A Letter of Consolation Henri J. M. Nouwen 1989-12-15 Finding Faith in a Time of Sorrow Beloved author Henri Nouwen reflects on the spiritual significance of death and life in this moving meditation dedicated to "all those who suffer the pain that death can bring and who search for new life."

*Compassion* Henri J. M. Nouwen 2006-01-17 In this provocative essay on that least understood virtue, compassion, the authors challenge themselves and us with these questions: Where do we place compassion in our lives? Is it enough to live a life in which we hurt one another as little as possible? Is our guiding ideal a life of maximum pleasure and minimum pain? Compassion answers no. After years of study and discussion among themselves, with other religious, and with men and women at the very center of national politics, the authors look at compassion with a vigorous new perspective. They place compassion at the heart of a Christian life in a world governed far too long by principles of power and destructive control. Compassion, no longer merely an eraser of human mistakes, is a force of prayer and action -- the expression of God's love for us and our love for God and one another. Compassion is a book that says no to a compassion of guilt and failure and yes to a compassionate love that pervades our spirit and moves us to action. Henri Nouwen, Donald McNeill, and Douglas Morrison have written a moving document on what it means to be a Christian in a difficult time.

L'avventura di Yogarmonia Nelda Vettorazzo 2014-02-03T00:00:00+01:00 Mario Attombri, mistico, maestro di Yoga e guaritore occidentale, parla della sua "avventura" di vita allo scopo di incoraggiare anche altri a incamminarsi lungo il sentiero dello Yoga, una delle vie dello spirito. Iniziato da grandi maestri nell'antica disciplina spirituale yogica, dal 1981 insegna Yogarmonia, uno Yoga per i cristiani capace di reintegrare nell'essere umano le sue componenti di materia e spirito, unificandole, fino all'unione con la Fonte Suprema. Con Yogarmonia, Mario indica come dissipare le tenebre, ristabilire l'armonia dell'origine e ritrovare il nostro legame con Dio Creatore. Come guaritore spirituale, egli aiuta chi a lui si rivolge ad accordare il proprio spirito, il corpo e l'anima, ritrovandone l'equilibrio e facendo in modo che vibrino all'unisono. Parlando di s e afferma: "Sono un mistico che attraverso l'insegnamento delle discipline yogiche si prende cura, come un fratello maggiore, di chi   alla ricerca del vero scopo della vita e dell'armonia col Tutto, di chi   alla sincera ricerca del Signore".

*On Order* Saint Augustine 2020-10-27 A fresh, new translation of Augustine's third work as a Christian convert The first four works written by St. Augustine of Hippo after his conversion to Christianity are dialogues that have influenced prominent thinkers from Boethius to Bernard Lonergan. Usually called the "Cassiciacum dialogues," these four works are of a high literary and intellectual quality, combining Ciceronian and neo-Platonic philosophy, Roman comedy and Vergilian poetry, and early Christian theology. They are also, arguably, Augustine's most charming works, exhibiting his whimsical levity and ironic wryness. On Order is the third work in this tetralogy, and it is Augustine's only work explicitly devoted to theodicy, the reconciliation of Almighty God's goodness with evil's existence. In this dialogue, Augustine argues that a certain kind of self-knowledge is the key to unlocking the answers to theodicy's vexing questions, and he devotes the latter half of the dialogue to an excursus on the liberal arts as disciplines that will help strengthen the mind to know itself and God.

La condizione tecno-umana Paolo Benanti 2017-01-10T15:55:00+01:00 Che cosa significa essere umani in un'epoca di complessità e cambiamento? Come si può gestire lo sviluppo tecnologico? E quali sono i limiti da non superare nel momento in cui la tecnica non viene più solo utilizzata per interventi esterni, ma interni all'uomo? Il libro si propone di fornire una comprensione filosofica e teologica della tecnologia mettendo in luce le dimensioni etiche e interrogandosi sulla possibilità di liberarsi dalle categorie tradizionali di «umano», «tecnologico» e «naturale» per abbracciare una nuova relazione al mondo che si potrebbe definire «tecno-umana».

*Dirección espiritual* Henri J. M. Nouwen 2007 Dirección espiritual nos proporciona la inigualable experiencia de tener a Henri Nouwen como director espiritual personal, respondiendo a nuestras preguntas sobre la vida espiritual con su sabio y cautivador estilo. Con la guía de Nouwen podemos reorientar nuestra vida y abrir la puerta a la verdadera transformación espiritual. Henri Nouwen entendía la vida espiritual como un trayecto de fe y transformación que se ve profundizado por la cuenta de conciencia, la comunidad y la relación. Aunque aconsejó a mucha gente a lo largo de su vida, sus principios sobre la dirección espiritual nunca fueron publicados. Ahora, dos de sus antiguos alumnos, Michael Christensen y Rebecca Laird, han tomado su famoso curso sobre dirección espiritual y lo han complementado con textos inéditos para crear la obra definitiva con el pensamiento de Nouwen sobre la vida cristiana. Los relatos, las lecturas y las preguntas, organizados temáticamente para la reflexión y la anotación guiada en un diario, proporcionan un material incomparable para la dirección espiritual tanto de personas individuales como de grupos pequeños. HENRI J.M. NOUWEN (1932-1996), autor de numerosos libros de espiritualidad de enorme éxito, impartió clases de psicología y teología pastoral en las universidades de Notre Dame, Yale y Harvard, antes de ser pastor de "El Arca Daybreak" en Toronto, Canadá, comunidad donde hombres y mujeres con discapacidades mentales conviven con sus asistentes formando un hogar. MICHAEL J. CHRISTENSEN, PH. D. fue alumno de Henri Nouwen en la facultad de teología de la universidad de Yale, es miembro del consejo directivo de la Henri Nouwen Society y director del "Doctor Ministry Program" de la Universidad de Drew. REBECCA J. LAIRD, M.A. es directora espiritual diplomada, ministra ordenada y actualmente pastora asociada para el desarrollo espiritual de la Iglesia Central Presbiteriana de Summit, New Jersey.

*Spiritual Direction* Henri J. M. Nouwen 2006-05-23 Spiritual Direction gives us the unique and unrivaled experience of having Henri Nouwen as our personal spiritual director, answering our questions about the spiritual life in his wise, comfortable, and engaging style. With Nouwen's guidance, we can reorient our lives and open the door to true spiritual transformation. Henri Nouwen, the world-renowned spiritual guide and counselor, understood the spiritual life as a journey of faith and transformation that is deepened by accountability, community, and relationships. Though he counseled many people during his lifetime, his principles of spiritual direction were never written down. Now two of his longtime students, Michael Christensen and Rebecca Laird, have taken his famous course in spiritual direction and supplemented it with his unpublished writings to create the definitive work on Nouwen's thoughts on the Christian life.

Stories, readings, and thematically organized questions for reflection and guided journal writing provide an unparalleled resource for spiritual direction, both for individuals and for small groups.

[Biblical Theology of the Old Testament](#) Bob Conway 2016-10-17 [Biblical Theology of the Old Testament: A Lamp Shinning on the New Testament](#) is a study of progressive biblical revelation from five centers that may be studied individually, but when combined shine light on both testaments. THE STRUCTURAL CENTER is God's four programs-Covenants, Kingdom, Messiah and Land-is the central motifs of every biblical doctrine and event. THE ETHICAL CENTER looks at every aspect of the Law and its applications under the Old Covenant and New Covenant. THE PROPHETICAL CENTER is an interpretation of the theology of each of the Old Testament prophets. THE HISTORICAL CENTER provides the biblical view of man along with God's plan of redemption for Israel and the Church. THE DIVINE CENTER is God's autobiography written on the pages of Scripture. Within this book, a critical assessment of Classic Theism and Open Theism is made that is based solely on Scripture, revealing that God is always at work-sustaining and overruling in all creation for His plans and purposes.

**The Dialogue of the Seraphic Virgin Catherine of Siena** St. Catherine of Siena 2011-06-24 The future welfare of both Church and state depends chiefly on the manner in which the rising generation is brought up, for if all parents were to give their children a good religious training, the future prosperity of both Church and state would be assured, because a good religious training will make children good Christians, and, as experience proves, good Christians are always good citizens. In our "Popular Instructions on Marriage" we have briefly outlined the duties of parents in the bringing up of their children. In this little work we enter more fully into details, and clearly point out, almost step by step, the manner in which Christian parents should bring up their children from birth to the time when they embrace that state of life for which God has destined them may this little book prove useful in directing and assisting parents in the proper performance of the noble but difficult task of making their children exemplary Christians and virtuous citizens!

[Jesus, Symbol of God](#) Roger Haight Already hailed as a landmark in contemporary Catholic theology, [Jesus Symbol of God](#) surveys scriptural data, the key moments in the development of doctrine, and the distinctive horizons of our contemporary world to develop a comprehensive and systematic christology for our time. The task of christology is to explain what it means to say that Jesus is the bearer and revealer of God in the Christian community, the decisive mediation of God's salvation -- or, in other words, the symbol of God.

[The Philosophy of Spiritual Activity](#) Rudolf Steiner 2007-05 This seminal work asserts that free spiritual activity--understood as the human ability to think and act independently of one's physical nature--is the most appropriate path today for inner development and true self-knowledge. This is not simply a volume of philosophy, but also a friendly guide to practice and the experience of living

thinking. Rudolf Steiner provides a step-by-step account of how we can come to experience living, intuitive thinking, the conscious experience of pure spirit. Since this book was written more than a century ago, many have tried to discover the kind of new thinking that can help us better understand the spiritual, ecological, social, political, and philosophical issues that face us. Steiner showed a path that leads from ordinary thinking to the level of pure spiritual activity--true inner freedom.

**The Return of the Prodigal Son** Henri J. M. Nouwen 2013-11-20 With over a million copies sold, this classic work is essential reading for all who ask, "Where has my struggle led me?" A chance encounter with a reproduction of Rembrandt's The Return of the Prodigal Son catapulted Henri Nouwen on an unforgettable spiritual adventure. Here he shares the deeply personal and resonant meditation that led him to discover the place within where God has chosen to dwell. As Nouwen reflects on Rembrandt's painting in light of his own life journey, he evokes a powerful drama of the classic parable in a rich, captivating way that is sure to reverberate in the hearts of readers. Nouwen probes the several movements of the parable: the younger son's return, the father's restoration of sonship, the elder son's resentfulness, and the father's compassion. The themes of homecoming, affirmation, and reconciliation will be newly discovered by all who have known loneliness, dejection, jealousy, or anger. The challenge to love as God loves, and to be loved as God's beloved, will be seen as the ultimate revelation of the parable known to Christians throughout time, and is here represented with a vigor and power fresh for our times.

**Waiting for God** Simone Weil 2021-05-17 'You cannot get far in these essays without sensing yourself in the presence of a writer of immense intellectual power and fierce independence of mind.' - Janet Soskice, from the Introduction to the Routledge Classics edition Simone Weil (1909-1943) is one of the most brilliant and unorthodox religious and philosophical thinkers of the twentieth century. She was also a political activist who worked in the Renault car factory in France in the 1930s and fought briefly as an anarchist in the Spanish Civil War. Hailed by Albert Camus as 'the only great spirit of our times,' her work spans an astonishing variety of subjects, from ancient Greek philosophy and Christianity to oppression, political freedom and French national identity. *Waiting for God* is one of her most remarkable books, full of piercing spiritual and moral insight. The first part comprises letters she wrote in 1942 to Jean-Marie Perrin, a Dominican priest, and demonstrate the intense inner conflict Weil experienced as she wrestled with the demands of Christian belief and commitment. She then explores the 'just balance' of the world, arguing that we should regard God as providing two forms of guidance: our ability as human beings to think for ourselves; and our need for both physical and emotional 'matter.' She also argues for the concept of a 'sacred longing'; that humanity's search for beauty, both in the world and within each other, is driven by our underlying desire for a tangible god. Eloquent and inspiring, *Waiting for God* asks profound questions about the nature of faith, doubt and morality that continue to resonate today. This Routledge Classics edition includes a new Introduction by Janet Soskice and retains the Foreword to the 1979 edition by Malcolm Muggeridge.
