A Rush of Wings Laura E. Weymouth 2021-11-16 For fans of *Serpent & Dove* and *A House of Salt and Sorrows* comes a “transportive and beautiful” (Chloe Gong, *New York Times* bestselling author of *These Violent Delights*) romantic fantasy about an untrained witch who must unlock her power to free her brothers from a terrible curse and save her home. Rowenna Winthrop has always known there’s magic within her. But though she hears voices on the wind and possesses unusual talents, her mother Mairead believes Rowenna lacks discipline, and refuses to teach her the craft that keeps their Scottish village safe. And when Mairead dies a sinister death, it seems Rowenna’s only chance to grow into her power has died with her. Then, on a fateful, storm-tossed night, Rowenna rescues a handsome stranger named Gawen from a shipwreck, and her mother miraculously returns from the dead. Or so it appears. The resurrected Mairead is nothing like the old one. To hide her new monstrous nature, she turns Rowenna’s brothers and Gawen into swans and robs Rowenna of her voice. Forced to flee, Rowenna travels to the city of Inverness to find a way to break the curse. But monsters take many forms, and in Inverness, Rowenna is soon caught in a web of strangers who want to use her raw magic for their own gain. If she wishes to save herself and the people she loves most, Rowenna will have to take her fate into her own hands and unlock the power that has evaded her for so long.

For starters, he works in a library, is in love with Miriam, his hot nerdy human boss who has no clue what he is, and he looks like a college student. In reality, Michael is an ancient deadly vampire, an ex-assassin, and is currently the de facto king of his kind ever since their ruling party disappeared. To where? He doesn’t know, but if he wants his life back, he’ll have to find out. (Mystery!) Especially because a civil war is brewing, and being king makes his librarian a mark for his enemies. She is, after all, his biggest weakness. With a global uprising about to explode, Michael must give her the protection of his army. Only one problem: She must become his queen first. But every attempt he makes to tell her the truth is met with extreme hostility. “Vampires aren’t real. That’s crazy talk, Michael!” Clearly, the topic frightens her. The Invisible Library Genevieve Cogman 2016-06-14 Collecting books can be a dangerous prospect in this fun, time-traveling, fantasy adventure—the first in the *Invisible Library* series! One thing any Librarian will tell you: the truth is much stranger than fiction... Irene is a professional spy for the mysterious Library, a shadowy organization that collects important works of fiction from all of the different realities. Most recently, she and her enigmatic assistant Kai have been sent to an alternative London. Their mission: Retrieve a particularly dangerous book. The problem: By the time they arrive, it's already been stolen. London's underground factions are prepared to fight to the death to find the tome before Irene and Kai do, a problem compounded by the fact that this world is chaos-infested—the laws of nature bent to allow supernatural creatures and unpredictable magic to run rampant. To make matters worse, Kai is hiding something—secrets that could be just as volatile as the chaos-filled world itself. Now Irene is caught in a puzzling web of deadly danger, conflicting clues, and sinister secret societies. And failure is not an option—because it isn’t just Irene’s reputation at stake, it’s the nature of reality itself... **FEATURING BONUS MATERIAL:** including an interview with the author, a legend from the Library, and more!

In the Valley of the Sun Andy Davidson 2017-06-06 A finalist for the 2017 Bram Stoker Award for Superior Achievement in a First Novel. Deftly written and utterly addictive, this Western literary horror debut will find a home with fans of authors like Joe Hill, Cormac McCarthy, and Anne Rice. One night in 1980, a man becomes a monster. Haunted by his past, Travis Stillwell spends his nights searching out women in West Texas honky-tonks. What he does with them doesn’t make him proud, just quiets the demons for a little while. But after Travis crosses paths one night with a mysterious pale-skinned girl, he wakes weak and bloodied in his cabover camper the next morning—with no sign of a girl, no memory of the night before. Annabelle Gaskin spies the camper parked behind her motel and offers the cowboy a few odd jobs to pay his board. Travis takes her up on the offer, if only to buy time, to lay low and heal. By day, he mends the old motel, insinuating himself into the lives of Annabelle and her ten-year-old son. By night, in the cave of his camper, he fights an unspeakable hunger. Before long, Annabelle and her boy come to realize that this strange cowboy is not what he seems. Half a state away, a grizzled Texas Ranger is hunting Travis for his past misdeeds, but what he finds will lead him to a revelation far more monstrous. A man of the law, he’ll have to decide how far into the darkness he’ll go for the sake of justice. When these lives converge on a dusty autumn night, an old evil will find new life—and new blood.

The Fifth House of the Heart Ben Tripp 2015-07-28 Filled with characters as menacing as they are memorable, this chilling twist on vampire fiction packs a punch in the bestselling tradition of 'Salem's Lot by Stephen King. Asmodeus "Sax" Saxon-Tang, a vainglorious and well-established antiques dealer, has made a fortune over many years by globetrotting for the finest lost objects in the world. Only Sax knows the true secret to his success: at certain points of his life, he's killed vampires for their priceless hoards of treasure. But now Sax's past actions are quite literally coming back to haunt him, and the lives of those he holds most dear are in mortal danger. To counter this unnatural threat, and with the blessing of the Holy Roman Church, a cowardly but cunning Sax must travel across Europe in pursuit of incalculable evil—and immeasurable wealth—with a ragtag team of mercenaries and vampire killers to hunt a terrifying, ageless monster...one who is hunting Sax in turn. From author Ben Tripp, whose first horror novel *Rise Again* "raises the stakes so high that the book becomes nearly impossible to put down" (Cory Doctorow, author of *Little Brother*), *The Fifth House of the Heart* is a powerful story that will haunt you long after its final pages.

Murder Among Friends Candace Fleming 2022-03-29 How did two teenagers brutally murder an innocent child...and why? And how did their brilliant lawyer save them from the death penalty in 1920s Chicago? Written by a prolific master of narrative nonfiction, this is a compulsively readable true-crime story based on an event dubbed the "crime of the century." In 1924, eighteen-year-old college students Nathan Leopold and Richard Loeb made a decision: they would commit the perfect crime by kidnapping and murdering a child they both knew. But they made one crucial error: as they were disposing of the body of young Bobby Franks, whom they had bludgeoned to death, Nathan's eyeglasses fell from his jacket pocket. Multi-award-winning author Candace Fleming depicts every twist and turn of this harrowing case--how two wealthy, brilliant young men planned and committed what became known as the crime of the century, how they were caught, why they confessed, and how the renowned criminal defense attorney Clarence Darrow enabled them to avoid the death penalty. Following on the success of such books as *The Rise and Fall of Charles Lindbergh* and *The Family Romanov*, this acclaimed nonfiction writer brings to heart-stopping life one of the most notorious crimes in our country's history.

The Image of Librarians in Cinema, 1917-1999 Ray Tevis 2005-01-31 From its earliest days to the present, the onscreen image of the librarian has remained largely the same. A silent 1921 film set the precedent for two female librarian characters: a dowdy spinster wears glasses and a bun hairstyle, and an attractive young woman is overworked and underpaid. Silent films, however, employed a variety of characteristics for librarians, showed them at work on many different tasks, and featured them in a range of dramatic, romantic, and comedic situations. The sound era (during which librarians appeared in more than 200 films) frequently exaggerated these characteristics and situations, strongly influencing the general image of librarians. This chronologically arranged work analyzes the stereotypical image of librarians, male and female, in primarily American and British motion pictures from the silent era to the 21st century. The work briefly describes each film, offering some critical commentary, and then examines its librarian, considering every aspect of the total character from socio-economic conditions and motivations for leaving or not leaving the library, to personal attributes (such as clothing, hair, and age) and entanglements with the opposite sex, to commonly used props, plot situations and lines ("Shush!"). The work comments on whether librarians and library work are depicted accurately and analyzes the development of the public's image of a librarian. The accompanying filmography lists librarian characters and notes stereotypes such as buns and eyeglasses. With bibliography and index.
