Gardeners' Chronicle 1913

Searching for Spring Christine Hoover 2018-03-06 The Bible says that God makes all things beautiful in their time, but when we look around today we see a broken and marred world. Our reality is so often the "not beautiful" that it's hard to trust that God can make our mess into something good. So how do we live with hope for a future redemption of all things? In *Searching for Spring*, Christine Hoover takes readers on a treasure hunt for beauty in both familiar and unexpected places. Framed by the changing seasons, this journey will heighten readers' senses and awaken their affections for the creator of it all. For all who are in the midst of suffering, who find their faith withering, who are questioning whether God is at work--or even present--as they wait for something in their lives to become beautiful, this book will be a welcome reminder that God never stops his redemptive work and that there is a time for everything under heaven.

His Familiar Voice Dale R. Minor 2022-08-01 The idea that a flesh and blood person can have a conversation with God who is Spirit can present a variety of misconceptions as well as a whole lot of doubt. While believers are taught to communicate with God through prayer, the fact is that some folks can go a lifetime thinking of prayer as a one-sided conversation. His Familiar Voice provides testimony of God's ongoing conversation with us as we become more and more aware of who He is and how He works in our lives. The realization that God communicates with us in all situations using all our senses can open up avenues to a deeper relationship with the Lord and an enhanced awareness of who we are as children of God. By developing a pattern of ongoing conversation with the Lord, we learn to recognize His voice and find it ready comfort and trusted guidance in every situation.
