittingstall, Preserves is a concise and inspiring guide to an age-old art for kitchen beginners and keen preservers alike.
