

ZeroZeroZero

ZeroZeroZero Roberto Saviano 2015-07-14 “Zero zero zero” flour is the finest, whitest available. “Zero zero zero” is also the nickname among narcotraffickers for the purest, highest quality cocaine on the market. And it is the title of Roberto Saviano’s unforgettable exploration of how the cocaine trade knits the world into its dark economy and imposes its own vicious rules and moral codes on its armies and, through them, on us all. Saviano’s Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide publishing sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four hour police protection in the shadow of death threats for more than seven years. During this time he has become intimate with law enforcement agencies around the world. Saviano has broadened his perspective to take in the entire global “corporate” entity that is the drug trade in cooperation with law enforcement officials, who have fed him information and sources and used him to guide their own thinking and tactics. Saviano has used this extraordinary access to feed his own groundbreaking reportage. The result is a truly amazing and harrowing synthesis of intimate literary narrative and geopolitical analysis of one of the most powerful dark forces in the global economy. In Zero Zero Zero, Saviano tracks the shift in the cocaine trade’s axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances, first with the Italian crime syndicates, then with the Russians, Africans, and others. On the one hand, he charts an astonishing increase in sophistication and diversification as these criminal entities diversify into many other products and markets. On the other, he reveals the threat of violence to protect and extend power and how the nature of the violence has grown steadily more appalling. Saviano is a journalist of rare courage and a thinker of impressive intellectual depth and moral imagination, able to see the connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. As heart racing as it is heady, Zero Zero Zero is a fusion of a variety of disparate genres into a brilliant new form that can only be called Savianoesque.

El Narco Ioan Grillo 2012-01-16 ‘War’ is no exaggeration in discussing the bloodshed that has terrorized Mexico in the past decades. As rival cartels battle for control of a billion-dollar drug trade, the body count - 23,000 dead in five years - and sheer horror beggar the imagination of journalistic witnesses. Cartel gunmen have attacked schools and rehabilitation centers, and murdered the entire families of those who defy them. Reformers and law enforcement officials have been gunned down within hours of taking office. Headless corpses are dumped on streets to intimidate rivals, and severed heads are rolled onto dancefloors as messages to would-be opponents. And the war is creeping northward, towards the United States. El Narco is the story of the ultraviolent criminal organizations that have turned huge areas of Mexico into a combat zone. It is a piercing portrait of a drug trade that turns ordinary men into mass murderers, as well as a diagnosis of what drives the cartels and what gives them such power. Veteran Mexico correspondent Ioan Grillo traces the gangs from their origins as smugglers to their present status as criminal empires. The narco cartels are a threat to the Mexican government - and their violence has now reached as far as North Carolina. El Narco is required reading for anyone concerned about one of the most important news stories of the decade.

Game Changer Matthew Sadler 2019 Presents the story behind the self-learning artificial intelligence system with its stunning chess skills

Storming Las Vegas John Huddy 2008-02-19 “In my world, you are either the hunter or the prey, and I am the hunter. Vegas was my prey. I tell my crew: Vegas makes it, Vigoa takes it.” -Jose Vigoa[pg. 37] When it comes to violent crime, the Las Vegas cops and casino owners thought they had seen it all. But they had never witnessed anything like Jose Vigoa. Born in Cuba, a child of Fidel Castro’s revolution, Vigoa used his quick wits and quicker fists to trade a life of poverty and desperation for one of danger and adventure as a Soviet-trained special forces officer. Battle hardened in the killing fields of Afghanistan and Angola, Vigoa won a reputation for toughness, bravery, and coolness under fire. A brilliant military career lay ahead of him. Then, in 1980, Castro opened Cuba’s floodgates in the Mariel boatlift, and Vigoa, like so many of his countrymen and -women, braved chaos and hardship to start a new life in America’s promised land. But involvement with the drug trade brought his dreams crashing down. Years of prison followed. On his release, Vigoa was determined to take revenge on what he perceived as the corrupt power structure of Las Vegas. On September 20, 1998, the former Spetsnaz lieutenant launched what would be the most audacious and ruthless series of high-profile casino and armored car robberies that Las Vegas had ever seen. In a brazen sixteen-month-long reign of terror, he and his tightly disciplined crew would hit the crème de la crème of Vegas hotels: the MGM, the Desert Inn, the New York-New York, the Mandalay Bay, and the Bellagio. They struck hard and fast, then vanished without a trace. Millions of dollars were stolen. Two brave men were gunned down in cold blood; others were wounded. And yet the robberies were so well planned and executed that the police-“the stupids,” as Vigoa contemptuously referred to them-were all but helpless. Not Lt. John Alamshaw. The twenty-three-year veteran, in charge of robbery detectives, was not giving up so easily. For him, Vigoa’s rampage was a personal affront. And he would do whatever it took, even risk his badge, to bring Vigoa down. With exclusive access to all the major players, including Vigoa and Alamshaw, veteran journalist and network producer John Huddy is the perfect man to tell the gripping never-before-told story of this harrowing true-crime drama that will leave readers breathless.

The Piranhas Roberto Saviano 2018-09-04 In Gomorrah, a New York Times Book Review Notable Book of the Year, Roberto Saviano revealed a true, devastating portrait of Naples, Italy under the rule of the Camorra, a crime organization more powerful and violent than the Mafia. In The Piranhas, the international bestselling author returns to his home city with a novel of gang warfare and a young man’s dark desire to rise to the top of Naples’s underworld. Nicolas Fiorillo is a brilliant and ambitious fifteen-year-old from the slums of Naples, eager to make his mark and to acquire power and the money that comes with it. With nine friends, he sets out to create a new paranza, or gang. Together they roam the streets on their motorscooters, learning how to break into the network of small-time hoodlums that controls drug-dealing and petty crime in the city. They learn to cheat and to steal, to shoot semiautomatic pistols and AK-47s. Slowly they begin to wrest control of the neighborhoods from enemy gangs while making alliances with failing old bosses. Nicolas’s strategic brilliance is prodigious, and his cohorts’ rapid rise and envelopment in the ensuing maelstrom of violence and death is riveting and impossible to turn away from. In The Piranhas, Roberto Saviano imagines the lurid glamour of Nicolas’s story with all the vividness and insight that made Gomorrah a worldwide sensation. “With the openhearted rashness that belongs to every true writer, Saviano returns to tell the story of the fierce and grieving heart of Naples.” —Elena Ferrante

Holes Louis Sachar 2011-06-01 This groundbreaking classic is now available in a special anniversary edition with bonus content. Winner of the Newbery Medal as well as the National Book Award, HOLES is a New York Times bestseller and one of the strongest-selling middle-grade books to ever hit shelves! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment —and redemption. Special anniversary edition bonus content includes: A New Note From the Author!; "Ten Things You May Not Know About HOLES" by Louis Sachar; and more!

In Cold Blood Truman Capote 2013-02-19 Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library’s new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany’s and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote’s masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory

emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

Global Drug Trafficking Alison Jamieson 1990

All About Maude - A High-Performance Logical Framework Manuel Clavel 2007-07-19 Maude is a language and system based on rewriting logic. In this comprehensive account, you'll discover how Maude and its formal tool environment can be used in three mutually reinforcing ways: as a declarative programming language, as an executable formal specification language, and as a formal verification system. Examples used throughout the book illustrate key concepts, features, and the many practical uses of Maude.

The Bathroom Jean-Philippe Toussaint 2008 "An original and significant writer, whose fiction can be as engaging as it is surprising." The Times Literary Supplement

I Am a Drug Lord Anonymous Anonymous 2021-10-05 A unique and unbelievable first-hand account of how one man fought his way to the top of the criminal underworld... and what he needed to do to stay there. As you read this, someone somewhere is buying drugs. Across the globe, millions of people are involved in the brutal, cold-blooded world of drug dealing, but only a small number make life-changing money. Only a few get to the top, make the calls, know how it all works and truly become drugs lords. And even fewer survive. I know because I am one of those drug lords. After thirty years, I've decided to retire and tell the story of how I got to the top of this tainted profession, what's involved in being a serious criminal, the tricks of the trade, the art of the deal and what it really takes to stay alive for so long. This will be my last confession. And I hope you learn something.

My Family and Other Animals Gerald Durrell 2017-04-20 My Family and Other Animals is the first book in The Corfu Trilogy, the inspiration for ITV's The Durrells. The bewitching account of a rare and magical childhood on the island of Corfu by treasured British conservationist Gerald Durrell Escaping the ills of the British climate, the Durrell family - acne-ridden Margo, gun-toting Leslie, bookworm Lawrence and budding naturalist Gerry, along with their long-suffering mother and Roger the dog - take off for the island of Corfu. But the Durrells find that, reluctantly, they must share their various villas with a menagerie of local fauna - among them scorpions, geckos, toads, bats and butterflies. Recounted with immense humour and charm My Family and Other Animals is a wonderful account of a rare, magical childhood. 'Durrell has an uncanny knack of discovering human as well as animal eccentricities' Sunday Telegraph 'A bewitching book' Sunday Times

The Black Reckoning John Stephens 2015-04-07 The final book in the bestselling Books of Beginning trilogy that began with The Emerald Atlas, which the New York Times called "a new Narnia for the tween set." The adventures of siblings Kate, Michael, and Emma come to a stunning conclusion when they must find the last Book of Beginning—the Book of Death—before the Dire Magnus does, for when all three books are united, their combined power will be unstoppable. Soon Emma is on a journey to places both worldly and otherworldly, confronting terrifying monsters and ghosts, and what is darkest within herself. As the fabric of time begins to fray, she becomes the final piece of an extraordinary puzzle. Only if she can master the powers of this most dangerous book will she, Kate, and Michael be able to save the world from the dramatic, deadly final confrontation between magical and ordinary people that the Dire Magnus has in store.

Valley Boy Tom Perkins 2007-11-01 The national bestseller now in paperback: the revealing personal memoir from Tom Perkins?renowned venture capitalist, Silicon Valley and biotechnology pioneer, and one of America?s most successful businessmen. Known for his idiosyncratic ideas and golden touch, Tom Perkins has always been one of the business world?s most intriguing figures. In this insightful memoir, Perkins recalls many fascinating episodes of his life, both personal and professional, including his involvement in the creation of American industries no one could have dreamed of not long ago.

theMystery.doc Matthew McIntosh 2017-10-03 "A vast, beguiling...postmodern novel of ideas, misread intentions, and robots, told in words, pictures, symbols, and even blank pages" by the author of Well (Kirkus). Rooted in the western United States in the decade after 9/11, Matthew McIntosh's epic and elliptical novel follows a young writer and his wife as he attempts to write the follow-up to his first novel. He desperately searches for a form that will express the world as it has become, even as it continually shifts all around him. Pop-up ads, search results, web chats, snippets of conversation, lines of code, and film and television stills mix with alchemical manuscripts, classical works of literature—and the story of a man who wakes up one morning having lost his memory. His only clue to his own identity is a single blank document on his computer called theMystery.doc. From text messages to The Divine Comedy, first love to artificial intelligence, the book explores what makes us human—the stories we tell, the memories we hold on to, the memories we lose—and the relationships that give our lives meaning. Part love story, part memoir, part documentary, part existential whodunit, theMystery.doc is a modern epic about the quest to find something lasting in a world where everything—and everyone—is in danger of slipping away. "McIntosh is a slacker Proust, writing about the underclass of Spokane rather than the upper classes of Paris as he attempts to convert memories and experience into art...a remarkable achievement."—Steven Moore, Washington Post

ZeroZeroZero Roberto Saviano 2016-08-30 An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller Gomorrah "Zero zero zero" flour is the finest, whitest available. It is also the nickname among narco-traffickers for the purest cocaine on the market. And it is the title of Roberto Saviano's unforgettable exploration of the inner workings of the global cocaine trade—its rules and armies, and the true depth of its reach into the world economy. Saviano's Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the world. With their cooperation, Saviano has broadened his perspective to take in the entire global "corporate" entity that is the drug trade and the complex money-laundering operations that allow it to function, often with the help of the world's biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy. Saviano tracks the shift in the cocaine trade's axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, ZeroZeroZero is an investigative story like none other. Praise for ZerZeroZero: "[Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world. . . . Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators." —Financial Times

My Italians Roberto Saviano 2016-05-26 From the international bestselling author of Gomorrah, this is a deeply personal and candid portrait of Italy today: a place of trafficking and toxic waste, where votes can be bought and sold, where organized crime ravages both north and south - yet also where many courageous individuals defy the system, and millions work tirelessly for a better future. 'Saviano is a blazingly vivid and courageous writer' Independent 'A national hero' Umberto Eco 'Saviano has an astonishing ability to write luminously yet subtly about terrible things' Le Parisien 'Brave and passionate' Guardian 'One of the world's finest investigative journalists' GQ

Worlds apart, thrown together into a shadowy world of ghost-memory and half-suspected conspiracy, Night and Kovach must widen the fine line between reality and hallucination, dream and waking nightmare, sanity and madness, life and death... or another life...

Salt Mark Kurlansky 2011-03-18 From the award-winning and bestselling author of *Cod* comes the dramatic, human story of a simple substance, an element almost as vital as water, that has created fortunes, provoked revolutions, directed economies and enlivened our recipes. Salt is common, easy to obtain and inexpensive. It is the stuff of kitchens and cooking. Yet trade routes were established, alliances built and empires secured – all for something that filled the oceans, bubbled up from springs, formed crusts in lake beds, and thickly veined a large part of the Earth's rock fairly close to the surface. From pre-history until just a century ago – when the mysteries of salt were revealed by modern chemistry and geology – no one knew that salt was virtually everywhere. Accordingly, it was one of the most sought-after commodities in human history. Even today, salt is a major industry. Canada, Kurlansky tells us, is the world's sixth largest salt producer, with salt works in Ontario playing a major role in satisfying the Americans' insatiable demand. As he did in his highly acclaimed *Cod*, Mark Kurlansky once again illuminates the big picture by focusing on one seemingly modest detail. In the process, the world is revealed as never before.

Links Nuruddin Farah 2005-03-29 From the internationally acclaimed author of *North of Dawn*, *Links* is a novel that will stand as a classic of modern world literature. Jeebleh is returning to Mogadiscio, Somalia, for the first time in twenty years. But this is not a nostalgia trip—his last residence there was a jail cell. And who could feel nostalgic for a city like this? U.S. troops have come and gone, and the decimated city is ruled by clan warlords and patrolled by qaat-chewing gangs who shoot civilians to relieve their adolescent boredom. Diverted in his pilgrimage to visit his mother's grave, Jeebleh is asked to investigate the abduction of the young daughter of one of his closest friend's family. But he learns quickly that any act in this city, particularly an act of justice, is much more complicated than he might have imagined.

A Sand Book Ariana Reines 2019-06-18 Longlisted for the National Book Award "Mind-blowing." —Kim Gordon DEADPAN, EPIC, AND SEARINGLY CHARISMATIC, *A Sand Book* chronicles climate change and climate grief, gun violence and bystanderism, state violence and complicity, mourning and ecstasy, sex and love, and the transcendent shock of prophecy, tracking new dimensions of consciousness for our strange and desperate times. *Summary of Roberto Saviano's Zero Zero Zero* Everest Media, 2022-05-16T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The people who use cocaine are right next to you. The police officer who is about to pull you over has been snorting for years, and everyone knows it. #2 I was asked to write about a speech that had been recorded on an iPhone at a meeting. The police wanted to know if the story went the way the young man said it had, or if it had been staged. #3 The police officer told me that the young man, his informant, had heard the only valuable lesson - how to be in the world - and had recorded it on the sly. If I wrote about it and nobody did anything, it would prove that the young man was telling the truth. #4 The police officer read me the transcript he'd made. They'd met in a room not far from where we were, randomly seated, not in a horseshoe like they do at ritual initiations. The old Italian began speaking without even introducing himself.

Narcoland Anabel Hernandez 2013-09-10 The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

Submarine! Edward L. Beach 2012-04-15 Welcomed as the first book about American submarines in World War II to be written by a man who actually fought them, this compelling personal account of the war beneath the sea firmly established Edward L. Beach's reputation as a writer in the early 1950s. Given the survival rate of those in the silent service, it is a story many submariners did not live to tell. In fact, most of the crew of Beach's boat, the USS *Trigger*, were lost soon after he left for another assignment. A veteran of twelve war patrols, Beach's luck held out, and he authentically recaptures the moments of elation, desperation, and numbing fear that were part of the daily lives of these warriors as they hunted down the enemy in the Pacific. Beach helped sink the *Trigger's* first ships and survived more than his share of exploding depth charges from avenging warships. In the book, he weaves the story of his own boat with equally thrilling tales of other battle-hardened submarines and the brave and determined men who fought them against the Japanese. Beach's readers share in the destruction of five destroyers in four days and join in the deadliest game of all—stalking other submarines. They also come to understand the terror and uncertainty of being at the other end of the pursuit, silently sweating out depth-charge poundings in a leaking boat. For an authentic account of what went on under the waves, this book remains one of the very best.

Savage Kiss Roberto Saviano 2020-09-29 Roberto Saviano returns to the streets of Naples and the boy bosses who run them in *Savage Kiss*, the hotly anticipated follow-up to *The Piranhas*, the bestselling novel and major motion picture Nicolas Fiorilla and his gang of children – his paranza – control the squares of Forcella after their rapid rise to power. But it isn't easy being at the top. Now that the *Piranhas* have power in the city, Nicolas must undermine the old families of the Camorra and remain united among themselves. Every paranzino has his own vendettas and dreams to pursue—dreams that might go beyond the laws of the gang. A new war may be about to break out in this city of cutthroat bargaining, ruthless betrayal, and brutal revenge. Saviano continues the story of the disillusioned boys of Forcella, the paranzini ready to give and receive kisses that leave a taste of blood. Saviano's *Gomorra* was a worldwide sensation, and *The Piranhas*, called 'raw and shocking' by the *New York Times Book Review*, captured readers with its tale of raw criminal ambition, told with 'openhearted rashness' (Elena Ferrante). *Savage Kiss*, which again draws on the skills of translator Antony Shugaar, is the latest thrilling installment from the brilliant Italian novelist.

Dirty Gold Jay Weaver 2021-03-02 The explosive story of the illegal gold trade from South America, and the three Miami businessmen who got rich on it—until it all came crashing down. In March of 2017, a team of federal agents arrested Juan Pablo Granda, Samer Barrage, and Renato Rodriguez, or as they came to be known, "the three amigos." The trio—first identified publicly by the authors of this book—had built a \$3.6 billion dollar business in metals trading, mostly illegal Peruvian gold mined in the rain forest. Their arrest and subsequent prosecution laid bare more than a scheme between a few corrupt traders. *Dirty Gold* lifts the veil on a massive and very illegal international business that is more lucrative than trafficking cocaine, and often just as dangerous. As this award-winning team of current and former *Miami Herald* reporters shows, illegal gold mines have become a haven for Latin American drug money. The gold is sold to metals traders, and ultimately to scores of unwitting Americans in their jewelry and phones. By following the trail of these three traders, *Dirty Gold* leads us into a sprawling criminal underworld that has never before been in full view.

Beauty and the Inferno Roberto Saviano 2017-01-17 Essays on art, politics and life from the best-selling author of *Gomorra* *Gomorra*, Roberto Saviano's 2006 exposé of Naples's Camorra mafia, was an international bestseller and became an award-winning film. But the death threats that followed forced the author into hiding. Saviano was ostracized by his countrymen and went on the run, changing his location every few months and compelled to keep perpetual company with his bodyguards. To this day, he lives in an undisclosed location. The loneliness of the fugitive life informs the essays in *Beauty and the Inferno*. Among other subjects, he writes about the legendary South African jazz singer Miriam Makeba, his meeting with the real-life Donnie Brasco, sharing the Nobel Academy platform with Salman Rushdie, and the murdered Russian journalist Anna Politkovskaya. Present throughout the book is a sense of Saviano's peculiar isolation, which infuses his words with anger, exceptional insight and tragedy.

Kilo Toby Muse 2020-03-24 For fans of the Netflix show *Narcos* and readers of true crime, *Kilo* is a deeply reported account of life inside Colombia's drug cartels, using unprecedented access in the cartels to trace a kilo of cocaine—from the fields where it is farmed, to the hit men who protect it, to the smuggling ships that bring it to American shores. "Toby Muse's tautly written account of his intimate prowl through Colombia's narco world is both compelling and unforgettable. With *Kilo*, cocaine now has its own *Dispatches*. Simply kickass." — Jon Lee Anderson, *The New Yorker* and author of *Che Guevara: A Revolutionary Life* Cocaine is glamour, sex and murder. From the badlands of Colombia, it stretches across the globe, seducing, corrupting and destroying. A product that must be produced, distributed, and protected, it is both a harbinger of violence and a source of immense wealth. Beginning in the jungles and mountains of Colombia, it filters down to countryside villages and the nightclubs of the cities, attracting money, sex, and death. Each step in the life of a kilo reveals a different criminal underworld with its own players, rules, and dangers, ranging from the bizarre to the diabolical. The killers, the drug-lords, all find themselves seduced by cocaine and trapped in her world. Seasoned war correspondent Toby Muse has witnessed each level of this underworld, fueled by the appetite for cocaine in America and Europe. In this riveting chronicle, he takes the reader inside Colombia's notorious drug cartels to offer a never before look at the drug trade. Following a kilo of cocaine from its production in a clandestine laboratory to the smugglers who ship it abroad, he reveals the human lives behind the drug's complicated legacy. Reporting on Colombia for the world's most prestigious networks and publications, Muse gained unprecedented access to the extraordinary people who survive on the drug trade—farmers, smugglers, assassins—and the drug lords and their lovers controlling these multi-billion dollar enterprises. Uncovering stories of violence, sex, and money, he shows the allure and the madness of cocaine. And how the War on Drugs has been no match for cocaine. Piercing this veiled world, *Kilo* is a gripping portrait of a country struggling to end this deadly trade even as the riches flow. A human portrait of criminals and the shocking details of their lives, *Kilo* is a chilling, unforgettable story that takes you deep into the belly of the beast. *Kilo* includes 16 pages of photographs.

Greg "Craola" Simkins Greg "Craola" Simkins 2018-02-22 One of the most prolific artists painting today, Greg 'Craola' Simkins' diverse body of work is as likely to be found in a gallery as on the streets. Bridging pop surrealism and graffiti art with the skill of a fine art painter, his art is unique and recognisable, blending a wealth of early influences with contemporary pop culture references. This new monograph traces the development of the artist, from a kid playing with crayons to the present day. In some cases, preliminary sketches can be found alongside finished works providing a glimpse into the artistic process and evolution of a piece. Other creations stand alone, masterpieces of artwork as narrative.

Zero Zero Zero Roberto Saviano 2015-07-02 In *Zero Zero Zero*, Roberto Saviano maps the international cocaine trade. He investigates the evolution of cocaine trafficking, from Mexican drug cartels to money laundering through Wall Street. Tracking cocaine's physical journey -- from South America to the beaches of Miami and the streets of New York, and on to Africa and throughout Europe and even further to China and India -- Saviano follows the human trail of users, victims and traffickers. First-hand accounts will show how the global sale and consumption of cocaine has radically altered economies over recent decades, and has impacted societies globally. With these stories, Saviano makes a secret world readable.

Wild Cowboys Robert Jackall 2005-10-31 Four bullet-torn bodies in a drug-ridden South Bronx alley. A college boy shot in the head on the West Side Highway. A wild shootout on the streets of Washington Heights, home of New York City's immigrant Dominican community and hub of the eastern seaboard's drug trade. All seemingly separate acts of violence. But investigators discover a pattern to the mayhem, with links to scores of assaults and murders throughout the city. In this bloody urban saga, Robert Jackall recounts how street cops, detectives, and prosecutors pieced together a puzzle-like story of narcotics trafficking, money laundering, and murders for hire, all centered on a vicious gang of Dominican youths known as the Wild Cowboys. These boyhood friends, operators of a lucrative crack business in the Bronx, routinely pistol-whipped their workers, murdered rivals, shot or slashed witnesses to their crimes, and eventually turned on one another in a deadly civil war. Jackall chronicles the crime-scene investigations, frantic car chases, street arrests at gunpoint, interviews with informants, and knuckle-breaking plea bargaining that culminated in prison terms for more than forty gang members. But he also tells a cautionary tale--one of a society with irreconcilable differences, fraught with self-doubt and moral ambivalence, where the institutional logics of law and bureaucracy often have perverse outcomes. A society where the forces of order battle not just violent criminals but elites seemingly aligned with forces of disorder: community activists who grab any pretext to further narrow causes; intellectuals who romanticize criminals; judges who refuse to lock up dangerous men; federal prosecutors who relish nailing cops more than crooks; and politicians who pander to the worst of our society behind rhetorics of social justice and moral probity. In such an up-for-grabs world, whose order will prevail?

Zero Zero Zero Roberto Saviano 2015-07-02 From the international bestselling author of *Gomorra*, this searing exposé of dirty money and the drug trade reveals how they are at the heart of our lives, our economy, and our world. 'The most important book of the year ... Here it is, laid bare: cartel as corporation, corporation as cartel; cocaine as pure capitalism ... Saviano realises the brutal truth: that to understand narco-traffic is to understand the modern world ... it is revolutionary' Ed Vulliamy, *Observer* 'A dense, dazzling, dizzying narrative about the terrifying violence of the cocaine trade, but also the vast, unassailable reach of it' Rose George, *Independent* 'A tremendously gripping work of reportage' Ian Thomson, *Evening Standard* 'Italy's bravest investigative writer ... must-read nonfiction' *GQ* 'Impassioned, remarkable' Misha Glenny, *Financial Times* 'After reading Saviano, it becomes impossible to see Italy, and the global market, in the same way again' *The New York Times*

Portraits and Observations Truman Capote 2013-04-23 Perhaps no twentieth century writer was so observant and elegant a chronicler of his times as Truman Capote. Whether he was profiling the rich and famous or creating indelible word-pictures of events and places near and far, Capote's eye for detail and dazzling style made his reportage and commentary undeniable triumphs of the form. *Portraits and Observations* is the first volume devoted solely to all the essays ever published by this most beloved of writers. From his travel sketches of Brooklyn, New Orleans, and Hollywood, written when he was twenty-two, to meditations about fame, fortune, and the writer's art at the peak of his career, to the brief works penned during the isolated denouement of his life, these essays provide an essential window into mid-twentieth-century America as offered by one of its canniest observers. Included are such celebrated masterpieces of narrative nonfiction as "The Muses Are Heard" and the short nonfiction novel "Handcarved Coffins," as well as many long-out-of-print essays, including portraits of Isak Dinesen, Mae West, Marcel Duchamp, Humphrey Bogart, and Marilyn Monroe. Among the highlights are "Ghosts in Sunlight: The Filming of *In Cold Blood*," "Preface to *Music for Chameleons*, in which Capote candidly recounts the highs and lows of his long career, and a playful self-portrait in the form of an imaginary self-interview. The book concludes with the author's last written words, composed the day before his death in 1984, the recently discovered "Remembering Willa Cather," Capote's touching recollection of his encounter with the author when he was a young man at the dawn of his career. *Portraits and Observations* puts on display the full spectrum of Truman Capote's brilliance. Certainly, Capote was, as Somerset Maugham famously called him, "a stylist of the first quality." But as the pieces gathered here remind us, he was also an artist of remarkable substance.

Off Armageddon Reef David Weber 2008-01-02 Humanity pushed its way to the stars - and encountered the Gbaba, a ruthless alien race that nearly wiped us out. Earth and her colonies are now smoldering ruins, and the few survivors have fled to distant, Earth-like Safehold, to try to rebuild. But the Gbaba can detect the emissions of an industrial civilization, so the human rulers of Safehold have taken extraordinary measures: with mind control and hidden high technology, they've built a religion in which every Safeholdian believes, a religion designed to keep Safehold society medieval forever. 800 years pass. In a hidden chamber on Safehold, an android from the far human past awakens. This "rebirth" was set in motion centuries before, by a faction that opposed shackling humanity with a concocted religion. Via automated recordings, "Nimue" - or, rather, the android with the memories of Lieutenant Commander Nimue Alban - is told her fate: she will emerge into Safeholdian society, suitably disguised, and begin the process of provoking the technological progress which the Church of God Awaiting has worked for centuries to prevent. Nothing about this will be easy. To better deal with a medieval society, "Nimue" takes a new gender and a new name, "Merlin." His formidable powers and access to caches of hidden high technology will need to be carefully concealed. And he'll need to find a base of operations, a Safeholdian country that's just a little more freewheeling, a little less orthodox, a little more open to the new. And thus Merlin comes to Charis, a mid-sized kingdom with a talent for naval warfare. He plans to make the acquaintance of King Haarahld and Crown Prince Cayleb, and maybe, just maybe, kick off a new era of invention.

Which is bound to draw the attention of the Church...and, inevitably, lead to war. It's going to be a long, long process. And David Weber's epic *Off Armageddon Reef* is can't-miss sci-fi. *Safehold Series* 1. *Off Armageddon Reef* 2. By Schism Rent Asunder 3. By Heresies Distressed 4. A Mighty Fortress 5. How Firm A Foundation 6. Midst Toil and Tribulation 7. Like A Mighty Army 8. Hell's Foundations Quiver 9. At the Sign of Triumph At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Ground Zero Alan Gratz 2021-02-02 The instant #1 New York Times bestseller. In time for the twentieth anniversary of 9/11, master storyteller Alan Gratz (Refugee) delivers a pulse-pounding and unforgettable take on history and hope, revenge and fear -- and the stunning links between the past and present. September 11, 2001, New York City: Brandon is visiting his dad at work, on the 107th floor of the World Trade Center. Out of nowhere, an airplane slams into the tower, creating a fiery nightmare of terror and confusion. And Brandon is in the middle of it all. Can he survive -- and escape? September 11, 2019, Afghanistan: Reshmina has grown up in the shadow of war, but she dreams of peace and progress. When a battle erupts in her village, Reshmina stumbles upon a wounded American soldier named Taz. Should she help Taz -- and put herself and her family in mortal danger? Two kids. One devastating day. Nothing will ever be the same.

A World of Three Zeros Muhammad Yunus 2017-09-26 A winner of the Nobel Peace Prize and bestselling author of *Banker to the Poor* offers his vision of an emerging new economic system that can save humankind and the planet Muhammad Yunus, who created microcredit, invented social business, and earned a Nobel Peace Prize for his work in alleviating poverty, is one of today's most trenchant social critics. Now he declares it's time to admit that the capitalist engine is broken -- that in its current form it inevitably leads to rampant inequality, massive unemployment, and environmental destruction. We need a new economic system that unleashes altruism as a creative force just as powerful as self-interest. Is this a pipe dream? Not at all. In the last decade, thousands of people and organizations have already embraced Yunus's vision of a new form of capitalism, launching innovative social businesses designed to serve human needs rather than accumulate wealth. They are bringing solar energy to millions of homes in Bangladesh; turning thousands of unemployed young people into entrepreneurs through equity investments; financing female-owned businesses in cities across the United States; bringing mobility, shelter, and other services to the rural poor in France; and creating a global support network to help young entrepreneurs launch their start-ups. In *A World of Three Zeros*, Yunus describes the new civilization emerging from the economic experiments his work has helped to inspire. He explains how global companies like McCain, Renault, Essilor, and Danone got involved with this new economic model through their own social action groups, describes the ingenious new financial tools now funding social businesses, and sketches the legal and regulatory changes needed to jumpstart the next wave of socially driven innovations. And he invites young people, business and political leaders, and ordinary citizens to join the movement and help create the better world we all dream of.

Momas Martin Kippenberger 2005

Weetzie Bat Francesca Lia Block 2009-10-06 "Transcendent." —New York Times Book Review "Magnificent." —Village Voice "Sparkling."

—Publishers Weekly Francesca Lia Block's dazzling debut novel, *Weetzie Bat*, is not only a genre-shattering, critically acclaimed gem, it's also widely recognized as a classic of young adult literature, having captivated readers for generations. This coming-of-age novel follows the eponymous Weetzie Bat and her best friend Dirk as they navigate life and love in a timeless, dreamlike version of Los Angeles. When Weetzie is granted three wishes by a genie, she discovers that there are unexpected ramifications.... Winner of the prestigious Phoenix Award, *Weetzie Bat* is a beautiful, poetic work of magical realism that is perfect for fans of Laura Ruby, Neil Gaiman, and Kelly Link.

Zero Kathryn Otoshi 2010 A number/color book reminding us that it just takes one to make everyone count.

At the Devil's Table William C. Rempel 2011 Traces the 1990s collaborative effort between two U.S. agents and a security chief for a notorious Colombian drug cartel to dismantle the organization and bring its leaders to justice, a life-risking venture marked by a race to extract damaging evidence and protect the life of a key witness.

Whether you're new to eBooks or a seasoned digital reader, this ZeroZeroZero eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to access a world of literary wonders with ease and convenience.

Understanding ZeroZeroZero

Before you embark on your journey to find ZeroZeroZero online, it's essential to grasp the concept of ZeroZeroZero eBook formats. ZeroZeroZero come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different ZeroZeroZero eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right ZeroZeroZero eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.

Understanding ZeroZeroZero eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find ZeroZeroZero eBooks in these formats.

ZeroZeroZero eBook Websites and Repositories

One of the primary ways to find ZeroZeroZero eBooks online is through dedicated eBook websites and repositories. These platforms offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. In this chapter, we'll explore ZeroZeroZero eBook and discuss important considerations of ZeroZeroZero.

Popular eBook Websites

1. Project Gutenberg:

Project Gutenberg is a treasure trove of over 60,000 free eBooks, primarily consisting of classic literature.

It offers eBooks in multiple formats, including EPUB, MOBI, and PDF.

All eBooks on Project Gutenberg are in the public domain, making them free to download and read.

2. Open Library:

Open Library provides access to millions of eBooks, both contemporary and classic titles.

Users can borrow eBooks for a limited period, similar to borrowing from a physical library.

It offers a wide range of formats, including EPUB and PDF.

3. Internet Archive:

The Internet Archive hosts a massive digital library, including eBooks, audio recordings, and more.

It offers an "Open Library" feature with borrowing options for eBooks.

The collection spans various genres and includes historical texts.

4. BookBoon:

BookBoon focuses on educational eBooks, providing free textbooks and learning materials.

It's an excellent resource for students and professionals seeking specialized content.

eBooks are available in PDF format.

5. ManyBooks:

ManyBooks offers a diverse collection of eBooks, including fiction, non-fiction, and self-help titles.

Users can choose from various formats, making it compatible with different eReaders.

The website also features user-generated reviews and ratings.

6. Smashwords:

Smashwords is a platform for independent authors and publishers to distribute their eBooks.

It offers a wide selection of genres and supports multiple eBook formats.

Some eBooks are available for free, while others are for purchase.

ZeroZeroZero Legal Considerations

While these ZeroZeroZero eBook websites provide valuable resources for readers, it's essential to be aware of legal considerations:

Copyright: Ensure that you respect copyright laws when downloading and sharing ZeroZeroZero eBooks. Public domain ZeroZeroZero eBooks are generally safe to download and share, but always check the copyright status.

Terms of Use: Familiarize yourself with the terms of use and licensing agreements on these websites. ZeroZeroZero eBooks may have specific usage restrictions.

Support Authors: Whenever possible, consider purchasing ZeroZeroZero eBooks to support authors and publishers. This helps sustain a vibrant literary ecosystem.

Public Domain eBooks

Public domain ZeroZeroZero eBooks are those whose copyright has expired, making them freely accessible to the public. Websites like Project Gutenberg specialize in offering public domain ZeroZeroZero eBooks, which can include timeless classics, historical texts, and cultural treasures.

As you explore ZeroZeroZero eBook websites and repositories, you'll encounter a vast array of reading options. In the next chapter, we'll delve into the world of eBook search engines, providing even more ways to discover ZeroZeroZero eBooks online.

ZeroZeroZero eBook Search

eBook search engines are invaluable tools for avid readers seeking specific titles, genres, or authors. These search engines crawl the web to help you discover ZeroZeroZero across a wide range of platforms. In this chapter, we'll explore how to effectively use eBook search engines and uncover eBooks tailored to your preferences.

Effective Search ZeroZeroZero

To make the most of eBook search engines, it's essential to use effective search techniques. Here are some tips:

1. Use Precise Keywords:

Be specific with your search terms. Include the book title ZeroZeroZero, author's name, or specific genre for targeted results.

2. Utilize Quotation Marks:

To search ZeroZeroZero for an exact phrase or book title, enclose it in quotation marks. For example, "ZeroZeroZero."

3. ZeroZeroZero Add "eBook" or "PDF":

Enhance your search by including "eBook" or "PDF" along with your keywords. For example, "ZeroZeroZero eBook."

4. Filter by Format:

Many eBook search engines allow you to filter results by format (e.g., EPUB, PDF). Use this feature to find ZeroZeroZero in your preferred format.

5. Explore Advanced Search Options:

Take advantage of advanced search options offered by search engines. These can help narrow down your results by publication date, language, or file type.

Google Books and Beyond

Google Books:

Google Books is a widely used eBook search engine that provides access to millions of eBooks.

You can preview, purchase, or find links to free ZeroZeroZero available elsewhere.

It's an excellent resource for discovering new titles and accessing book previews.

Project Gutenberg Search:

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free ZeroZeroZero.

You can search by title ZeroZeroZero, author, language, and more.

Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for ZeroZeroZero and borrow them for a specified period.

Library Genesis (LibGen):

Library Genesis is known for hosting an extensive collection of ZeroZeroZero, including academic and scientific texts.

It's a valuable resource for researchers and students.

eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

Search Engines: These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

Websites: eBook websites host eBooks directly, offering downloadable links. Some websites specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a wider net when searching for specific titles ZeroZeroZero or genres. They serve as powerful tools in your quest for the perfect eBook.

ZeroZeroZero eBook Torrenting and Sharing Sites

ZeroZeroZero eBook torrenting and sharing sites have gained popularity for offering a vast selection of eBooks. While these platforms provide

access to a wealth of reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore ZeroZeroZero eBook torrenting and sharing sites, how they work, and how to use them safely.

Find ZeroZeroZero Torrenting vs. Legal Alternatives

ZeroZeroZero Torrenting Sites:

ZeroZeroZero eBook torrenting sites operate on a peer-to-peer (P2P) file-sharing system, where users upload and download ZeroZeroZero eBooks directly from one another.

While these sites offer ZeroZeroZero eBooks, the legality of downloading copyrighted material from them can be questionable in many regions.

ZeroZeroZero Legal Alternatives:

Some torrenting sites host public domain ZeroZeroZero eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading ZeroZeroZero eBooks legally.

Staying Safe Online to download ZeroZeroZero

When exploring ZeroZeroZero eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify ZeroZeroZero eBook Sources:

Be cautious when downloading ZeroZeroZero from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from

potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download ZeroZeroZero eBooks that you have the right to access.

ZeroZeroZero eBook Torrenting and Sharing Sites

Here are some popular ZeroZeroZero eBook torrenting and sharing sites:

1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of ZeroZeroZero eBooks, including fiction, non-fiction, and more.

2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly interface.

4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.

A Note of Caution

While ZeroZeroZero eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to ZeroZeroZero eBooks.

ZeroZeroZero:
