Honey Badger Don't Care Randall 2012-01-24 Never before has wildlife narration been this bold and

this hilarious. More than 40 million people have viewed Randall’s honey badger video, “The Crazy Nastyass Honey Badger.” “It has no regard for anyone or anything—it just takes what it wants! What a little badass!” When viewing wildlife footage, who hasn’t thought at times, “Ewww! What the hell is that?!” Randall thinks it — and says so! In Honey Badger Don’t Care, Randall examines and humorously informs on a dozen crazy, nasty animals of the wild kingdom employing his unique style of telling it like it is! His wildlife writing is refreshingly honest. If an animal scares Randall, he’s not afraid to share. Unlike most nature writers, Randall doesn’t deliver the sugarcoated or drab description. He “goes there” and shares his true feelings with his audience. Because of this, his readers feel that they can relate. Randall loves animals—even the ones that terrify him. He may not agree with how these animals conduct themselves in the world, but Randall wants everyone to know who they are. Just as he introduced the world to the honey badger, the Jesus lizard, and others, so will Randall shed light on twelve bizarre and interesting animals. Designed with callouts, sidebars, and more than fifty photos, Honey Badger Don’t Care presents a wildlife book for adults—hilarious, irreverent, profane, yet charming, chatty, and informative. Don’t be stupid—buy this book!
