The Hidden Beauty of Everyday Life Kent Nerburn 2009-01-01

The Wisdom of the Native Americans Kent Nerburn 2010-10-06 The teachings of the Native Americans provide a connection with the land, the environment, and the simple beauties of life. This collection of writings from revered Native Americans offers timeless, meaningful lessons on living and learning. Taken from writings, orations, and recorded observations of life, this book selects the best of Native American wisdom and distills it to its essence in short, digestible quotes — perhaps even more timely now than when they were first written. In addition to the short passages, this edition includes the complete Soul of an Indian, as well as other writings by Ohiyesa (Charles

Alexander Eastman), one of the great interpreters of American Indian thought, and three great speeches by Chiefs Joseph, Seattle, and Red Jacket.

Road Angels Kent Nerburn 2002-05-16 A midwestern skeptic embarks on a witty, compelling journey from the frozen plains of Minnesota to California in search of answers to life's most vexing questions. Reprint.

Passionate Presence Catherine Ingram 2004 Through her popular interactive Dharma Dialogues (dharmameaning “truth” or “the way”), Catherine Ingram has helped thousands of students in their quest for awakening by encouraging them to give up the quest and let their own “heart intelligence” guide them in life. Through her work, Ingram has found that most people are imbued with “passionate presence,” but often overlook it because they are searching for something more dramatic elsewhere. In this book, she invites readers to simply to relax into their own passionate presence and the innate awakened qualities that come with this relaxation: Silence, Tenderness, Discernment, Embodiment, Authenticity, Delight, and Wonder. With illuminating anecdotes and personal reflections, she describes the seven traits, imparting a sense of the mystery of the world through direct experience, rather than through expounding any particular belief or tradition. *Passionate Presence* takes us on a heart journey that is an immediate experience of seven awakened qualities, speaking directly to the inherent wisdom within each of us. Inspiring and profound, it is a sojourn into the timeless wisdom secretly known by all.

Neither Wolf nor Dog Kent Nerburn 2010-09-07 1996 Minnesota Book Award winner — A Native American book The heart of the Native American experience: In this 1996 Minnesota Book Award winner, Kent Nerburn draws the reader deep into the world of an Indian elder known only as Dan. It's a world of Indian towns, white roadside cafes, and abandoned roads that swirl with the

memories of the Ghost Dance and Sitting Bull. Readers meet vivid characters like Jumbo, a 400-pound mechanic, and Annie, an 80-year-old Lakota woman living in a log cabin. Threading through the book is the story of two men struggling to find a common voice. Neither Wolf nor Dog takes readers to the heart of the Native American experience. As the story unfolds, Dan speaks eloquently on the difference between land and property, the power of silence, and the selling of sacred ceremonies. This edition features a new introduction by the author, Kent Nerburn. "This is a sobering, humbling, cleansing, loving book, one that every American should read." — Yoga Journal If you enjoyed *Empire of the Summer Moon*, *Heart Berries*, or *You Don't Have to Say You Love Me*, you'll love owning and reading *Neither Wolf nor Dog* by Kent Nerburn.

Chief Joseph & the Flight of the Nez Perce Kent Nerburn 2009-10-13 Hidden in the shadow cast by the great western expeditions of Lewis and Clark lies another journey every bit as poignant, every bit as dramatic, and every bit as essential to an understanding of who we are as a nation -- the 1,800-mile journey made by Chief Joseph and eight hundred Nez Perce men, women, and children from their homelands in what is now eastern Oregon through the most difficult, mountainous country in western America to the high, wintry plains of Montana. There, only forty miles from the Canadian border and freedom, Chief Joseph, convinced that the wounded and elders could go no farther, walked across the snowy battlefield, handed his rifle to the U.S. military commander who had been pursuing them, and spoke his now-famous words, "From where the sun now stands, I will fight no more forever." The story has been told many times, but never before in its entirety or with such narrative richness. Drawing on four years of research, interviews, and 20,000 miles of travel, Nerburn takes us beyond the surrender to the captives' unlikely welcome in Bismarck, North Dakota, their tragic eight-year exile in Indian Territory, and their ultimate return to the Northwest.

Nerburn reveals the true, complex character of Joseph, showing how the man was transformed into a myth by a public hungry for an image of the noble Indian and how Joseph exploited the myth in order to achieve his single goal of returning his people to their homeland. Chief Joseph & the Flight of the Nez Perce is far more than the story of a man and a people. It is a grand saga of a pivotal time in our nation's history. Its pages are alive with the presence of Lewis and Clark, General William Tecumseh Sherman, General George Armstrong Custer, and Sitting Bull. Its events brush against the California Gold Rush, the Civil War, the great western pioneer migration, and the building of the telegraph and the transcontinental railroad. Once you have read this groundbreaking work, you will never look at Chief Joseph, the American Indian, or our nation's westward journey in the same way again.

Ordinary Sacred Kent Nerburn 2012 There is a hidden meaning, a hidden beauty, in life's most ordinary moments. It is the beauty of the human heart revealed, where what we have in common is greater than what keeps us apart. If we can learn to see the beauty in these moments, whether they are in the light or in the shadow, we become witnesses to the spiritual, testimonies to the sacred. We become true artists of the ordinary, and our life becomes a masterpiece, painted in the colors of the heart. A chance encounter with a boy on a bicycle, a young girl's graduation from eighth grade -- these and other small moments are the subjects of this beautifully written collection. Kent Nerburn uncovers the wonder hidden just beneath the surface of everyday life, offering poignant glimpses into the grace of ordinary days. Whether he's describing a kite's dance on the winds above the high New Mexico desert, a funeral on an isolated Indian reservation, or a dinnertime conversation with family and friends, Kent Nerburn is among a handful of writers capable of moving so gently over such deep waters. Ordinary Sacred reveals the hidden beauty waiting to be discovered in each and

every life.

Cats in Spring Rain Aya Kusch 2022-05-10 This delightful little book pays homage to the cat through artfully curated Japanese poetry and prints. No one captures the graces and idiosyncrasies of cats quite like the painters, printmakers, and haiku masters of Japan. From the Edo to the Showa period, many artists turned their gaze toward an unlikely subject: their small feline companions. Closely observed portraits in words and ink elevate the everyday adventures of cats: taking a nap on a Buddha statue's lap, daintily eating a rice ball, courting the neighbor's cat. This curated collection of poems, prints, and paintings will leave you inspired to cultivate the serenity and wonder embodied by these creators—and by the cats themselves. Presented as a sweet, jacketed paperback with thoughtful design touches, this volume includes each poem in both English and Japanese. **THE ORIGINAL CAT LOVERS:** Centuries before the emergence of cat memes and cat cafes, Japanese artists and writers perfected the practice of feline reverence. Cats played pivotal roles in folklore; they were the protectors of scriptures and symbols of good luck and wealth. They also proved to be a wonderful source of creative inspiration. This little compendium showcases Japan's rich cultural heritage. **UNIQUE GIFT:** Surprise your cat-loving friends and family with this unusual twist on the cat-themed gift. **PERFECT FOR POETRY LOVERS:** Whether they came to poetry through the works of Instagram poets, or have been reading the classics for decades, any lover of verse will enjoy this thoughtfully curated collection. The writers featured include Bashō, Chiyo-ni, Issa, Shiki, and more—all icons of the haiku form. **ENCHANTING ART:** Hokusai, Hiroshige, Yoshitoshi, and more: These artists masterfully captured the personalities of cats and their humans. These images, with their delicate lines and soothing colors, have endured through time to bring us quiet joy. Perfect for:

- Cat lovers
- Poets and poetry readers
- Artists and art lovers
- Anyone who appreciates Japan's

arts and culture

Marking Short Lives Ewan Kelly 2007 This book explores theologically the practice of hospital chaplains seeking to meet the spiritual needs of parents bereaved by baby death in-utero. The lived experience of bereaved parents, gathered through a series of in-depth interviews, informs such an exploration. Parents describe the trauma of late miscarriage and stillbirth as still being shrouded by silence, myth and misunderstanding in contemporary society. Up-to-date theoretical understandings of grief are also re-examined in light of parents' stories of living with baby death. This book offers suggestions as to how the actual spiritual needs of parents may be met and their grief sensitively facilitated through the sharing of rituals co-constructed by parents and chaplain which seek to have theological integrity yet be relevant in our postmodern age. In our prevalent culture of caring, where increasingly ongoing professional and personal development are regarded as normative, recommendations are made which may aid reflection on current, or shape future, practice for chaplains, pastors, students and various healthcare professionals.

Make Me an Instrument of Your Peace Kent Nerburn 1999-01-01 Presents meditations on the message of St. Francis of Assisi's Canticle of the Sun, and offers reflections on each line of the poem, showing how it can help create a joyous path through life

Life Is a Gift Tony Bennett 2012-11-20 "Writing in the same style as he sings. . . Tony Bennett shares countless tales about showbiz, his famous friends, his family, and his artistic career. . . . [His] tips for happiness, success, and longevity are like music to the ears." — Publishers Weekly A magnificent testament to an extraordinary man and his art, and illustrated with Tony Bennett's own beautiful hand-drawn artwork, *Life Is a Gift* is a work that will captivate, delight, and be cherished by music lovers of all ages. Legendary singer, artist, and performer Tony Bennett has been one of

the world's most beloved entertainers for more than six decades. From the 78 to the LP to the digital age, Tony has done it all, and is still at the top of his game. Decade after decade, this artistic icon—who has won seventeen Grammys, sung for ten presidents, and performed for royalty—has refused to compromise his vision or values. Bennett's popularity continues to grow as each new generation discovers his timeless songs and incredible voice. In this entertaining and thoughtful memoir, Bennett shares stories of friends and family and the essential lessons they have taught him: of the value of hard work and of creating art that continues to inspire; of perseverance and a dedication to excellence; of the necessity of humility, love, respect, and, most important, gratitude. He pays tribute to all the remarkable talents he has had the honor to work with and to learn from, including Judy Garland, Fred Astaire, Louis Armstrong, Aretha Franklin, Barbra Streisand, Paul McCartney, Amy Winehouse, Lady Gaga, and others.

Mercy in the City Kerry Weber 2014-01-08 When Jesus asked us to feed the hungry, give drink to the thirsty, and visit the imprisoned, he didn't mean it literally, right? Kerry Weber, a modern, young, single woman in New York City sets out to see if she can practice the Corporal Works of Mercy in an authentic, personal, meaningful manner while maintaining a full, robust, regular life. Weber, a lay Catholic, explores the Works of Mercy in the real world, with a gut-level honesty and transparency that people of urban, country, and suburban locales alike can relate to. *Mercy in the City* is for anyone who is struggling to live in a meaningful, merciful way amid the pressures of "real life." For those who feel they are already overscheduled and too busy, for those who assume that they are not "religious enough" to practice the Works of Mercy, for those who worry that they are alone in their efforts to live an authentic life, *Mercy in the City* proves that by living as people for others, we learn to connect as people of faith.

Native Echoes Kent Nerburn 2017-04-25 From the grandeur of the Great Plains to the solitude of the northern woods, from the intensity of a summer storm to the quiet redemption of a fresh blanket of snow, Kent Nerburn's *Native Echoes* pays homage to the power of the land to shape our hearts and spirits. An Ojibwe elder once counseled Nerburn to "always teach by stories, because stories lodge deep in the heart." Using skills learned from Native storytellers as well as a deep reverence for the world's spiritual traditions, Nerburn takes us to an Ojibwe burial, down lonely winter roads, and into landscapes where trees have presence and the earth is made alive by the mystical power of water and light. *Native Echoes* is a stark, poetic work that honors both Native American traditions and our western way of thinking and believing. NAPRA Review calls it a "beautiful book that will touch not only those who find Spirit in Native American paths, but anyone who has felt the presence of something powerful beyond the known."

Make Me an Instrument of Your Peace Kent Nerburn 2010-09-07 Kent Nerburn's *Make Me an Instrument of Your Peace*, immerses us in the spirit of one of the most universally inspiring figures in history: St. Francis of Assisi. The Prayer of St. Francis boldly but gently challenges us to resist the forces of evil and negativity with the spirit of goodwill and generosity. And Nerburn shows, in his wonderfully personal and humble way, how we each can live out the prayer's prescription for living in our everyday and less-than-saintly lives. "Where there is hatred, let me sow love...Where there is injury, let me sow pardon..." Expanding upon each line of the St. Francis Prayer, Nerburn shares touching, inspiring stories from his own experience and that of others and reveals how each of us can make a difference for good in ordinary ways without being heroes or saints. Struggling to help a young son comfort his best friend when his mother dies, moved by the courage of war enemies who reconcile, being wrenched out of self-absorbed depression by responding to someone else's tragedy,

taking a spirited old lady on a farewell taxi ride through her town-these are the kinds of everyday moments in which Nerburn finds we can live out the spirit of St. Francis. By incorporating the power and grace of these few lines of practical idealism into our thoughts and deeds, we can begin to ease our own suffering-and the suffering of those with whom we share our lives. And, remarkably, find a way to true peace and happiness by tapping into our basic human goodness. As we open our hearts and embrace his words, St. Francis "touches our deepest humanity and ignites the spark of our divinity." Lord, make me an instrument of thy peace. Where there is hatred let me sow love, Where there is injury let me sow pardon, Where there is doubt, faith, Where there is despair, hope, Where there is darkness, light, And where there is sadness, joy... In this beautifully written book, Kent Nerburn leads us into the heart of the St. Francis Prayer and line by line demonstrates how St. Francis's words can resonate in our lives today.

Voices in the Stones Kent Nerburn 2016-11-15 "Do not begrudge the white man his presence on this land. Though he doesn't know it yet, he has come here to learn from us." — A Shoshone elder The genius of the Native Americans has always been their profound spirituality and their deep understanding of the land and its ways. For three decades, author Kent Nerburn has lived and worked among the Native American people. Voices in the Stones is a unique collection of his encounters, experiences, and reflections during that time. He takes us inside a traditional Native feast to show us how the children are taught to respect the elders. He brings us to an isolated prairie rock outcropping where a young Native man and his father show us how the power of ceremony connects the present with the ancient voices of the past. At a dusty roadside café he introduces us to an elder who remembers the time when his ancestors could talk to animals. In these and other deeply touching stories, Nerburn reveals the spiritual awareness that animates all of

Native American life, and shows us how we have much to learn from one another if only we have the heart to listen.

A Haunting Reverence Kent Nerburn 1996 Presents essays which include personal narratives of the author's experiences among the Ojibwe

This haunting question spurred author Kent Nerburn to write *Calm Surrender*. As he recounts the experiences of people who have suffered much and asked for little, he takes readers on a moving journey, urging them to remember that "forgiveness cannot be a disengaged, pastel emotion."

Kent Nerburn is an extraordinary writer who can be that voice when we are lost and in need of guidance. *Letters to My Son*, written for his son, Nick, but true for all of us, shows us that life isn't always shared in all its richness with those we meet along the way. This profound book is deeply informed by the spiritual traditions of the West, the Far East, and the Native Americans, with whom the author has worked. It is a small treasure of wisdom about life's deepest issues. From the Book . . . ON EDUCATION & LEARNING The true measure of your education is not what you know, but how you share what you know with others. ON MONEY People who measure their money against their desires will never be happy, because there will always be another desire waiting to lure them. People who measure their money against their needs can gain control over their lives by gaining control over their needs. ON LOVE Love has its own time, its own season, and its own reasons for coming and going. You cannot bribe it or coerce it or reason it into staying. If it chooses to leave your heart or the heart of your lover, there is nothing you can do and nothing you should do. Be glad that it came to live for a moment in your life. If you keep your heart open, it will surely come again.

The Wolf at Twilight Kent Nerburn 2010-08 A note is left on a car windshield, an old dog dies, and Kent Nerburn finds himself back on the Lakota reservation where he traveled more than a

decade before with a tribal elder named Dan. The touching, funny, and haunting journey that ensues goes deep into reservation boarding-school mysteries, the dark confines of sweat lodges, and isolated Native homesteads far back in the Dakota hills in search of ghosts that have haunted Dan since childhood. In this fictionalized account of actual events, Nerburn brings the land of the northern High Plains alive and reveals the Native American way of teaching and learning with a depth that few outsiders have ever captured.

The Artist's Journey Kent Nerburn 2020-10-15 The creative life is not easy. From the outside it can seem romantic and exciting, but in fact it is a unique journey filled with doubts and dreams and complex challenges that most people never imagine. At once practical and spiritual, it is a rare exploration of the inner landscape of the artistic experience and an essential guidebook to the artist's journey, for creative artists in all fields, whether young or old, accomplished or just beginning.

Dancing with the Gods Kent Nerburn 2018-06-05 When Kent Nerburn received a letter from Jennifer, a young woman questioning her calling to spend her life in the arts, the writer and artist was struck by how closely her questions mirrored the doubts and yearnings of his own youth. Nerburn resolved that he would write his own letter: a letter of welcome and encouragement to all young artists setting out on the same strange and magical journey, sharing the wisdom of a life spent working in the arts. From struggles with money and the bitterness of rejection, to spiritual

questions of inspiration and authenticity, *Dancing With the Gods* offers insight, solace and courage to help young artists on the winding road to artistic fulfilment. Tender and joyous, it is a celebration of art's power to transform the darkest of human experience and give voice to the grandest of human hopes.

Rooted Lyanda Lynn Haupt 2021-05-04 Deepen your connection to the natural world with this inspiring meditation, "a path to the place where science and spirit meet" (Robin Wall Kimmerer). In *Rooted*, cutting-edge science supports a truth that poets, artists, mystics, and earth-based cultures across the world have proclaimed over millennia: life on this planet is radically interconnected. Our bodies, thoughts, minds, and spirits are affected by the whole of nature, and they affect this whole in return. In this time of crisis, how can we best live upon our imperiled, beloved earth? Award-winning writer Lyanda Lynn Haupt's highly personal new book is a brilliant invitation to live with the earth in

both simple and profound ways—from walking barefoot in the woods and reimagining our relationship with animals and trees, to examining the very language we use to describe and think about nature. She invokes rootedness as a way of being in concert with the wilderness—and wildness—that sustains humans and all of life. In the tradition of Rachel Carson, Elizabeth Kolbert, and Mary Oliver, Haupt writes with urgency and grace, reminding us that at the crossroads of science, nature, and spirit we find true hope. Each chapter provides tools for bringing our unique gifts to the fore and transforming our sense of belonging within the magic and wonder of the natural world.

[Neither Wolf nor Dog 25th Anniversary Edition](#) Kent Nerburn 2019-09-03 An Unforgettable Journey into the Native American Experience Against an unflinching backdrop of 1990s reservation life and the majestic spaces of the western Dakotas, *Neither Wolf nor Dog* tells the story of two men, one white and one Indian, locked in their own understandings yet struggling to find a common voice. In this award-winning book, acclaimed author Kent Nerburn draws us deep into the world of a Native American elder named Dan, who leads Kent through Indian towns and down forgotten roads that swirl with the memories of the Ghost Dance and Sitting Bull. Along the way we meet a vivid cast of characters — ranging from Jumbo, a 400-pound mechanic, to Annie, an eighty-year-old Lakota woman living in a log cabin with no running water. An unlikely cross between *On the Road* and *Black Elk Speaks*, *Neither Wolf nor Dog* takes us past the myths and stereotypes of the Native American experience, revealing an America few ever see.

Native American Wisdom Kent Nerburn 2011-03-10 Joseph, Sitting Bull, Red Cloud, Black Elk, Ohiyesa, and many others share their insights on Native American ways of living, learning, and dying. There is something archetypal about the philosophy of the original Americans, especially to the sensibilities of modern European Americans. We recognize it as coming from the earth we walk

on, from those who preceded us. As we read the wisdom of these peoples, it is possible to feel a reconnection with our land and ourselves. Taken from orations, recorded observations of life and social affairs, and other first-person testimonies, this book selects the best of Native American wisdom and distills it to its essence in short, digestible quotes that are meaningful and timeless — perhaps even more timely now than when they were written.

The Girl Who Sang to the Buffalo Kent Nerburn 2013-10-01 A haunting dream that will not relent pulls author Kent Nerburn back into the hidden world of Native America, where dreams have meaning, animals are teachers, and the “old ones” still have powers beyond our understanding. In this moving narrative, we travel through the lands of the Lakota and the Ojibwe, where we encounter a strange little girl with an unnerving connection to the past, a forgotten asylum that history has tried to hide, and the complex, unforgettable characters we have come to know from *Neither Wolf nor Dog* and *The Wolf at Twilight*. Part history, part mystery, part spiritual journey and teaching story, *The Girl Who Sang to the Buffalo* is filled with the profound insight into humanity and Native American culture we have come to expect from Nerburn’s journeys. As the American Indian College Fund has stated, once you have encountered Nerburn’s stirring evocations of America’s high plains and incisive insights into the human heart, “you can never look at the world, or at people, the same way again.”

Letters to My Son Kent Nerburn 1993 The author's reflections on the meaning of manhood offer readers--especially fathers and sons searching for role models--guidance in navigating this tricky rite of passage. By the author of *Native American Wisdom*.
