The Crime and the Silence Anna Bikont 2015-09-15 Winner of the National Jewish Book Award in the Holocaust category A monumental work of nonfiction on a wartime atrocity, its sixty-year denial, and the impact of its truth Jan Gross's hugely controversial *Neighbors* was a historian's disclosure of the events in the small Polish town of Jedwabne on July 10, 1941, when the citizens rounded up the Jewish population and burned them alive in a barn. The massacre was a shocking secret that had been suppressed for more than sixty years, and it provoked the most important public debate in Poland since 1989. From the outset, Anna Bikont reported on the town, combing through archives and interviewing residents who survived the war period. Her writing became a crucial part of the debate and she herself an actor in a national drama. Part history, part memoir, *The Crime and the Silence* is the journalist's account of these events: both the story of the massacre told through oral histories of survivors and witnesses, and a portrait of a Polish town coming to terms with its dark past. Including the perspectives of both heroes and perpetrators, Bikont chronicles the sources of the hatred that exploded against Jews and asks what myths grow on hidden memories, what destruction they cause, and what happens to a society that refuses to accept a horrific truth. A profoundly moving exploration of being Jewish in modern Poland that Julian Barnes called "one of the most chilling books," *The Crime and the Silence* is a vital contribution to Holocaust history and a fascinating story of a town coming to terms with its dark past.

The Betrothed Alessandro Manzoni 1983-11-24 Set in Lombardy during the Spanish occupation of the late 1620s, *The Betrothed* tells the story of two young lovers, Renzo and Lucia, prevented from marrying by the petty tyrant Don Rodrigo, who desires Lucia for himself. Forced to flee, they are then cruelly separated, and must face many dangers including plague, famine and imprisonment, and confront a variety of strange characters - the mysterious Nun of Monza, the fiery Father Cristoforo and the sinister 'Unnamed' - in their struggle to be reunited. A vigorous portrayal of enduring passion, *The Betrothed's* exploration of love, power and faith presents a whirling panorama of seventeenth-century Italian life and is one of the greatest European historical novels.
