Spider-Man: Drowned in Thunder Christopher L. Bennett 2007-12-26 The ongoing conflict between Spider-Man and crusading newspaper publisher J. Jonah Jameson takes on a new, personal dimension after a robot attack on Manhattan injures Peter Parkers students and Jameson blames Spider-Man. Original.

Rise of the Federation: A Choice of Futures Christopher L. Bennett 2013-06-25 An original novel set in the universe of Star Trek: Enterprise! A new nation has arisen from the ashes of the Romulan War: the United Federation of Planets, an unprecedented union of diverse species cooperating for the good of all. Admiral Jonathan Archer—the former captain of the Earth starship Enterprise, whose efforts made this union possible—envisions a vibrant Federation promoting galactic peace and a multispecies Starfleet dedicated to exploring strange new worlds. Archer's former crewmates, including Captain T'Pol of the U.S.S. Endeavour and Captain Malcolm Reed of the U.S.S. Pioneer, work with him to secure that bright future. Yet others within the Federation see its purpose as chiefly military, a united defense against a dangerous galaxy, while some of its neighbors view that military might with suspicion and fear. And getting the member nations, their space fleets, and even their technologies to work together as a unified whole is an ongoing challenge. When a new threat emerges from a force so alien and hostile that negotiation seems impossible, a group of unaligned worlds asks Starfleet to come to its defense, and the Federation's leaders seize the opportunity to build their reputation as an interstellar power. But Archer fears the conflict is building toward an unnecessary war, potentially taking the young nation down a path it was never meant to follow. Archer and his allies strive to find a better solution...but old foes are working secretly to sabotage their efforts and ensure that the great experiment called the Federation comes to a quick and bloody end. ™, ®, & © 2013 CBS Studios, Inc. Star Trek: The Next Generation: Greater than the Sum Christopher L. Bennett 2008-07-29 The Starship Rhea has discovered a cluster of carbon planets that seems to be the source of the quantum energies rippling through a section of space. A landing party finds unusual life-forms inhabiting one of the planets. One officer, Lieutenant T'Ryssa Chen -- a half-Vulcan -- makes a tenuous connection with them. But before any progress can be made, the Rhea comes under attack from the Einstein -- a Starfleet vessel now controlled by the Borg. The landing party can only listen in horror as their comrades are assimilated. The Borg descend to the planet, and just as Chen accepts that she will be assimilated, the lieutenant is whisked two thousand light-years away. A quantum slipstream -- instantaneous transportation -- is controlled by these beings in the cluster, and in the heart of the cluster there is now a Borg ship. Cut off from the rest of the Borg collective, the Einstein cannot be allowed to rejoin it. For the sake of humanity, the Borg cannot gain access to quantum slipstream technology. Starfleet Command gives Captain Picard carte blanche: do whatever he must to help the beings in the cluster, and stop the Einstein no matter the cost.

Department of Temporal Investigations: Shield of the Gods Christopher L. Bennett 2017-06-19 An all new Star Trek e-novella featuring the fan-favorite Federation bureau the Department of Temporal Investigations! The stalwart agents of the Department of Temporal Investigations have tracked down many dangerous artifacts, but now they face a greater, more personal challenge: retrieving a time-travel device stolen from their own vault by a rogue agent of the Aegis, a powerful, secretive group that uses its mastery of time to prevent young civilizations from destroying themselves. Blaming the Aegis itself for a tragedy yet to come, this renegade plans to use the stolen artifact to sabotage its efforts in the past, no matter what the cost to the timeline. Now the DTI's agents must convince the enigmatic Aegis to work alongside them in order to protect history—but they must also wrestle with the potential consequences of their actions, for preserving the past could doom countless lives in the future!

Star Trek: Enterprise: Rise of the Federation: A Choice of Futures Christopher L. Bennett 2013-06-25 When a new threat emerges from a force so alien and hostile that negotiation seems impossible, a group of unaligned worlds turned to Starfleet for protection. Original. 60,000 first printing.

The Lost Era: The Buried Age Christopher L. Bennett 2007-06-26 The mysterious "missing years" of Captain Picard's life—before he commanded the Enterprise—are revealed at last in this Star Trek: The Next Generation novel! Jean-Luc Picard. His name has gone down in legend as the captain of the U.S.S. Stargazer and two starships Enterprise. But the nine years of his life leading up to the inaugural mission of the U.S.S. Enterprise to Farpoint Station have remained a mystery—until now, as Picard's lost era is finally unearthed. Following the loss of the Stargazer and the brutal court-martial that resulted, Picard no longer sees a future for himself in Starfleet. Turning to his other love, archaeology, he embarks on a quest to rediscover a buried age of ancient galactic history...and awakens a living survivor of that era: a striking, mysterious woman frozen in time since before the rise of Earth's dinosaurs. But this powerful immortal has a secret of cataclysmic proportions, and her plans will take Picard—aided along the way by a brilliant but naive android, an insightful Betazoid, and an enigmatic El-Aurian—to the heights of passion, the depths of betrayal, and the farthest reaches of explored space.

Department of Temporal Investigations: Time Lock Christopher L. Bennett 2016-09-05 An all new Star Trek e-novella from the world of Deep Space Nine, featuring the fan-favorite Federation bureau the Department of Temporal Investigations! The dedicated agents of the Federation Department of Temporal Investigations have their work cut out for them protecting the course of history from the dangers of time travel. But the galaxy is littered with artifacts that, in the wrong hands, could threaten reality. One of the DTI's most crucial jobs is to track down these objects and lock them safely away in the Federation's most secret and secure facility. As it happens, Agent Gariff Lucsly and his supervisor, DTI director Laarin Andos, are charged with handling a mysterious space-time portal device discovered by Starfleet. But this device turns out to be a Trojan horse, linking to a pocket dimension and a dangerous group of raiders determined to steal some of the most powerful temporal artifacts ever known...

Department of Temporal Investigations: Watching the Clock Christopher L. Bennett 2011-04-26 There's likely no more of a thankless job in the Federation than temporal investigation. While starship explorers get to live the human adventure of traveling to other times and realities, it's up to the dedicated agents of the Federation Department of Temporal Investigations to deal with the consequences to the timestream that the rest of the Galaxy has to live with day by day. But when history as we know it could be wiped out at any moment by time warriors from the future, misused relics of ancient races, or accident-prone starships, only the most disciplined, obsessive, and unimaginative government employees have what it takes to face the existential uncertainty of it all on a daily basis . . . and still stay sane enough to complete their assignments. That's where Agents Lucsly and Dulmur come in—stalwart and unflappable, these men are the Federation's unsung anchors in a chaotic universe. Together with their colleagues in the DTI—and with the help and sometimes hindrance of Starfleet's finest—they do what they can to keep the timestream, or at least the paperwork, as neat and orderly as they are. But when a series of escalating temporal incursions threatens to open a new front of the history-spanning Temporal Cold War in the twenty-fourth century, Agents Lucsly and Dulmur will need all their investigative skill and unbending determination to stop those who wish to rewrite the past for their own advantage, and to keep the present and the future from devolving into the kind of chaos they really, really hate.

Titan #1: Taking Wing Michael A. Martin 2005-04-01 William Riker, former first officer of the USS Enterprise in Star Trek: The Next Generation, takes command of the new USS Titan in this white-knuckled adventure perfect for longtime and new Star Trek fans. After almost a decade of strife against foes such as the Borg, the Cardassians, the Klingons, and the Dominion, the United Federation of Planets is at the dawn of a new era. Starfleet is renewing its mission of peaceful exploration, diplomacy, and the expansion of knowledge. Among the starships spearheading that endeavor is the USS Titan, commanded by Captain William T. Riker and manned by the most biologically varied and culturally diverse crew in Starfleet history. But their mission does not begin according to plan. In the wake of Star Trek: Nemesis, Praetor Shinzon, slayer of the Romulan Senate, is dead. The power vacuum created by his demise has put the Romulan Star Empire, longtime adversary of the Federation, at the brink of

civil war. Competing factions now vie for control of their fragmenting civilization, and if the empire should fall, that entire area of the galaxy may destabilize. To restore order to the region, Titan's long-anticipated mission of exploration is delayed as Starfleet assigns Riker to set up power-sharing talks among the Romulan factions. But even as the first tentative steps are taken toward building a new Romulus, the remnants of the Tal Shiar, the dreaded Romulan intelligence service, are regrouping behind the scenes for a power play of their own. With no other help available, Riker and the Titan crew become the last hope to prevent the quadrant from falling into chaos.

The Death of Expertise Tom Nichols 2017-02-01 Technology and increasing levels of education have exposed people to more information than ever before. These societal gains, however, have also helped fuel a surge in narcissistic and misguided intellectual egalitarianism that has crippled informed debates on any number of issues. Today, everyone knows everything: with only a quick trip through WebMD or Wikipedia, average citizens believe themselves to be on an equal intellectual footing with doctors and diplomats. All voices, even the most ridiculous, demand to be taken with equal seriousness, and any claim to the contrary is dismissed as undemocratic elitism. Tom Nichols' *The Death of Expertise* shows how this rejection of experts has occurred: the openness of the internet, the emergence of a customer satisfaction model in higher education, and the transformation of the news industry into a 24-hour entertainment machine, among other reasons. Paradoxically, the increasingly democratic dissemination of information, rather than producing an educated public, has instead created an army of ill-informed and angry citizens who denounce intellectual achievement. When ordinary citizens believe that no one knows more than anyone else, democratic institutions themselves are in danger of falling either to populism or to technocracy or, in the worst case, a combination of both. An update to the 2017 breakout hit, the paperback edition of *The Death of Expertise* provides a new foreword to cover the alarming exacerbation of these trends in the aftermath of Donald Trump's election. Judging from events on the ground since it first published, *The Death of Expertise* issues a warning about the stability and survival of modern democracy in the Information Age that is even more important today.

No Time Like the Past Greg Cox 2014-02-25 An original novel set in the universe of Star Trek: The Original Series that reveals long-held secrets about Captain Kirk's past for the first time! STARDATE 6122.5. A diplomatic mission to the planet Yusub erupts in violence when ruthless Orion raiders attempt to disrupt the crucial negotiations by force. Caught in the midst of a tense and dangerous situation, Captain James T. Kirk of the U.S.S. Enterprise finds an unexpected ally in the form of an enigmatic stranger who calls herself "Annika Seven." STARDATE 53786.1. Seven of Nine is taking part in an archaeological expedition on an obscure planetoid in the Delta Quadrant when a disastrous turn of events puts Voyager's away team in jeopardy—and transports Seven across time and space to Yusub, where she comes face-to-face with one of Starfleet's greatest legends. STARDATE 6122.5. Kirk knows better than most the danger that even a single castaway from the future can pose to the time line, so he and Seven embark on a hazardous quest to return her to her own era. But there are others who crave the knowledge Seven possesses, and they will stop at nothing to obtain it—even if this means seizing control of the Enterprise!

Star Trek: DTI: Forgotten History Christopher L. Bennett 2012-04-24 In a universe where history as we know it could be wiped out at any moment, only the most disciplined, obsessive, and unimaginative government employees have what it takes to face the existential uncertainty of it all: Lucsly and Dulmur with the Federation Department of Temporal Investigations. Original.

Rise of the Federation: Tower of Babel Christopher L. Bennett 2014-03-25 An original novel set in the universe of Star Trek: Enterprise! The United Federation of Planets has weathered its first major crisis, but its growing pains are just beginning. Admiral Jonathan Archer hopes to bring the diverse inhabitants of the powerful and prosperous Rigel system into the Federation, jump-starting the young nation's growth and stabilizing a key sector of space. Archer and the Federation's top diplomats journey to the planetoid Babel to debate Rigel's admission . . . but a looming presidential race heats up the ideological divide within the young nation, jeopardizing the talks and threatening to undo the fragile unity Archer has worked so hard to preserve. Meanwhile, the sinister Orion Syndicate recruits new allies of its own, seeking to beat the Federation at its own game. Determined to keep Rigel out of the union, they help a hostile Rigelian faction capture sensitive state secrets along with Starfleet hostages, including a young officer with a vital destiny. Captain Malcolm Reed, Captain T'Pol, and their courageous crews must now brave the wonders and dangers of Rigel's many worlds to track down the captives before the system is plunged into all-out war.

Lost Enlightenment S. Frederick Starr 2015-06-02 The forgotten story of Central Asia's enlightenment—its rise, fall, and enduring legacy In this sweeping and richly illustrated history, S. Frederick Starr tells the fascinating but largely unknown story of Central Asia's medieval enlightenment through the eventful lives and astonishing accomplishments of its greatest minds—remarkable figures who built a bridge to the modern world. Because nearly all of these figures wrote in Arabic, they were long assumed to have been Arabs. In fact, they were from Central Asia—drawn from the Persianate and Turkic peoples of a region that today extends from Kazakhstan southward through Afghanistan, and from the easternmost province of Iran through Xinjiang, China. *Lost Enlightenment* recounts how, between the years 800 and 1200, Central Asia led the world in trade and economic development, the size and sophistication of its cities, the refinement of its arts, and, above all, in the advancement of knowledge in many fields. Central Asians achieved signal breakthroughs in astronomy, mathematics, geology, medicine, chemistry, music, social science, philosophy, and theology, among other subjects. They gave algebra its name, calculated the earth's diameter with unprecedented precision, wrote the books that later defined European medicine, and penned some of the world's greatest poetry. One scholar, working in Afghanistan, even predicted the existence of North and South America—five centuries before Columbus. Rarely in history has a more impressive group of polymaths appeared at one place and time. No wonder that their writings influenced European culture from the time of St. Thomas Aquinas down to the scientific revolution, and had a similarly deep impact in India and much of Asia. *Lost Enlightenment* chronicles this forgotten age of achievement, seeks to explain its rise, and explores the competing theories about the cause of its eventual demise. Informed by the latest scholarship yet written in a lively and accessible style, this is a book that will surprise general readers and specialists alike.

That Which Divides Dayton Ward 2012-02-28 An original novel set in the universe of Star Trek: The Original Series! The Xondaii system—located in an area of non-aligned space near Federation and Romulan territory—is home to a unique stellar phenomenon: a spatial rift which opens every 2.7 Earth years, remains open for a period of approximately twenty-one Earth days, and allows access to a small planetoid that orbits in proximity to the system's fourth planet. During this brief window, the people of Xondaii undertake a massive interplanetary operation: mineral ore is ferried from the mining operation while supplies, crew replacements, and so on are transported from the planet. Also, communications with the mining colony on the planetoid are possible only when the rift is open. Science vessel U.S.S. Robert Ballard is severely damaged during its mission to the system, and the U.S.S. Enterprise is dispatched to investigate and render assistance. But Kirk, Spock, and Sulu also collect the data about the rift, and the evidence they've gathered regarding its artificial nature is compelling. How has this not been discovered by anyone from Xondaii, especially when considering the extensive mining operations that have been in place for decades? And what can prevent enemies of the Federation from exploiting this newfound power?

Star Trek: Titan #5: Over a Torrent Sea Christopher L. Bennett 2009-02-24 As the Federation recovers from the devastating events of Star Trek: Destiny, Captain William Riker and the crew of the U.S.S. Titan are ordered to resume their deep-space assignment, reaffirming Starfleet's core principles of peaceful exploration. But even far from home on a mission of hope, the scars of the recent cataclysm remain with them as they slowly rebuild their lives. The planet Droplet is a world made mostly of water without a speck of solid ground. Life should not exist here, yet it thrives. Aili Lavena, Titan's aquatic navigator, spearheads the exploration of this mysterious world, facing the dangers of the vast, wild ocean. When one native species proves to be sentient, Lavena finds herself immersed in a delicate contact situation, and Riker is called away from Deanna Troi at a critical moment in their marriage. But when good intentions bring calamity, Lavena and Riker are cut off from the crew and feared lost. Troi must face a life-changing event without her husband, while the crew must brave the crushing pressures of the deep to undo the global chaos they have triggered. Stranded with her injured captain, Lavena must win the trust of the beings who control their fate -- but the price for Riker's survival may be the loss of everything he holds dear.

The Captain's Oath Christopher L. Bennett 2019-05-28 An all-new Star Trek adventure set during The Original Series era and featuring James T.

Kirk! The saga of James T. Kirk's historic command of the U.S.S. Enterprise is known throughout the galaxy. But one part of the legend has barely been touched upon until now: the story of Kirk's first starship command and the remarkable achievements by which Starfleet's youngest captain earned the right to succeed Christopher Pike as the commander of the famous Enterprise. From his early battles with the Klingons to the rescue of endangered civilizations, Kirk grapples with difficult questions: Is he a warrior or a peacemaker? Should he obey regulations or trust his instincts? This thrilling novel illustrates the events and choices that would shape James T. Kirk into one of the most renowned captains in Starfleet history. *Star Trek: Coda: Book 3: Oblivion's Gate* David Mack 2021-11-30 The crews of Jean-Luc Picard, Benjamin Sisko, Ezri Dax, and William Riker unite to prevent a cosmic-level apocalypse—only to find that some fates really are inevitable. THEIR MOST DAUNTING MISSION WILL BE THEIR FINEST HOUR. The epic Star Trek: Coda trilogy comes to a shattering conclusion as the Temporal Apocalypse forces Starfleet's greatest heroes to make the greatest sacrifices of their lives. ™, ®, & © 2021 CBS Studios, Inc. Ex Machina Christopher L. Bennett 2012-07-17 Following the events of Star Trek: The Motion Picture the captain and crew of the USS Enterprise found themselves haunted by their extraordinary encounter with the vast artificial intelligence of V'Ger, and by the sacrifice and ascension of their friend and shipmate, Willard Decker. As James T. Kirk, Spock and Leonard McCoy attempt to cope with the personal fallout of their ordeal, a chapter from their mutual past is reopened, raising troubling new questions about the relationship of God, man and A.I. On the recently settled world of Daran IV, the former refugees of the Fabrini worldship Yonada are divided by conflicting ideologies, some clinging to their theocratic past while others envision a future governed by reason alone. Years ago the officers of the Enterprise helped overthrow the Oracle, the machine-god that controlled Yonada. Now confronting the consequences of those actions, together with echoes of their strange encounter with V'Ger, Kirk, Spock and McCoy face choices which will decide the fate of a civilization - and which may change them forever.

Star Trek: Corps of Engineers: Aftermath Christopher L. Bennett 2003-07-15 The U.S.S. da Vinci is at last ready to resume its mission after the catastrophic events of Wildfire -- but before the ship can even leave Spacedock, a mysterious alien vessel appears out of nowhere in San Francisco. With the aid of Captain Montgomery Scott and former Starship Enterprise™ and Deep Space Nine™ engineer Miles O'Brien, the S.C.E. must investigate the alien vessel and learn if this is an attack, a first contact -- or something worse.... What they find may land the Federation in the midst of an interdimensional war, as Commander Sonya Gomez works with Starfleet legends from two generations to untie the secrets of the alien ship before it's too late!

Star Trek: The Darkness Drops Again Christopher L. Bennett 2007-02-01 Mere Anarchy A new six-part epic covering thirty years of Star Trek ® history, continuing with an adventure that takes place between The Motion Picture and The Wrath of Khan ! Book 4: The Darkness Drops Again The rebuilding of Mestiko is starting to make progress: the atmosphere is partially restored and Federation scientists are introducing new methods of replenishing the planet's biosphere. But their efforts are being stymied by the growing power of the mar-Attya, who shun all offworlders. The arrival of the Starship Enterprise under the command of James T. Kirk proves less than fortuitous, as the ship becomes a flashpoint for all of Mestiko's troubles. Now Raya elMora, the leader of the planetary council, finds herself facing exile -- which could spell doom for Mestiko....

Typhon Pact: The Struggle Within Christopher L. Bennett 2011-10-04 An original eBook novella set in the acclaimed Typhon Pact series! An original e-novella in the acclaimed Typhon Pact series! The Enterprise-E is on a diplomatic mission to the Talarian Republic, the last holdout in the Federation's efforts to expand the Khitomer Accords in response to the emergence of the Typhon Pact. In the wake of Andor's recent secession, the Federation is more concerned than ever with strengthening its alliances. The Talarians have been a tenuous potential partner at best, given the history of conflict and mistrust between them and the Federation. But the negotiations between Picard and the Talarians are disrupted by a growing public protest of those who are demanding greater rights—and before long, it becomes clear that the dissidents are not limiting themselves to nonviolent means....

Living Memory Christopher L. Bennett 2021-06-15 An all-new Star Trek movie-era adventure! While attempting to settle in as commandant of Starfleet Academy, Admiral James T. Kirk must suddenly contend with the controversial, turbulent integration of an alien warrior caste into the student body—and quickly becomes embroiled in conflict when the Academy controversy escalates to murder. Meanwhile, Captain Spock of the USS Enterprise and Commander Pavel Chekov of the USS Reliant are investigating a series of powerful cosmic storms seemingly targeting Federation worlds—unstoppable outbursts emitting from the very fabric of space. Endeavoring to predict where the lethal storms will strike next, Spock and Chekov make the shocking discovery that the answer lies in Commander Nyota Uhura's past—one that she no longer remembers.... ™, ®, & © 2021 CBS Studios, Inc. Star Trek: Titan #3: Orion's Hounds Christopher L. Bennett 2006-01-01 As the U.S.S. Titan ventures beyond the outermost reaches of known space, the telepaths in her crew -- including Diplomatic Officer Deanna Troi -- are overwhelmed by an alien cryof distress, leading the ship to the scene of a shocking act of carnage: a civilization of interstellar "whalers" preying upon and exploiting a familiar species of sentient spaceborne giants. Appalled but reluctant to rush to judgment, Captain William Riker and his crew investigate, discovering a cosmic spawning ground in a region of active star formation -- the ecosystem for a bewildering array of diverse but similarly vast life-forms. While attempting to negotiate an end to the victimization of these creatures, Riker's crew inadvertently grants them the means to defeat their hunters' purpose...only to learn that things are not exactly as they seem.

The History Manifesto Jo Guldi 2014-10-02 How should historians speak truth to power - and why does it matter? Why is five hundred years better than five months or five years as a planning horizon? And why is history - especially long-term history - so essential to understanding the multiple pasts which gave rise to our conflicted present? The History Manifesto is a call to arms to historians and everyone interested in the role of history in contemporary society. Leading historians Jo Guldi and David Armitage identify a recent shift back to longer-term narratives, following many decades of increasing specialisation, which they argue is vital for the future of historical scholarship and how it is communicated. This provocative and thoughtful book makes an important intervention in the debate about the role of history and the humanities in a digital age. It will provoke discussion among policymakers, activists and entrepreneurs as well as ordinary listeners, viewers, readers, students and teachers. This title is also available as Open Access.

The Face of the Unknown Christopher L. Bennett 2016-12-27 Continuing the milestone 50th anniversary celebration of Star Trek—a brand-new novel of The Original Series featuring James T. Kirk, Spock, and the crew of the USS Enterprise! Investigating a series of violent raids by a mysterious predatory species, Captain James T. Kirk discovers that these events share a startling connection with the First Federation, a friendly but secretive civilization contacted early in the USS Enterprise's five-year mission. Traveling to the First Federation in search of answers, the Enterprise suddenly comes under attack from these strange marauders. Seeking refuge, the starship finds its way to the true home of the First Federation, an astonishing collection of worlds hidden from the galaxy beyond. The inhabitants of this isolated realm are wary of outsiders, and some accuse Kirk and his crew for bringing the wrath of their ancient enemy down upon them. When an attempt to stave off disaster goes tragically wrong, Kirk is held fully accountable, and Commander Spock learns there are even deeper forces that threaten this civilization. If Kirk and Spock cannot convince the First Federation's leaders to overcome their fears, the resulting catastrophe could doom them all!

Star Trek: Mere Anarchy Margaret Wander Bonanno 2009-03-17 Mestiko: a world on the brink of interstellar travel -- and one that is closely and discreetly monitored by the Federation. But when a rogue pulsar sweeps through the star system, threatening to destroy all life on their planet, Starfleet must mount a desperate effort to protect the planet from annihilation. Under the command of James T. Kirk, the Starship Enterprise™ is able to mitigate some of the damage -- but the world's surface is still devastated with appalling loss of life. Over the next three decades, the Enterprise and its crew revisit Mestiko -- whether to keep them from falling prey to the machinations of the Klingon Empire or to deliver a new method of replenishing the planet's ozone -- through trials and tribulations, hardship and strife, love and death. Originally published as six eBooks, Mere Anarchy is the saga of one crew's career-long relationship to one world, and the ties that bound them inextricably together.

Rise of the Federation: Live by the Code Christopher L. Bennett 2016-03-29 The “fifth season” saga of the Star Trek: Enterprise TV series continues with this action-packed original novel! Admiral Jonathan Archer has barely settled in as Starfleet Chief of Staff when new crises demand his attention. The Starfleet task force commanded by Captain Malcolm Reed continues its fight against the deadly Ware technology, but one of the task force ships is captured, its Andorian crew imprisoned by an interstellar Partnership that depends on the Ware for its prosperity. Worse, the Partnership has allied with a renegade Klingon faction, providing it with Ware drone fleets to mount an insurrection against the Klingon Empire. Archer sends Captain T’Pol and Endeavour to assist Reed in his efforts to free the captured officers. But he must also keep his eye on the Klingon border, for factions within the Empire blame Starfleet for provoking the Ware threat and seek to take revenge. Even the skill and dedication of the captains under Archer’s command may not be enough to prevent the outbreak of the Federation’s first war! ™, ®, & © 2016 CBS Studios, Inc. From History’s Shadow Dayton Ward 2013-07-30 An original novel set in the universe of Star Trek: The Original Series! 2268: Following the encounter with the mysterious Gary Seven in the twentieth century, the crew of the U.S.S. Enterprise is startled by two intruders who have transported through space and time from Earth circa 1968. Incredibly, one of the infiltrators is a Vulcan, who asserts that he’s lived among Earth’s population for over a decade. The other represents a little-known race, and reveals to Captain James T. Kirk that she has spent that last twenty years working to bring about humanity’s destruction. It is then that Gary Seven’s young protégé, Roberta Lincoln, arrives seeking Kirk’s help... 1947: In the wake of the infamous “Roswell Incident” involving a crashed alien craft and beings from another world, Captain James Wainwright finds himself recruited as one of the first members of Majestic 12, a secret organization with two goals: Collect evidence of extraterrestrial activity on Earth, and develop strategies to combat alien invaders. And it is this very mission that will consume Wainwright’s life for the next two decades, driven by the knowledge that the danger is as real as the aliens living among us... ™, ®, & © 2013 CBS Studios, Inc. The Alloy of Law Brandon Sanderson 2012-10-30 From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. Three hundred years after the events of the Mistborn trilogy, Scadrial is now on the verge of modernity, with railroads to supplement the canals, electric lighting in the streets and the homes of the wealthy, and the first steel-framed skyscrapers racing for the clouds. Kelsier, Vin, Elend, Sazed, Spook, and the rest are now part of history--or religion. Yet even as science and technology are reaching new heights, the old magics of Allomancy and Feruchemy continue to play a role in this reborn world. Out in the frontier lands known as the Roughts, they are crucial tools for the brave men and women attempting to establish order and justice. One such is Waxillium Ladrian, a rare Twinborn, who can Push on metals with his Allomancy and use Feruchemy to become lighter or heavier at will. After twenty years in the Roughts, Wax has been forced by family tragedy to return to the metropolis of Elendel. Now he must reluctantly put away his guns and assume the duties and dignity incumbent upon the head of a noble house. Or so he thinks, until he learns the hard way that the mansions and elegant tree-lined streets of the city can be even more dangerous than the dusty plains of the Roughts. Department of Temporal Investigations: Forgotten History Christopher L. Bennett 2012-04-24 The agents of the Department of Temporal Investigations are assigned to look into an anomaly that has appeared deep in Federation territory. It’s difficult to get clear readings, but a mysterious inactive vessel lies at the heart of the anomaly, one outfitted with some sort of temporal drive disrupting space-time and subspace. To the agents’ shock, the ship bears a striking resemblance to a Constitution-class starship, and its warp signature matches that of the original Federation starship Enterprise NCC-1701—the ship of James T. Kirk, that infamous bogeyman of temporal investigators, whose record of violations is held up by DTI agents as a cautionary tale for Starfleet recklessness toward history. But the vessel’s hull markings identify it as Timeship Two, belonging to none other than the DTI itself. At first, Agents Lucsly and Dulmur assume the ship is from some other timeline . . . but its quantum signature confirms that it came from their own past, despite the fact that the DTI never possessed such a timeship. While the anomaly is closely monitored, Lucsly and Dulmur must search for answers in the history of Kirk’s Enterprise and its many encounters with time travel—a series of events with direct ties to the origins of the DTI itself. . . .

Star Trek: Myriad Universes #1: Infinity’s Prism Christopher L. Bennett 2008-07-22 It’s been said that for any event, there are an infinite number of possible outcomes. Our choices determine which outcome will follow, and therefore all possibilities that could happen do happen across countless alternate realities. In these divergent realms, known history is bent, like white light through a prism -- broken into a boundless spectrum of what-might-have-beens. But in those myriad universes, what might have been...is what actually happened. A Less Perfect Union: More than a hundred years after the Terra Prime movement achieved its dream of an isolationist Earth, humanity is once again at a fork in the river of history...and the path it follows may ultimately be determined by the voice of a single individual: the sole surviving crewmember of the first Starship Enterprise.™ Places of Exile: Midway through Voyager’s journey across the galaxy, Captain Kathryn Janeway and Commander Chakotay must choose whether to brave a deadly war zone or abandon their quest for home. But an attack by Species 8472 cripples the ship, and the stranded crew must make new choices that will reshape their destinies...and that of the Delta Quadrant itself. Seeds of Dissent: Khan victorious! Almost four centuries after conquering their world, genetically enhanced humans dominate a ruthless interstellar empire. But the warship Defiance, under its augmented commander, Princeps Julian Bashir, makes a discovery that could shake the pillars of his proud civilization: an ancient sleeper ship from Earth named the Botany Bay.

The Higher Frontier Christopher L. Bennett 2020-03-10 An all-new Star Trek movie-era adventure featuring James T. Kirk! Investigating the massacre of a telepathic minority, Captain James T. Kirk and the crew of the U.S.S. Enterprise confront a terrifying new threat: faceless, armored hunters whose extradimensional technology makes them seemingly unstoppable. Kirk must team with the powerful telepath Miranda Jones and the enigmatic Medusans to take on these merciless killers in an epic battle that will reveal the true faces of both enemy and ally!

Democracy and Education John Dewey 1916 In this book, Dewey tries to criticize and expand on the educational philosophies of Rousseau and Plato. Dewey’s ideas were seldom adopted in America’s public schools, although a number of his prescriptions have been continually advocated by those who have had to teach in them.

Department of Temporal Investigations: The Collectors Christopher L. Bennett 2014-12-08 An all-new Star Trek e-novella featuring the Department of Temporal Investigations! The dedicated agents of the Federation Department of Temporal Investigations have their work cut out for them protecting the course of history from the dangers of time travel. But the galaxy is littered with artifacts that, in the wrong hands, could threaten

reality. One of the DTI's most crucial jobs is to track down these objects and lock them safely away in the Federation's most secret and secure facility. When Agents Lucsly and Dulmur bring home an alien obelisk of incredible power, they are challenged by a 31st-century temporal agent who insists they surrender the mysterious artifact to her. But before they know it, the three agents are pulled into a corrupted future torn apart by a violent temporal war. While their DTI colleagues attempt to track them down, Lucsly and Dulmur must restore temporal peace by setting off on an epic journey through the ages, with the future of the galaxy hanging in the balance...

Rise of the Federation: Patterns of Interference Christopher L. Bennett 2017-08-29 "Based upon Star Trek created by Gene Roddenberry and Star Trek: Enterprise created by Rick Berman & Brannon Braga."

The Rings of Time Greg Cox 2012-01-31 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Star Trek: The Original Series: The Continuing Missions, Volume I Greg Cox 2013-01-29 Three original novels set in the universe of Star Trek: The Original Series! This ebook bundle includes: *The Rings of Time* *That Which Divides* *Department of Temporal Investigations: Forgotten History*

Rise of the Federation: Uncertain Logic Christopher L. Bennett 2015-03-24 An original novel continuing the saga of the TV series Star Trek: Enterprise—featuring Captain Jonathan Archer and the crew of the Enterprise! Years ago, Jonathan Archer and T'Pol helped unearth the true writings of Vulcan's great philosopher Surak, bringing forth a new era of peaceful reform on Vulcan. But when their discovery is seemingly proven to be a fraud, the scandal threatens to undo a decade of progress and return power to the old, warlike regime. Admiral Archer, Captain T'Pol, and the crew of the U.S.S. Endeavour investigate with help from their Vulcan allies, but none of them suspect the identity of the real mastermind behind the conspiracy to reconquer Vulcan—or the price they will have to pay to discover the truth. Meanwhile, when a long-forgotten technological threat re-emerges beyond the Federation's borders, Captain Malcolm Reed of the U.S.S. Pioneer attempts to track down its origins with help from his old friend "Trip" Tucker. But they discover that other civilizations are eager to exploit this dangerous power for their own benefit, even if the Federation must pay the price! ™, ®, & © 2015 CBS Studios, Inc.
