Lucifer's Odyssey Rex Jameson 2017-04-23 What if Earth was not the only planet Jehovah cared about? What if humanity was not the only intelligent race that Jehovah had created? What if the war between angels and demons had a much more ancient history that spanned three universes and many billions of light years of space? What if humanity's vision of prophecy and apocalypse was really a glimpse into the mind of a god whose capacity for vengeance was only matched by his unique, omniscient intelligence? The Lucifer's Fall trilogy of the Primal Patterns series is the story of the most celebrated demon warrior and king in history, and the birth of a moral and intellectual renaissance in the Chaos Universe. The first book, 'Lucifer's Odyssey?', traces the demon prince Lucifer from his imprisonment by Jehovah on Earth to the betrayal of his parents in Chaos and a shaky alliance with the Elven people. Filled with irreverent humor and fast paced action, Lucifer's Odyssey beckons you to take a journey through space and time into a story where elven technology meets the ruthlessness of the demon race and the potential of Jehovah's great creations. 'Lucifer's Odyssey?' is the first book of the Lucifer's Fall trilogy, and book one in the Primal Patterns series.

Scarred Wolf Be Brouillard 2021-09-13 Jaxon Imagine witnessing your mother's brutal murder. Imagine not being able to remember a single thing about what happened, even though you were

there. It doesn't matter how hard I try. I. Can't. Remember! I was just a small boy when it happened. I must have tried to defend her because I have the scars that prove it. My wounds should have healed completely. I'm a shifter. Son of the alpha. They didn't! My scars are my constant reminder of what the Moones did. What they took away from us. My mother died in agony. A piece of my father died along with her. I'm given the opportunity to right a wrong. To finish the last remaining Moone before they become a fully-fledged wolf. It won't be easy but I've got this. The offspring of that despicable family cannot be allowed to ever reach full power. I'll die before I allow it to happen. I leave my pack and head for the city. Evie I'm just a regular girl, living a regular life. I work hard, living from day to day, trying to make ends meet. Minding my own business. You know, normal stuff. When, from out of nowhere, he crashes into me while I'm on a jog. Quite literally crashes into my clumsy ass. Then again, maybe I crashed into him. I'm not sure how it went down, only that he's a colossal jerk. I wish he wasn't quite so sexy because...back to the part about him being a jerk. I'm being polite since "jerk" is too nice a word. I'm happy to see the back of him. Partly because he has such a nice back but also because he sucks...big time! Only, the sexy jerkface keeps turning up. I can't seem to get rid of him. Do I even want to? Yes. No. Argh! It's annoying. Then I find out that I'm not such a regular girl after all. Not even close. Just like that, everything changes. And I mean everything. Authors note: Scarred Wolf is a standalone shifter romance. It features a sassy heroine who has no idea who she really is and a sexy alpha who'll help her figure things out. No, that's not true, she'll help him figure things out. Okay, maybe a little bit of both. Beware, this book contains super-hot, growly scenes and naughty language that will make you blush!

Wizards and warriors alike threaten their civilization in vain, arrogant, and ignorant quests for glory. Thus it was that Elminster was guided to Cormanthor, the Towers of Song, where Eltargrim was Coronal. There he dwelt for twelve summers and more, studying with many mighty mages, learning to feel magic and know how it could be bent and directed to his will . . . It is recorded that when the Mythal was laid, and Cormanthor became Myth Drannor, Elminster was among those who devised and spun that mighty magic.

When circumstances take an unexpected turn, Zaknafein discovers he must not only conquer the darkness but learn to accept the uncontrollable: life itself. The stakes have never been higher for R. A. Salvatore's most beloved creations in this final volume of his latest bestselling trilogy begun with Timeless and Boundless. A story of brave heroes

The Elfstones of Shannara (The Shannara Chronicles) Terry Brooks 2000-10-10 ONE OF THE MOST POPULAR FANTASY TALES OF ALL TIME. NOW AN EPIC TV SERIES. Thousands of years after the destruction of the age of man and science, new races and magic now rule the world, but an imminent danger threatens. A horde of evil Demons is beginning to escape and bring death upon the land. Only Wil Ohmsford, the last of the Shannara bloodline, has the power to guard the Elven Princess Amberle on a perilous quest to save the world, while the leader of the Demon force aims to stop their mission at any cost. Praise for Terry Brooks "Shannara was one of my favorite fictional worlds growing up, and I look forward to many return trips."—Karen Russell, author of *Swamplandia!* "If Tolkien is the grandfather of modern fantasy, Terry Brooks is its favorite uncle."—Peter V. **The Assassination of Brangwain Spurge** M. T. Anderson 2020-04-14 "Both moving and hilarious. Spurge is not just an unlikely hero — it's hard to know if he's a hero at all. But that only makes the finale of this political satire all the more surprising." — The New York Times Book Review Uptight elfin historian Brangwain Spurge is on a mission: survive being catapulted across the mountains into goblin territory, deliver a priceless peace offering to their mysterious dark lord, and spy on the goblin kingdom — from which no elf has returned alive in more than a hundred years. Brangwain's host, the goblin archivist Werfel, is delighted to show Brangwain around. They should be the best of friends, but a series of extraordinary double crosses, blunders, and cultural misunderstandings throws these two bumbling scholars into the middle of an international crisis that may spell death for them — and war for their nations. Witty mixed-media illustrations show Brangwain's furtive missives back to the elf kingdom, while Werfel's determinedly unbiased narrative tells an entirely different story. This National Book Award finalist and hilarious, biting social commentary is rife with thrilling action, visual humor, and a comic disparity that suggests the ultimate victor in a war is perhaps not who won, but who gets to write the history.

In return, she'll get to be queen of the water kingdom. What more could a female wish for? Candy is hunted like an animal and won by an arrogant shifter who doesn't even want her. She doesn't care that he's a king. So what if he's really good looking and that underneath

all that bristling, alpha male is a sweet guy. Although sweet is probably not the right description for the savage, water king. The only thing he's interested in, is mating her, so that she can pop out lots of dragon shifter babies. Well, no thanks! She's not interested. As soon as she's able to get that through his thick skull, she's out of there. Torrent promised her she could leave if things didn't work out between them and she plans on holding him to his word. *Chosen by the Vampire Kings* Charlene Hartnady 2016-07-26 Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.

The fiery, dangerous female awakened hungers he had never experienced before, a dark craving and passion that has consumed him in their time apart. As the lunar cycle wanes, she enters his world again and nothing will stand in the way of him claiming his forever with her—not the relentless assault from the Fifth Realm or the dark elf male determined to seduce her out of his grasp. Intent on achieving the coveted position of commander at Archangel, Sable leads her small team into the dark underworld and the Third Realm, to a war where her allies are the very creatures she normally hunts—vampires, werewolves, and demons. Her eagerness to lead the deadly mission has everything to do with winning her promotion, and nothing to do with the kingdom's brash, lethally seductive demon king—a king who stirred fierce desire and wildfire heat in her with just a look and an innocent touch when they first met, and has been in her wicked dreams ever since. As the gathering storm between rivals unleashes irresistible passion that flares white-hot and the heat of the battle brings life-shattering realisations, can Sable place her duty before her heart?
