And Still I Rise Maya Angelou 2011-08-17 Maya Angelou’s unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS’s *American Masters*. Pretty women wonder where my secret lies. I’m not cute or built to suit a fashion model’s size But when I start to tell them, They think I’m telling lies. I say, It’s in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I’m a woman Phenomenally. Phenomenal woman, That’s me. Thus begins “Phenomenal Woman,” just one of the beloved poems collected here in Maya Angelou’s third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. “It is true poetry she is writing,”

M.F.K. Fisher has observed, “not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes.”

The Poet X Elizabeth Acevedo 2018-03-06 Winner of the National Book Award for Young People’s Literature, the Michael L. Printz Award, and the Pura Belpré Award! Fans of Jacqueline Woodson, Meg Medina, and Jason Reynolds will fall hard for this astonishing New York Times-bestselling novel-in-verse by an award-winning slam poet, about an Afro-Latina heroine who tells her story with blazing words and powerful truth. Xiomara Batista feels unheard and unable to hide in her Harlem neighborhood. Ever since her body grew into curves, she has learned to let her fists and her fierceness do the talking. But Xiomara has plenty she wants to say, and she pours all her frustration and passion onto the pages of a leather notebook, reciting the words to herself like prayers—especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami’s determination to force her daughter to obey the laws of the church, Xiomara understands that her thoughts are best kept to herself. So when she is invited to join her school’s slam poetry club, she doesn’t know how she could ever attend without her mami finding out. But she still can’t stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. “Crackles with energy and snaps with authenticity and voice.” —Justina Ireland, author of *Dread Nation* “An incredibly potent debut.” —Jason Reynolds, author of the National Book Award Finalist *Ghost* “Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero.” —Ibi Zoboi, author of *American Street* This young adult novel, a selection of the Schomburg Center's Black Liberation Reading List, is an excellent

*Things Fall Apart* Chinua Achebe 2009-06-05 THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within.

**Seize the day** Richard Grünert 2009-06-25 Seminar paper from the year 2008 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 12, Justus-Liebig-University Giessen, course: Teaching Short Literary Forms, language: English, abstract: Students often groan at the thought of facing another poetry unit. out of the students at the thought of dealing with poetry. In an attempt to get them to grasp some of the poetry that they will face throughout their education, this teaching unit attempts to use a movie scene as a way of hooking the students. The unit hopes to make enough thematic connections to allow the students the opportunity to more closely examine and explicate a poem by exposing the conduit between it and an individual's biography. In addition to the thematic connections, this unit will also reveal common elements of poetry in a non-threatening environment. Students will learn about concepts like metaphors, allusions and other elements of poetry by first discovering them in the film. At the same time they upgrade and extend their vocabulary with words, terms, idioms and the vernacular that is used within the dialogs around the poem. Their newly acquired knowledge enables them to articulate both personal discernments and popular apprehensions on the vicissitudes of life (and may even trigger the desire in one or the other to start writing his or her own poem in English, whether it be in a more traditional form or in a rap or a song) and thus serves the primary target of foreign language education: intercultural communicative competence (cf. Council of Europe 2001: 43). Cinema is a vital and powerful medium, and the hope is that it can be used in an effort to hook the students and bring them closer to the enjoyment of poetry. The presentation of poetry in a form that combines four aspects, namely the visual (or optic), phonetic (or sound), kinetic (moving in a visual succession) and emotional aspect is of great significance to the analysis of what is perceived. Watching a movie is probably the easiest and most comfortable way of knowledge transfer that the students are familiar with. The visualization of a plot in a film offers more challenging potential for what contemporary literature educationalists call the personal response approach (cf. Nünning/Surkamp 2006: 64) than a book (ibid. 247). The learner gets emotionally involved almost immediately and throughout the scene.

An invaluable window onto his experiences as a Nigerian immigrant to the UK and as a writer discovering his calling, these poems also speak to universal truths about love, injustice, and the search for meaning.
