Stephan Pastis 2016-09-27 Banishment from his life's calling can't keep a comically overconfident detective down in the latest episode by New York Times bestseller Stephan Pastis. This book was never meant to exist. No one needs to know the details. Just know this: there's a Merry, a Larry, a missing tooth, and a teachers' strike that is crippling Timmy Failure's academic future. Worst of all, Timmy is banned from detective work. It's a conspiracy of buffoons. He recorded everything in his private notebook, but then the manuscript was stolen. If this book gets out, he will be grounded for life. Or maybe longer. And will Timmy's mom really marry Doorman Dave?

Cat O' Nine Tales Jeffrey Archer 2007-06-12 *Cat O'Nine Tales* is the fifth collection of irresistible short stories from the master storyteller and bestselling author Jeffrey Archer. Ingeniously plotted, with richly drawn characters and Archer's trademark of deliciously unexpected conclusions, some of these thirteen stories were inspired by the two years Jeffrey Archer spent in prison, including the story of a company chairman who tries to poison his wife while on a trip to St Petersburg—with unexpected consequences. *The Red King* is a tale about a con man who discovers that an English Lord requires one more chess piece to complete a set that would be worth a fortune. In another tale of deception, *The Commissioner*, a Bombay con artist ends up in the morgue, after he uses the police chief as bait in his latest scam. *The Perfect Murder* reveals how a convict manages to remove an old enemy while he's locked up in jail, and then set up two prison officers as his alibi. In *Charity Begins at Home*, an accountant realizes he has achieved nothing in his life, and sets out to make a fortune before he retires. And then there is Archer's favorite, *In the Eye of the Beholder*, where a handsome star athlete falls in love with a three-hundred-pound woman...who happens to be the ninth richest woman in Italy. Jeffrey Archer is the only author to have topped international bestseller lists with his fiction, non-fiction, and his short stories. *Cat O'Nine Tales* is Archer at his best: witty, sad, surprising, and unforgettable.

The Clifton chronicles Jeffrey Archer 2015

An American Radical: Susan Rosenberg 2011-03-01 On a November night in 1984, Susan Rosenberg sat in the passenger seat of a U-Haul as it swerved along the New Jersey Turnpike. At the wheel was a fellow political activist. In the back were 740 pounds of dynamite and assorted guns. That night I still believed with all my heart that what Che Guevara had said about revolutionaries being motivated by love was true. I also believed that our government ruled the world by force and that it was necessary to oppose it with force. Raised on New York City's Upper West Side, Rosenberg had been politically active since high school, involved in the black liberation movement and protesting repressive U.S. policies around the world and here at home. At twenty-nine, she was on the FBI's Most Wanted list. While unloading the U-Haul at a storage facility, Rosenberg was arrested and sentenced to an unprecedented 58 years for possession of weapons and explosives. I could not see the long distance I had traveled from my commitment to justice and equality to stockpiling guns and dynamite. Seeing that would take years. Rosenberg served sixteen years in some of the worst maximum-security prisons in the United States before being pardoned by President Clinton as he left office in 2001. Now, in a story that is both a powerful memoir and a profound indictment of the U.S. prison system, Rosenberg recounts her journey from the impassioned idealism of the 1960s to life as a political prisoner in her own country, subjected to dehumanizing treatment, yet touched by moments of grace and solidarity. Candid and eloquent, *An American Radical* reveals the woman behind the

controversy--and reflects America's turbulent coming-of-age over the past half century.

Originally published in 1955, this must be one of the most dramatic adventures of our time. Clemens Forell, a German soldier, was sentenced to 25 years of forced labour in a Siberian lead mine after the Second World War. Rebelling against the brutality of the camp, Forell staged a daring escape, enduring an 8000-mile journey across the trackless wastes of Siberia, in some of the most treacherous and inhospitable conditions on earth. Bauer's writing brilliantly evokes Forell's desperation in the prison camp, and his struggle for survival and terror of recapture as he makes his way towards the Persian frontier and freedom.
