Every 27 to 29 years, Saturn returns to the sign it was in when you were born - a cycle called the Saturn return. During this phase, you will typically break down in order to rebuild, and question everything from your career to the past to relationships and even finances. It's a time of deep reflection, turmoil and self-doubt. But after Saturn passes into a new sign, you will also experience great clarity and calm as you enter into a new chapter of your life. Surviving Saturn's Return Sherene Schostak 2003-12-22 For the first time, psychological strategies for surviving the astrological fallout of turning the big 3-0! Many young women approach their 30th birthdays with anxiety. They suddenly notice every tiny wrinkle, question the speed of their corporate ladder climb, or suffer from a biological clock that rivals Big Ben. Is it vanity, fear of aging, early midlife crisis, or insanity? It's actually the result of what astrologers call the "Saturn Return," a phenomenon occurring every 28 years, when Saturn completes its cycle through an individual's birth chart. At this crucial juncture, women often experience a crisis of self, unexplained chaotic feelings, or the uncertainty of personal and professional crossroads. In *Surviving Saturn's Return*, the first book to explore the subject, the authors combine their psychological and astrological expertise to demystify this cosmic source of strife and offer self-help strategies for surviving, even thriving, during this "quarterlife" crisis. In a fun, friendly, and reassuring tone, they explain how to deal with everything from the father complex to money to marriage to maturing confidently into adulthood.

Letters to a Starseed Rebecca Campbell 2021-05-18 An inspirational guide for understanding your soul and discovering why it chose to incarnate at the moment it did. From the author of *The Starseed Oracle*, Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. "A leading voice in spirituality, Rebecca's work is deep and illuminating." — *Soul and Spirit Magazine* AN ENCOURAGING BOOK TO HELP YOU REMEMBER WHO YOU ARE AND TO PLANT YOURSELF HERE Tap into the cosmic nature of your soul, discover your purpose and commit to being here on Earth. *Letters to a Starseed* asks the biggest questions that mystics and philosophers through the ages have been asking: What is the soul, where did it originate and why have we chosen to come here at this time? YOUR SOUL HAD A DREAM, YOUR LIFE IS IT. This is a book for those who at times feel misplaced in the world; those who have always felt a remembering of some other place without quite knowing what that place really is. As a planet, we are waking up to the fact that the ancient prophecies and warnings from the elders and wise ones are no longer predictions, but our waking reality. They are not just coming or even near ... we are living them right now. What we do now matters to the future of this planet. And we all have a role to play. Some *Letters to a Starseed* Chapter Titles include: · Who Are We and Where Did We Come From? · The Moment of Your Birth · What Is a Starseed? · Ancient Stars in Our Bones · Reaching Back to the Ancients · Here We Are · Returning · The Longing for Home · I Remember · Why Did You Come Here? · There Must Be More Than This · Why Did You Choose to Come? · We All Have a Role to Play, but Only We Know What · Our Role Is · There You Are · I Have Music in My Heart · Finding Our Ground · Starseed Roles · Plant Yourself Here · How to Feel More at Home on Earth · The Challenge of Being Human · Incarnation · The Original Severing · Plant Yourself Here We are living in a time between myths and stories, and are currently re-weaving the fabric of life on Earth. Throughout this book, Rebecca shares insights and experiences illuminating the connection between our souls, the Earth and the cosmos, to encourage you to commit fully to your incarnation, embrace your human experience and plant yourself here. "Throughout the book you'll find two prompts, which will support you on your journey as you read. "In many chapters, you'll find Soul Inquiry prompts that will help you hear the calls of your soul as you journey through the book. "In some chapters, you'll also find activations. These are here to support you in activating and integrating energies and healing within you, from your soul to your cells. "My hope for this book is that it supports, comforts, and inspires you to remember who you truly are and why you chose to be here at this pivotal moment in the story of humanity. To commit fully to being here and being present to your life on Earth at this time. "To encourage you to play the note that you came here to play, without waver. "Do you remember why you've come?" Love, Rebecca x

Saturn Liz Greene 2021-12-01 This classic astrology text, revered by beginners and professional astrologers alike, is now available in a Weiser Classics edition. "The most important single contribution of twentieth-century astrology is that astrology is not a map of one's fixed destiny but is a potential map of the unfolding of the authentic, higher self." —Robert Hand, from the foreword Saturn's darker persona is recognized universally in myth and fairytale. In this classic astrology text, renowned astrologer and Jungian analyst Liz Greene offers a fresh perspective on how to handle the influence of this much-maligned astrological symbol. In *Saturn*, Greene shows us how the frustrating experiences connected to this planet can be turned into opportunities for greater insight and meaning in our lives. Saturn, she says, symbolizes a psychic process—one that allows us to utilize the experience of pain for self-discovery and a more fulfilling and complete life. Greene retraces Saturn's character through sign, house, aspect, and synastry in a brilliant analysis that reveals his other face: that of the initiator who, for the price of our honesty with ourselves, offers us greater consciousness, self-understanding, and, eventually, freedom.

Saturn Returns Noah Haidle 2010-11-01 There are echoes. Do you know what I mean? They were here. And then they weren't. And I have to stay here. Because this is where they were. Every thirty years, the planet Saturn returns to the same place in the universe it occupied on the day of your birth. Its arrival is said to herald pivotal events in a person's life. In *Saturn Returns*, we follow one man, Gustin Novak, at the ages of 28, 58 and 88, as he reaches a series of crossroads with three key women and comes to understand how the echoes of the past have defined the orbit of his life. An enthralling time-bending structure allows us to watch Gustin over a period of sixty years in a series of deftly interwoven scenes. Moving from wry humour to touching poignancy, this new play from one of American theatre's brightest new voices unashamedly looks for answers to life's big questions.

The Astrology of Success Jan Spiller 2014-04-05 One of the most important journeys in life is finding your calling, a process of identifying and embracing the best career for personal satisfaction and success. As a child, you may have intuitively identified a career path that felt exciting and right. But it's easy to lose that belief and clarity as you navigate a confusing world. Competing and contradictory advice and expectations from friends, family, and society can make it challenging to identify what you truly want to do in the world, and how to pursue your dreams. In this inspiring, practical, and supportive book, Jan Spiller teaches you how the 10th House - or Midheaven - in your astrological chart can shed light on the tools and gifts you have to achieve success in any area of life. When you embrace and express your natural talents, you more easily enlist others in your success, and events fall into place more smoothly. But more than that, the 10th House shows how you can actualize the part of yourself that seeks a meaningful place in the world, and how to align more closely with your deeper purpose. On all levels - financial, emotional, relational, and spiritual - the 10th House can guide you to fulfillment, authenticity, and success. You'll need your astrology chart to use this book.
