The Conquest of Mexico (Classic Reprint) William Hickling Prescott 2017-11-17 Excerpt from The Conquest of Mexico After a short stay in England he returned to Boston, and desired, in spite of his failing sight, to lead a life of literary occupation. It may seem strange that one, who in his college days had only the ambition of learning as much literature as a gentleman ought to know, and who had never been able to accustom himself to habits of industry, should now consecrate his energies to literary pursuits but the last six years of his life had been years of stem discipline, and during the long days spent in the dark room, graver thoughts and a nobler ambition had filled his mind. The difficulties before him were great. His classical studies, it is true, had never been neglected, but his deficiencies in modern literature were considerable. Of English he had had as much perhaps read to him as most people of his age had read to themselves. Of French literature he knew nothing; and of Spanish and Italian he had merely a schoolboy's knowledge. Moreover, he had constantly to fight against a tendency to waste his time, while the necessity of forming fixed habits of work was a task of no little difficulty. He determined to begin from the very elements, and, wisely too, to begin with English. He studied as if he were a schoolboy, beginning with Lindley Murray's grammar, and Johnson's dictionary, and then reading carefully the best authors, from Ascham and Bacon to those of his own time. Thus a year passed. Then, having finished this course, he turned to French literature, going, as he says, deeper and wider than he had done in English. Italian came next, and then Spanish. German, however, he was compelled, owing to his weak sight, to abandon. He now felt competent to begin the real task of writing a history, and searched for a subject. After some hesitation he decided on a history of the times of Ferdinand and Isabella. To enable him to attempt the work, a secretary, Mr. English, was engaged to read to him for five or six hours every day. Prescott was in no hurry. For the next three and a half years he was collecting materials, and then only commenced the actual composition so that it was not till the year 1837 (or thirteen years after the time at which he decided on his subject) that Ferdinand and Isabella was fairly delivered to the world. The Curved Planks Yves Bonnefoy 2007-03-20 For decades readers and critics have acclaimed Yves Bonnefoy as France's greatest living poet. His most recent book of verse, *The Curved Planks*, crowns an oeuvre that has won him the highest international honors. More than any other single work, this sequence embodies the astonishing variety of Bonnefoy's art. A rich fabric of themes, styles, and

genres, it balances aesthetic complexity with heartfelt directness. This bilingual edition of *The Curved Planks* sets the French texts alongside English versions by the noted translator Hoyt Rogers, who has collaborated closely with Bonnefoy in crafting poems that re-create the freshness and vision of the originals. This volume also includes a preface by the renowned poet and critic Richard Howard and essays by the translator that situate *The Curved Planks* in the author's body of work. All assist in introducing the English-language reader to Bonnefoy's profound poetic gift.

I, Cinna (The Poet) Tim Crouch 2012-06-11 I, Cinna (The Poet) has one short scene in Shakespeare's *Julius Caesar* where he is mistaken for someone else and killed by the mob. Now, in a new play by Tim Crouch, this unlucky man is given a chance to tell his story. Written for ages 11+, I, Cinna (The Poet) is a fusion of theatre, multimedia and creative writing tasks. Cinna asks his young audience to consider the relationship between words and actions, art and politics, self and society. During the performance he asks us to write alongside him: a small poem on a big theme. Originally commissioned for the World Shakespeare Festival which is produced by the Royal Shakespeare Company for London 2012 Festival. Shortlisted for the Writers' Guild Award for Theatre Play for Young People 2013.

The Conservatory of Santa Teresa Bilenchi, Romano 2015-10-22 This volume is the first translation of Romano Bilenchi's 1940 masterpiece to appear in English. This is surprising since *The Conservatory of Santa Teresa* is much more than an invaluable historical document of life in provincial Tuscany around the time of the First World War. It is truly one of the most important works of fiction published in Italy under Fascism. In telling of the pre-adolescent Sergio's encounter with the larger world of sex, politics, and the violence and cruelty of adult life, Bilenchi succeeds in representing a universal paradigm, that of the clash of innocence with experience. But what makes Sergio's trajectory unique is that he goes through it in the company of three extraordinary women who are at once femmes fatales and benevolent guides: his mother, his aunt, and his tutor, all almost unbearably beautiful, as least in Sergio's eyes. These women, plus the dazzling landscape of the Sieneese countryside as captured by Bilenchi, make Sergio's journey an enviable even if sometimes painful and bewildering experience.

The Bishop's Bedroom Piero Chiara 2019-11-05 "Piero Chiara's novel is at once a murder mystery and a lyrical study of desire, greed, and deception. The ending is simply stunning." —André Aciman, author of *Call Me by Your Name* Summer 1946. World War Two has just come to an end and there's a yearning for renewal. A man in his thirties is sailing on Lake Maggiore in northern Italy, hoping to put off the inevitable return to work. Dropping anchor in a small, fashionable port, he meets the enigmatic owner of a nearby villa who invites him home for dinner with his older wife and beautiful widowed sister-in-law. The sailor is intrigued by the elegant waterside mansion, staffed with servants and imbued with mystery, and stays in a guest room previously occupied by a now deceased bishop related to his host. The two men form an uneasy bond, recognizing in each other a shared taste for idling and erotic adventure. They soon set sail together, encountering old flames and making new conquests. But tragedy puts an abrupt halt to their revels and shatters the tranquility of the villa. What really happened on the dock? And who was the figure glimpsed cycling around the shore in the dark? A sultry, stylish psychological thriller executed with supreme literary finesse.

Reverence for Life Albert Schweitzer 1979 "Though I was well aware that Albert Schweitzer preached a great deal both before and after he became a physician, I never encountered any of his sermons until I was privileged to read the present collection prior to publication. What I find in this increases my sense of wonder, though it does not increase my surprise. It pleases me to find that like other speakers and writers, the famous missionary doctor preached many of his ideas before they were cast into essay form, thus following the experimental method...On the whole the sermons seem contemporary... Very early in the twentieth century, he understood that Christianity is not a merely spiritual religion and that the popular arguments against missions are superficial ones... What pleases me most about the new publication is its revelation of the author's deep personal piety..." -- D Elton Trueblood (from the Foreword).

Dragon Seed Pearl S. Buck 2012-08-21 A New York Times–bestselling historical novel about the Japanese invasion of Nanking from the author of *The Good Earth*. Farmer Liang Tan knows only a quiet, traditional life in his remote Chinese farming community. When news filters in that Japanese forces are invading the country, he and his fellow villagers believe that if they behave decently to the Japanese soldiers, the civilians might remain undisturbed. They're in for a shock, as the attackers lay waste to the country and install a puppet government designed to systematically carry out Japanese interests. In response, the Chinese farmers and their families form a resistance—which not only carries grave risk, but also breaks their vow of nonviolence, leading them to wonder if they're any different than their enemy. Later adapted into a film featuring Katharine Hepburn, *Dragon Seed* is a brilliant and unflinching look at the horrors of war. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Marianna Sirca Grazia Deledda 2006 "Marianna Sirca is a 30-year-old woman of inherited wealth who lives in Nuoro, Sardinia. Because of her strong will and sense of independence, Marianna is the family "black sheep" - refusing to be married off to a distant relative in a social arrangement of convenience. Instead Marianna becomes involved with Simone Sole, a younger man who was a servant in the Sirca household in his youth and who is now an outlaw - wanted for banditry. Against the will of her entire family, the lovers plan to marry, but at Marianna's insistence only after Simone "gets right with the law." The novel traces the story of these two emarginated lovers through various twists and turns, ending with a typical Deleddan flourish that leaves the reader with a real awareness of Sardinian, social mores, values, attitudes, and tradition."--BOOK JACKET.

Human Rights in a Changing World Antonio Cassese 1990-01-01 11. What should we do?

On Aging Jean Améry 1994 *On Aging*, the first of Jean Amery's books after *At the Mind's Limits*, is a powerful and profound work on the process of aging and the limited but real defenses available to those experiencing the process. Each essay covers a set of issues about growing old. "Existence and the Passage of Time" focuses on the way aging makes the old progressively see time as the essence of their existence. "Stranger to Oneself" is a meditation on the ways the aging are alienated from themselves. "The Look of Others" treats social aging - the realization that it is no longer possible to live according to one's potential or possibilities. "Not to Understand the World Anymore" deals with the loss of the ability to understand new developments in the arts and in the changing values of society. The fifth essay, "To Live with Dying," argues that everyone compromises with death in old age (the time in life when we feel the death that is in us). Here Amery's intention, as encapsulated by John D. Barlow, becomes most clear: "to disturb easy and cheap compromises and to urge his readers to their own individual acts of defiance and acceptance."

Letters 1941-1985 Italo Calvino 2014-06-05 'The only thing I would like to be able to teach is a way of looking, in other words a way of being in the world. In the end, literature cannot teach anything else.' Italo Calvino, novelist, literary critic and editor, was also a masterful letter writer whose correspondents included Umberto Eco, Primo Levi, Gore Vidal and Pier Paolo Pasolini. This collection of his extraordinary letters, the first in English, gives an illuminating insight into his work and life. They include correspondence with fellow authors, generous encouragement to young writers, responses to critics, thoughts on literary criticism and literature in general, as well as giving glimpses of Calvino's role in the antifascist Resistance, his disenchantment with Communism and his travels to America and Cuba. Together they reveal the searching intellect, clarity and passionate commitment of a great writer at work. Translated by Martin McLaughlin Selected with an Introduction by Michael Wood 'These letters place Calvino in the larger frame of twentieth-century Italy and provide a showcase for his refined and civil voice . . . Letters is a charming addition to the Planet Calvino - a place cluttered with sphinxes, chimeras, knights, spaceships and viscounts both cloven and whole.' Guardian

The Baby in the Icebox James M. Cain 2013-08-13 A collection of stories, both early and late, that show how Mystery Writers of America Grand Master James M. Cain made his name There is a hungry tiger loose in the house, and that is not good news for anyone. A jealous husband let the animal out of his cage hoping he would eat his wife alive, but tigers aren't used to taking orders. This jungle cat will get his meal, and he doesn't care where it comes from. "The Baby in the Icebox" begins with a murdered wildcat and ends with a dead human—and what comes in between is some of the most striking prose James M. Cain ever put to paper. It is one of the first stories this master of crime fiction ever wrote, and it shows all the hallmarks of the novels that would later make him famous—namely Double Indemnity and The Postman Always Rings Twice. The tales in this collection are short, but Cain never needed more than a few pages to thrill.

A Life Elsewhere Segun Afolabi 2010-05-05 For the characters in Segun Afolabi's debut collection, 'elsewhere' is a place they must transform into home. In the award-winning 'Monday Morning' a refugee boy puzzles out his place in a new land. A bereaved father in 'Arithmetic' thinks back to a confusing, youthful sexual encounter that has left him emotionally scarred; Jacinta faces a long retirement with a husband she is not sure she likes in 'Jumbo and Jacinta' and 'The Wine Guitar' tells the story of an aging musician who pays a prostitute for the gift of her youth. These are tales of diaspora, of people making their lives in new lands. Moving, funny and occasionally shocking, Afolabi's stories reflect the way we live now. A Life Elsewhere was shortlisted for the Commonwealth Writers' Prize.

The Sickness Called Man Ferdinando Camon 1996 Ostensibly a satirical look at psychoanalysis and its practitioners, this novel is also a serious social critique of modern man. From his depictions of pompous therapists to his analysis of the intersection of church and state, Camon's wit and wisdom shine in this remarkable novel.

Gods of the North Brian Branston 2020-11-06 Gods of the North is about the mythology of the Vikings, Angels, Saxons and Jutes and how it has shaped cultures, languages and later religions. The author Brian Branston states that a myth is like a dream; a direct expression of the unconscious mind, and the events of a myth, its characters and symbols are to the human race as the events, characters and symbols of his dream are to the individual. Like a dream the myth may ignore the conventional logic of space and time relationships, of events following one after another in a causal sequence. Nevertheless, a dream has a meaning which can be made plain; and so has a myth. It is not easy to interpret the myths of our own culture, for our near ancestors—those of a thousand odd years ago—were persuaded to forget them or to relegate their broken remnants to the nursery. The Gods of the North were once upon a time the gods of our forefathers. The fossilized remains of these deities survive in place-names for instance, as Wansdyke, Wednesbury, Wensley, Tuesley and Thundersley; in the names of the days of the week, as Sunday, Monday, Tuesday, Wednesday, Thursday and Friday; in folklore and fairy tale with their stories of witches on broomsticks.

The Blackboard Jungle Evan Hunter 2017-06-13 The “shocking” and “suspense-packed” bestseller about one teacher’s stand against student violence, and the basis for the Academy Award-nominated film (The New York Times Book Review). After serving his country in World War II, Richard Dadier decides to become an English teacher—and for the sin of wanting to make a difference, he’s hired at North Manual Trades High School. A tough vocational school in the East Bronx, Manual Trades is home to angry, unruly teenagers exiled from New York City’s regular public schools. On his first day, Dadier endures relentless mockery and ridicule and makes an enemy of the student body by rescuing a female colleague from a vicious attack. His fellow educators are bitter, disillusioned, and too afraid of their pupils to risk turning their backs on them in the classroom. But Dadier refuses to give up without a fight. Over the course of the semester, he tries again and again to break through the wall of hatred and scorn and win his students’ respect. The more he learns about their difficult circumstances, the more convinced he becomes that a good teacher can make a difference in their lives. His idealism will be put to the ultimate test, however, when a long-simmering power struggle with his most intimidating student explodes into a violent schoolroom showdown. The basis for the blockbuster film starring Glenn Ford and Sidney Poitier, Evan Hunter’s *The Blackboard Jungle* is a brutal, unflinching look at the dark side of American education and an early masterpiece from the author who went on to write the gritty 87th Precinct series as Ed McBain. Drawn from Hunter’s own experiences as a New York City schoolteacher, it is a “nightmarish but authentic” drama that packs a knockout punch (Time).

Federico Fellini Tullio Kezich 2007-03-06 A lively and authoritative journey into the world of a cinema master With the revolutionary 8 1/2, Federico Fellini put his deepest desires and anxieties before the lens in 1963, permanently impacting the art of cinema in the process. Now, more than forty years later, film critic and Fellini confidant Tullio Kezich has written the work by which all other biographies of the filmmaker are sure to be measured. In this moving and intimately revealing account of a lifetime spent in pictures, Kezich uses his friendship with Fellini as a means to step outside the frame of myth and anecdote that surrounds him—much, it turns out, of the director’s own making. A great lover of women and a meticulous observer of dreams, Fellini, perhaps more than any other director of the twentieth century, created films that embodied a thoroughly modern sensibility, eschewing traditional narrative along with religious and moral precepts. His is an art of delicate pathos, of episodic films that directly address the intersection of reality, fantasy, and desire that exists as a product of mid-century Italy—a country reeling from a Fascist regime as it struggled with an outmoded Catholic national identity. As Kezich reveals, the dilemmas Fellini presents in his movies reflect not only his personal battles but those of Italian society. The result is a book that explores both the machinations of cinema and the man who most grandly embraced the full spectrum of its possibilities, leaving his indelible mark on it forever.

Taking Care of Baby Dennis Kelly 2012-06-18 'None of this is the truth. It's just people saying things. It's all subjective. There's the truth, and there's what people think is the truth, and it all depends on how you slant it...' Taking Care of Baby tackles the complex case of Donna McAuliffe, a young mother convicted of the murder of her two infant children. In a series of probing interviews the people in this extraordinary story, including Donna herself and her bewildered mother Lynn, reveal how they may have harmed those they sought to protect. Dennis Kelly's ambitious play uses the popular techniques of drama-documentary and verbatim theatre to explore how truth is compromised by today's information culture.

Saracen Tales Giuseppe Bonaviri 2007 Fiction. Short Stories. Translated from the Italian by Barbara De Marco. In SARACEN TALES, Italian-born Giuseppe Bonaviri brings a wild newness to the tale of the life of Jesus. In this succession of stories, Bonaviri explores all manners of the known and unknown, the archetypal, the mythological, the symbolic--the life of Jesus is both his material and his point of departure. Part surrealism, part folklore, readers will be amazed at the originality and creativity with which a long-familiar tale is presented. "Bonaviri is a myth-maker, looking simultaneously to the historical past and to the future, to arrive at the a-historical, at cosmic universality"--Franco Zangrilli. Giuseppe Bonaviri was born in 1924 in Sicily. He began writing when he was ten and continued through high school, college, and in his professional life as a doctor, health official, and cardiologist. His work has been widely translated.

October 16, 1943/Eight Jews Giacomo Debenedetti 2020-11-15 For more than fifty years, Giacomo Debenedetti's October 16, 1943 has been considered one of the best and most accurate accounts of the shockingly brief and efficient roundup of more than one thousand Roman Jews from the oldest Jewish community in Europe for the gas chambers of Auschwitz. Completed a year after the event, Debenedetti's intimate details and vivid glimpses into the lives of the victims are especially poignant because Debenedetti himself was there to witness the event, which forced him and his entire family into hiding. Eight Jews, the companion piece to October 16, 1943, was written in response to testimony about the Ardeatine Cave Massacres of March 24, 1944. In this essay, Debenedetti offers insights into that grisly horror and into assumptions about racial equality. Both of these stunning works are appearing together, along with Alberto Moravia's preface to Debenedetti's October 16, 1943, for the first time in an American translation. October 16, 1943/Eight Jews gives American readers a first glimpse into the extraordinary mind of the man who was Italy's foremost critic of twentieth-century literature. In addition to probing the deeper, haunting questions of the Holocaust, Debenedetti briefly describes the seizure of the Roman Jewish community's library of early manuscripts and incunables, the most valuable Jewish library in all of Italy. Following the roundup, this library was never seen again. Award-winning translator Estelle Gilson offers an additional essay on the history of the library and modern-day attempts to locate it. October 16, 1943/Eight Jews is a moving work that will continue to challenge readers long after they have closed its pages.

Una Donna Sibilla Aleramo 2018-06-13 *Una Donna* by Sibilla Aleramo Pubblicato per la prima volta nel 1906 e ripubblicato nel corso degli anni in molteplici edizioni, questo romanzo nasce dall'esperienza autobiografica dell'autrice ed è frutto di quei fermenti sociali che portarono alla nascita del femminismo, di cui la Aleramo stessa si sentì parte attiva. Nell'intento di rivelare, per la prima volta, "l'anima femminile moderna," con grande spirito realistico la Aleramo compone pagine di aperta denuncia e di critica sociale, affrontando argomenti come la povertà e l'ignoranza, le differenze regionali, il socialismo e naturalmente la condizione svantaggiosa da cui la donna avrebbe dovuto riscattarsi. La sua immediata fortuna in Italia e nei paesi in cui fu tradotto segnalò una nuova scrittrice, che in seguito avrebbe fornito altre prove di valore, segnatamente nella poesia We are delighted to publish this classic book as part of our extensive Classic Library collection.
