

I Partiti Etnoregionalisti La Politica Dell'identit Territoriale In Europa Occidentale

The Emergence of a Democratic Right to Self-

determination in Europe Daniel Turp 2016 This book endeavours to study the right to self-determination of peoples -- a fundamental collective right. More than ever before, it is the subject of heated debate. The Scottish referendum on September 18th, 2014, and the Catalan plebiscitary election on September 27th, 2015, exemplify the exercise of this right. Yet, the United Kingdom and Spain had two very different ways of dealing with the claim of one of its nations to freely decide their political status. The first has recognized the right to choose for Scots and the second has been attempting to thwart such a right for the Catalans. This book goes beyond Catalonia and Scotland and presents the cases of 22 nations, which claim a right to self-determination. These case studies show a clear evolution towards a democratic right to self-determination, but they also reveal a resistance in some countries to the idea that peoples should be able to determine their path towards autonomy or greater autonomy, or to independence and with ties to the European Union.

Regionalist Parties in Western Europe OSCAR MAZZOLENI

2016-08-25 Regionalist parties matter. Over the past 40 years, they have played an ever-larger role in West European democracies. Because of their relevance and temporal persistence, their achievements have increasingly become visible

not only in electoral arena, but also as regards holding office and policy-making. Enhancing our understanding of these different dimensions of success, this book analyses various types of regionalist party success. Beyond conventional perspectives, the focus of this book is also on how the dimensions of success are related to each other, and in particular to what extent electoral and office success – jointly or alternatively – contribute to policy success. Adopting a common theoretical framework and combining the in-depth knowledge of country experts, each chapter explores the evolution and impact of regionalist parties in regional or federal states, that is the UK, Germany, Italy, Spain, Belgium, and Switzerland. This allows for a comprehensive and comparative analysis of one of the main political challenges within West-European democracies.

Dalla periferia all'Europa Nicoletta Di Sotto 2009

Assessing the 2019 European Parliament Elections Sylvia Kritzinger 2020-04-13 Informed by and against the backdrop of the 2019 European Parliament (EP) elections, this innovative book provides a critical assessment of where Europe stands in terms of the quest to achieve democratic legitimacy. Since the 2014 EP elections, the European Union (EU) has experienced multiple crises, which arguably have undermined its legitimacy. The 2019 EP elections were hence seen as a crucial moment in the EU's attempts to show resilience and regain trust. Using political science and legal frames of analysis, *Assessing the 2019 European Parliament Elections* provides an understanding and assessment of the current politico-legal framework, and its impact on European elections. Furthermore, using original data, it provides a timely examination of public opinion issue priorities and voting behaviour at the 2019 EP elections in eight countries. Given the critical conjuncture that the 2019 EP elections represent, this volume provides a key contribution to understanding both the dynamics surrounding the elections, as well as voters' responses, and informs debates on European

politics, for example, second-order elections, democratic legitimacy and political representation. This book will be of key interest to scholars and students of EU politics, public administration, European studies, European law, and sociology, along with practitioners in politics, journalism, and policy analysis.

The Politics of Muslim Cultural Reform Adeeb Khalid

1999-01-01 Adeeb Khalid offers the first extended examination of cultural debates in Central Asia during Russian rule. With the Russian conquest in the 1860s and 1870s the region came into contact with modernity. The Jadids, influential Muslim intellectuals, sought to safeguard the indigenous Islamic culture by adapting it to the modern state. Through education, literacy, use of the press and by maintaining close ties with Islamic intellectuals from the Ottoman empire to India, the Jadids established a place for their traditions not only within the changing culture of their own land but also within the larger modern Islamic world. Khalid uses previously untapped literary sources from Uzbek and Tajik as well as archival materials from Uzbekistan, Russia, Britain, and France to explore Russia's role as a colonial power and the politics of Islamic reform movements. He shows how Jadid efforts paralleled developments elsewhere in the world and at the same time provides a social history of the Jadid movement. By including a comparative study of Muslim societies, examining indigenous intellectual life under colonialism, and investigating how knowledge was disseminated in the early modern period, *The Politics of Muslim Cultural Reform* does much to remedy the dearth of scholarship on this important period. Interest in Central Asia is growing as a result of the breakup of the former Soviet Union, and Khalid's book will make an important contribution to current debates over political and cultural autonomy in the region.

Conflict Mobilisation or Problem-Solving? Lorenzo De Sio

2021-05-19 In the aftermath of disruptive electoral and political

developments such as the Brexit referendum and the election of Donald Trump, six important European countries went to the polls between 2017 and 2018. This book presents the results of the Issue Competition Comparative Project (ICCP), which analysed these six elections through a focus on post-ideological issue competition, leveraging a fresh theoretical perspective –and innovative data collection and analysis methods– emerging from issue yield theory. The contributors to this volume cast a new light on electoral developments that have affected Western Europe in recent years, pointing to the key distinction between problem solvers (parties and leaders that leverage their technocratic competence, and present a consensual, win-win view of contemporary transformations) and conflict mobilizers (that instead invest on the mobilization of conflict emerging from these transformations), as well as to the ability of some actors to mobilize voters across traditional ideological boundaries. In this light, parties commonly identified as "populist" simply emerge distinctively as cross-ideological conflict mobilizers; but mainstream parties appear vital and competitive as well, when they properly identify and leverage their issue advantages. Thus, the fate of democracy in Western Europe does not appear doomed to a triumph of populist appeals, but rather openly depending on the ability of political parties to leverage issue opportunities that emerge from societal demands and needs. The chapters in this book were originally published as a special issue of *West European Politics*.

Nación y nacionalismos en la España de las autonomías Varios autores 2018-09-01 Desde el Departamento de Historia Contemporánea de la UNED se organizó a finales de noviembre de 2016 el «Congreso internacional nación y nacionalismo en la España de las autonomías». Contando con la presencia de especialistas de ámbitos histórico, jurídico, sociológico y politológico, se realizó entonces un análisis del proceso de transformación de la España del último medio siglo y de la

trascendencia del modelo de organización territorial que supuso el desarrollo del Estado de las autonomías. Esta obra es la plasmación de las ponencias presentadas a dicho congreso, revisadas y organizadas en doce capítulos, bajo la coordinación de Isidro Sepúlveda Muñoz, profesor titular de Historia Contemporánea de la UNED. De la visión de España en el exilio republicano a la construcción de una nueva idea de España a la luz de la Constitución de 1978, pasando por la particular idea de España del franquismo, la obra analiza también la incidencia de lo que pudiéramos llamar el conglomerado nacionalista periférico (sus familias, organizaciones, partidos y carga ideológica): inicio y explosión final en octubre de 2017 del sentimiento independentista en Cataluña, nacimiento y penetración del terrorismo etarra en la sociedad vasca, actitud y estrategias de los principales partidos políticos españoles y valoración de la posibilidad de construir un concepto integrador de nación española, y de las amenazas a que dicho proyecto está expuesto en estos momentos.

Tra vecchio e nuovo regime Pietro Grilli Di Cortona 2011

Nationalisms in the European Arena Margarita Gómez-Reino

2017-11-21 This book explores how the multiplicity of nationalist parties across the European Union have embraced or refused the process of European integration and made it a platform for transnational coordination in the European arena. The author analyzes how opposing pro-European minority nationalist parties and Eurosceptic populist nationalist parties have diversely politicized European integration over the past three decades and engage in different patterns of Europeanization. Tracing their divergent trajectories of transnational coordination, the book examines the common challenges these opposing nationalist party families face and their systematic fragmentation in the European arena. The book offers a novel approach to understanding the conditions for the emergence of truly European nationalist party families, based on the interaction of ideological, strategic and

institutional variables that underpin the Europeanization of heterogeneous nationalisms. Nationalisms in the European Arena will be of interest to students and scholars across a range of disciplines including sociology and political science. It contributes to the increasing literature on identity politics in the European Union and reveals the mechanisms behind why the European arena is adverse to the political translation and organization of domestic nationalisms as distinctive European actors.

La rivoluzione perduta Marco Bresciani 2009

Rivista italiana di scienza politica 2011

The Right and the Nation Toni Morant i Ariño 2023-09-12 This book explores the influence of right-wing political cultures (including conservatism, political Catholicism, reactionary nationalism and fascism) on nation-building processes and the creation of national identities in modern times. The chapters extend the focus of analysis across the different cultures and movements of the Right, their broad geographical spread, as well as cultural factors. Adopting a transnational perspective, this volume highlights the significance of a series of processes - such as the growth of nationalist imaginaries and political cultures - that extended beyond national boundaries and were often articulated via cross-border dynamics. Special attention is paid to the political cultures and transnational networks of the Right in Europe and Latin America. Case studies including countries such as Spain, France, Italy, Portugal, Brazil and Argentina provide the reader with a broad overview of the circulation of right-wing and conservative thinking. Through an innovative approach, this volume offers scholars, students and the interested reader a valuable historical perspective to understand the development and expansion of right-wing nationalist and authoritarian positions.

The European Union Diplomatic Service Caterina Carta 2013-03
The book analyses the processes of institution and identity building of the European Union Diplomatic Service working on

matters of foreign policy and external economic relations, both in Brussels and in the Commission's Delegations across the world. The book examines what images high ranking officials in charge of the EU foreign policy hold of the EU's and of the Commission's role in international politics. The author explains how the EU diplomatic network came into being, how it is currently organised and what changes are likely to take place with the implementation of the Lisbon Treaty. Through an empirically grounded and theoretically informed approach, it analyses how their idea of Europe is enacted through the Commission's diplomatic practices. Carta demonstrates how processes of socialization can bring about different foreign policy priorities, role conceptions and identities. This book makes an important contribution to debates about the idea of Europe, the European Union and European foreign policy, as well as more generally to the analysis of how ideas, identities and self-images shape the daily practice of large institutional bodies in international politics. It will be of interest to students and scholars of European politics, foreign policy, international organizations, international relations and diplomacy.

Nazioni in cerca di stato Paolo Perri 2023-09-28T00:00:00+02:00
I successi riscossi recentemente dai movimenti indipendentisti dalla Scozia alle Fiandre, l'uscita del Regno Unito dall'Unione europea, il controverso referendum catalano del 2017 e la recrudescenza della violenza in Corsica e Irlanda del Nord sono alcuni degli eventi che hanno contribuito a riportare al centro del dibattito le rivendicazioni delle cosiddette nazioni senza stato dell'Europa occidentale. Uno scenario del tutto imprevisto, almeno secondo le più gettonate interpretazioni che vedevano come residuali le forme di politicizzazione delle identità nazionali e della frattura centro-periferia, alla luce del successo della globalizzazione economica e dei processi di integrazione comunitaria. Un dato interessante della mobilitazione nazionalista è sicuramente la grande differenziazione ideologica di questi

movimenti, che va del l'estrema sinistra all'estrema destra, passando per posizioni social-democratiche, cristiano-democratiche, liberali e conservatrici. Una differenziazione che sembrerebbe condizionarne le posizioni anche rispetto alla questione dell'autodeterminazione nazionale (autonomismo/indipendentismo), all'atteggiamento nei confronti dell'Unione europea (pro/controllo), all'idea di nazione (inclusiva/escludente) e alla stessa forma stato (federale, confederale, centralista). Ed è proprio la natura apparentemente camaleontica del nazionalismo politico l'oggetto di questa analisi storica di lungo periodo. Per ricostruire le dinamiche che hanno determinato la diversa evoluzione di obiettivi, strategie e orientamento ideologico di un insieme eterogeneo di organizzazioni politiche, Paolo Perri esamina l'interazione tra una serie di elementi socio-culturali e i diversi conflitti che hanno attraversato le società occidentali, mostrando in che modo questi movimenti si sono trasformati da forze marginali, spesso irrilevanti, in veri protagonisti della vita politica.

Storia del Ministero dell'interno Giovanna Tosatti 2009

Regionalism and Modern Europe Xosé M. Núñez Seixas

2018-12-13 Providing a valuable overview of regionalism throughout the entire continent, *Regionalism in Modern Europe* combines both geographical and thematic approaches to examine the origins and development of regional movements and identities in Europe from 1890 to the present. A wide range of internationally renowned scholars from the USA, the UK and mainland Europe are brought together here in one volume to examine the historical roots of the current regional movements, and to explain why some of them - Scotland, Catalonia and Flanders, among others - evolve into nationalist movements and even strive for independence, while others - Brittany, Bavaria - do not. They look at how regional identities - through regional folklore, language, crafts, dishes, beverages and tourist attractions - were constructed during the 20th century and

explore the relationship between national and subnational identities, as well as regional and local identities. The book also includes 7 images, 7 maps and useful end-of-chapter further reading lists. This is a crucial text for anyone keen to know more about the history of the topical - and at times controversial - subject of regionalism in modern Europe.

Meridiana 90: Fare politica Autori Vari

2018-03-20T00:00:00+01:00 Negli ultimi anni è stata da più parti sottolineata la necessità di un ritorno al territorio nello studio dei processi di aggregazione del consenso, con l'obiettivo di ridimensionare la consolidata narrazione - diffusa anche tra gli studiosi dei fenomeni politici - secondo cui i significativi cambiamenti degli ultimi decenni avrebbero contribuito a destituire la dimensione territoriale come unità di analisi rilevante per la comprensione dei mutamenti politici in atto. Nella prospettiva proposta in questo numero, il concetto di locale non è assunto esclusivamente in quanto spazio circoscritto di osservazione di dinamiche connesse al livello politico nazionale. L'attenzione è rivolta alle specifiche declinazioni territoriali di culture politiche che risentono necessariamente dell'ambiente circostante e di dinamiche solo in parte legate alla proposta politica ufficiale dei partiti. Si tratta di una prospettiva eminentemente antropologica, ma che ha caratterizzato lo studio localizzato dei fenomeni di politics anche nell'ambito di altre discipline. Simboli e discorsi che si producono nel contesto locale sono qui presi in considerazione, da un lato, in quanto elementi costitutivi delle identità politiche dei soggetti, dall'altro, come fattori che ne veicolano le azioni e le pratiche quotidiane. In questa prospettiva, studiare la dimensione locale significa cogliere il politico anche (soprattutto) al di fuori degli spazi ufficialmente deputati alla politica. D'altra parte, ciò consente di ripensare da nuove prospettive problemi classici degli studi politici (e della tradizione critica di «Meridiana»), quali il clientelismo e il patronage, il consenso e la dipendenza, le

subculture politiche e il populismo. La proposta di questo numero nasce dunque dalla convinzione che per comprendere le pratiche dei partiti politici, le loro modalità di ricerca del consenso e di radicamento, occorre chiamare in causa elementi culturali; vale a dire non soltanto le consapevoli strategie, le ideologie o le dottrine, ma anche le reti di significati e i contesti morali in cui i diversi attori sociali si muovono, cruciali per definire il senso dei loro interessi e delle loro motivazioni. Per accedere a questo sfondo talvolta inespresso dell'azione sociale occorre uno scavo etnografico capace di cogliere il livello più sottile delle pratiche quotidiane, quel non detto che sta alla base della costruzione sociale della realtà. Tutti i saggi presentati, sia di taglio etnografico che storiografico, cercano di comprendere lo specifico del politico nel quadro di retoriche sociali e di contesti morali più ampi. I contributi si soffermano per lo più sul territorio toscano e su alcune aree del Sud Italia, incontrando gli attivisti del Movimento 5 Stelle di Viareggio e gli eletti locali del Movimento per le autonomie in Sicilia, il ceto politico renziano a Firenze e i dirigenti comunisti siciliani del secondo dopoguerra, i contadini e i notabili di un borgo rurale del Molise e quelli siciliani di inizio Novecento.

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman 2016-05-18 Radical right-wing populist parties, such as Geert Wilders' Party for Freedom, Marine Le Pen's National Front or Nigel Farage's UKIP, are becoming increasingly influential in Western European democracies. Their electoral support is growing, their impact on policy-making is substantial, and in recent years several radical right-wing populist parties have assumed office or supported minority governments. Are these developments the cause and/or consequence of the mainstreaming of radical right-wing populist parties? Have radical right-wing populist parties expanded their issue profiles, moderated their policy positions, toned down their anti-establishment rhetoric and shed their extreme right reputations

to attract more voters and/or become coalition partners? This timely book answers these questions on the basis of both comparative research and a wide range of case studies, covering Austria, Belgium, Denmark, Finland, France, the Netherlands, Norway, Switzerland, and the United Kingdom. Analysing the extent to which radical right-wing populist parties have become part of mainstream politics, as well as the factors and conditions which facilitate this trend, this book is essential reading for students and scholars working in European politics, in addition to anyone interested in party politics and current affairs more generally.

I partiti etnoregionalisti Filippo Tronconi 2009 I nazionalisti scozzesi e quelli catalani, il Blocco Fiammingo e la Lega Nord, i separatisti baschi e quelli corsi: le mobilitazioni autonomiste e separatiste, lungi dal costituire residui di una politica arcaica, hanno conquistato un ruolo di primo piano sulla scena politica europea. Di più: in alcuni paesi - dal Belgio alla Spagna, dal Regno Unito all'Italia - hanno dato prova di sorprendente vitalità, imponendo trasformazioni profonde agli assetti costituzionali, con l'introduzione di elementi federali in stati di tradizionale impianto unitario. Questo volume analizza la famiglia dei partiti etnoregionalisti europei in modo sistematico per quanto riguarda i caratteri distintivi, l'evoluzione storica, le ragioni alla base delle fortune elettorali. Ne emerge un'interpretazione originale, che integra e supera al tempo stesso le tradizionali spiegazioni basate sul conflitto centro-periferia, la persistenza delle minoranze linguistiche, gli squilibri regionali nella distribuzione della ricchezza, rintracciando nella competizione politica la chiave di volta per capire successi e fallimenti di questi nuovi protagonisti.

Cabinets in Western Europe Jean Blondel 1988-11-25 A presentation of the structure and workings of the national cabinets in Western European countries today, based on a common framework which enables the reader to compare their origins, structure, composition and activities. Emphasis is placed

on the leadership and on the character of coalitions.

El poder político en España: parlamentarios y ciudadanía Antonio M. Jaime 2016-08-29 Este libro trata acerca de cómo son los políticos que nos representan, cómo han sido seleccionados y qué carreras políticas han seguido, qué les motiva a entrar (y permanecer) en política, qué hacen en los parlamentos, y qué piensan sobre aspectos clave de la democracia y su funcionamiento, del Estado de las autonomías y de la Unión Europea. Este volumen ofrece también una mirada desapasionada, fundamentada en evidencias, sobre los valores y actitudes que guían las acciones de nuestros representantes. El texto realiza una radiografía del conjunto de personas que toma decisiones por la ciudadanía en las cámaras de representación haciendo una distinción entre partidos y territorios, pero atendiendo también a las diferencias por sexo. Los datos en los que se basa el estudio provienen de la primera encuesta que se realiza a una muestra representativa de los miembros de las 19 cámaras de representación en España. El libro también establece similitudes y diferencias con las opiniones, actitudes y percepciones de la ciudadanía al objeto de observar si hay mucha distancia entre representantes y representados. Se trata de un texto que pone encima de la mesa cuatro brechas importantes que pueden ayudar a explicar la situación política de la España de 2016: perfil social, ideología, identidad colectiva y concepción de la representación política.

Political Power in Spain Xavier Coller 2017-11-24 This book explores why some people become politicians, how they represent citizens in parliaments, and what they think about democracy and its institutions. It analyses the results of the first survey of a representative sample of Spanish MPs (580 cases) and citizens. The study covers areas such as: social profiles; recruitment and selection; women in parliaments; motivation for politics; perception of the representative function and how this is affected by corruption, disaffection and mistrust; national and regional

identities; ideology; the functioning of parliamentary groups, and perceptions about the EU. The case of Spain is used to demonstrate how MPs' values, opinions and attitudes conflict and complement with those of the citizens they are supposed to represent. Through a systematic comparison between MPs and citizens, the contributions deal with topics that are key to understanding how democracies work and the role played by MPs.

Governing New European Democracies J. Blondel 2006-12-13

Governing New European Democracies is a fully comparative study of decision-making processes in the cabinets of ten post-communist countries of East-Central and South-Eastern Europe. It is based on interviews collected from over 300 ministers. This book provides the first comprehensive panorama of life in cabinet governments.

The Hispanic Labyrinth Xavier Rubert de Ventós In its original Spanish language version, this tour de force was awarded the famed Espejo de Espana prize. Rubert de Ventós examines the ambiguous yet highly charged relationships between Spain and the American nations of the Western hemisphere. Writing with the grace and charm that characterizes the best of the pensador tradition, the author has produced a fundamental treatise on social development. With his deep appreciation for the indigenous populations of South and Central America, Rubert de Ventós offers a comparative perspective on the two major forms of colonization in the Americas--that of Spain and of the United States, leading to the provocative conclusion that each should have learned from the traditional rather than the modern lives of the other. He emphasizes with great precision distinctions in relative stages of industrialization in the West, differences between Catholic and Protestant faiths, the variety of legal codes imposed on Latin America, and above all the fine but critical differences between

civilization and evangelization. Rubert deVentos's effort is exemplary for its immersion into the actual patterns of culture found in the encounter of civilizations. He engages in no harshness, no condemnation, no trivial pursuit of post-mortem name-calling. Rather he has a keen sense of the historical, the theological, and the inevitable. Written for the general reader and specialist in area studies alike, providing a deep sense of anthropology as well as history, *The Hispanic Labyrinth* has an ambitious aim: to give all concerned in this relationship a sense of common cause in building democracy in the process of global interaction. Xavier Rubert deVentos holds the chair in Esthetics at the University of Barcelona. He is a Santayana Fellow at Harvard University and a founding member of the New York Institute for the Humanities. He has held visiting professorships at the University of Cincinnati, and the University of California at Berkeley. He is the author of works in Spanish and Catalan, including *On Modernity; The Theory of Sensibility* and other books on philosophical themes. He is also a deputy to the European Parliament. *The Hispanic Labyrinth* is translated from Spanish by Mary Ann Newman, teacher of Spanish-American literature in New York City.

The Nature of Party Government Jean Blondel 2000-11-08 *The Nature of Party Government* examines relationships between governments and supporting parties on a comparative European basis. The book does so at the level of principles: there is a major conflict between governments, which should govern, and parties, which being representative, wish to shape the way governments operate. The book studies relationships empirically as well: it shows that they occur on three planes, appointments, policy-making and patronage and assesses the extent of two-way influence, from parties to governments and from governments to parties.

Anti-System Parties Mattia Zulianello 2019-04-09 This book adopts an innovative conceptualization and analytical framework

to the study of anti-system parties, and represents the first monograph ever published on the topic. It features empirical research using original data and combining large-N QCA analyses with a wide range of in-depth case studies from 18 Western European countries. The book adopts a party-centric approach to the study of anti-system formations by focusing on the major turning points faced by such actors after their initial success: long-term electoral sustainability, the different modalities of integration at the systemic level and the electoral impact of transition to government. The author examines in particular the interplay between crucial elements of the internal supply-side of anti-system parties such as their organizational and ideological features, and the political opportunity structure. *Anti-System Parties* is a major contribution to the literature on populism, anti-establishment parties and comparative political parties.

Crisis as a Permanent Condition? Robert Kaiser 2016-01-28

Italien befindet sich in einem Zustand eines umfassenden institutionellen Reformbedarfs, um wirtschaftlich wettbewerbsfähig zu bleiben und um eine politische Problemlösungsfähigkeit zurückzugewinnen. Dies ist die einhellige Auffassung nicht nur der politischen Beobachter der Entwicklung Italiens, sondern auch die der politischen Akteure selbst, die nicht zuletzt in den dramatischen Entwicklungen seit der Parlamentswahl im Februar 2013 und den radikalen Reformbestrebungen des Ministerpräsidenten Matteo Renzi begründet ist. Hoffnungen auf institutionelle Reformen hatte es bereits infolge des Zusammenbruchs des italienischen Parteiensystems in den 1990er Jahren gegeben. Diese haben sich jedoch bisher nicht erfüllt. Dieser Band widmet sich in interdisziplinärer Perspektive den vielfältigen Aspekten dieses Reformbedarfs und analysiert dabei u.a. die sozio-politische Entwicklung des Landes, die Dynamiken des Wandels des politischen Systems sowie die italienischen Elitenstrukturen. International ausgewiesene Experten liefern systematische

Analysen der bestehenden Reformblockaden und bewerten vor diesem Hintergrund mögliche Reformoptionen. Mit Beiträgen von: Marco Brunazzo , Martin J. Bull, Carlo Carboni, Maurizio Cotta, Christopher Duggan, Jana Edelmann, Robert Kaiser, James L. Newell, Günther Pallaver, Gianfranco Pasquino, Silvana Patriarca, Alberto Vannucci, Luca Verzichelli, Francesco Zucchini

The Italian General Election of 2018 Luigi Ceccarini
2019-04-15 This book provides a lively and comprehensive account of the unprecedented Italian general election of 2018 and of its profound significance for Italy and beyond. The contributions in this volume cover the political, economic and international contexts in which the vote took place, and consider the main election contenders in the run-up to the election as well as the campaigns. The book further examines the election outcome, analysing the votes and discussing the impact of the election on the turnover of parliamentary personnel as well as examining the outcome from the viewpoint of government formation.

The Right-Wing Critique of Europe Joanna Sondel-Cedarmas
2022-02-02 The Right-Wing Critique of Europe analyses the opposition to the European Union from a variety of right-wing organisations in Western, Central and Eastern Europe. In recent years, opposition to the processes of globalisation and the programme of closer European integration, understood as a threat to the sovereignty of individual member states, has led to an intensification of Eurosceptic sentiments on the Old Continent. The results of the European parliamentary elections in 2014 and 2019, the Brexit referendum and electoral results in different European countries are all testament to the considerable growth of radical populist-nationalist and conservative-sovereignist movements and parties. The common idea that binds these groups, both in Western Europe and in Central and Eastern Europe, is a hostile attitude towards the idea of (an ever-more integrated) united Europe. These parties reject not only the

project of building a European federation, but also the current model of the European Union and the values underlying its attitudes. They are united by their criticism of EU policies, in particular those concerning security, emigration, multiculturalism, gender equality and the rights of minorities, as well as economic liberalism and the common currency. However, this criticism manifests itself with varying degrees of intensity, and not all parties fit the classic definition of Euroscepticism but instead represent its mild form, Eurorealism. The authors bring together reflections on the organic and complex critique of the European Union, its policies and cultural and ideological character. The book provides a comparative analysis of this criticism at the transnational level. This book will be of interest to researchers of European politics, the radical right and Euroscepticism. The Open Access version of this book, available at www.taylorfrancis.com, has been made available under a Creative Commons Attribution- Non Commercial- No Derivatives 4.0 license.

The Italian General Election of 2018 Luigi Ceccarini

2019-05-01 This book provides a lively and comprehensive account of the unprecedented Italian general election of 2018 and of its profound significance for Italy and beyond. The contributions in this volume cover the political, economic and international contexts in which the vote took place, and consider the main election contenders in the run-up to the election as well as the campaigns. The book further examines the election outcome, analysing the votes and discussing the impact of the election on the turnover of parliamentary personnel as well as examining the outcome from the viewpoint of government formation.

Elections, Electoral Systems and Volatile Voters G. Baldini

2008-11-20 This book gives a full account of past experience, present structures and processes, and probable developments, of the voters- party-electoral systems nexus in twenty-one advanced

Western democracies. The analysis is based on an original 1945-2007 comparative data set including all relevant political and institutional variables.

Chi impugna la Croce Renzo Guolo

2012-05-18T06:00:00+02:00 Nelle terre un tempo bianche le camicie verdi hanno impugnato il crocefisso. In quello che fu il regno della Dc sembra vincere un cristianesimo senza Cristo agitato da un partito che perfino la Chiesa, dopo aspri conflitti, ritiene ormai un legittimo interlocutore. Perché il Carroccio si espande in quella Italia bianca in cui il cattolicesimo ha sempre avuto un peso rilevante? Perché incontra a lungo una sola resistenza nel territorio: quella della Chiesa? Perché, dopo il periodo neopagano, la Lega riscopre il cristianesimo? Perché oggi Carroccio e vertici ecclesiali sembrano avviati verso strade meno conflittuali? «Quella tra Lega e Chiesa non è certo una sfida per la salvezza delle anime, quanto per la definizione di un'identità strettamente legata alla religione, a un cattolicesimo che il Carroccio vuole locale e localista e declinato in chiave etnoidentitaria, in antitesi al messaggio universale della Chiesa. Un conflitto che si alimenta anche perché entrambe ambiscono, in maniera diversa, a dare forma a una società locale che di cattolicesimo si è nutrita per secoli e che della religione ha fatto uno strumento di orientamento e di senso.»

Proporzionale se vi pare Roberto D'Alimonte 2010

La vague nationale des années 1968 Tudi Kernalegenn

2020-08-12 Les « années 1968 » se caractérisent par une forte résurgence des nationalismes minoritaires, des régionalismes protestataires et des aspirations autochtones dans le monde occidental - de la Bretagne au Québec en passant par la Catalogne, le Pays de Galles, l'Australie et la Nouvelle-Zélande. Cet ouvrage passe en revue des cas parmi les plus représentatifs ainsi que des exemples moins connus, s'attardant à la chronologie, aux causes et aux conséquences du renouveau nationaliste de la période. Cette collection d'essais s'inscrit dans

un horizon international et les cas abordés permettent, à partir du particulier, d'éclairer la dynamique globale à l'œuvre. Plusieurs hypothèses y sont avancées. Les profonds changements socioculturels provoqués par les Trente Glorieuses obligent les groupes sociaux et les individus à réinterroger leur environnement dès lors qu'ils quittent la reproduction de l'existant. De plus, l'influence interne des luttes décolonisatrices et anti-impérialistes fragilise l'État-nation et offre un nouveau répertoire discursif. Enfin, l'impact cognitif des luttes sociales des années 1960-1970 autour de la « nouvelle gauche » et de l'esprit contestataire, symbolisé par l'année 1968, prépare la voie à une transformation idéologique sans précédent. Ce livre propose une analyse historiographique des « années 1968 » dans toutes leurs dimensions (politique, socio-économique, culturelle), en même temps qu'une réflexion théorique et sociologique sur la dynamique et la coloration des revendications nationalistes et régionalistes. Voici la première étude comparative d'envergure internationale à jeter un éclairage sur la simultanéité de ces résurgences revendicatrices à caractère nationalitaire. Publié en français.

Constructing Grievance Elise Giuliano 2011-03-15 Demands for national independence among ethnic minorities around the world suggest the power of nationalism. Contemporary nationalist movements can quickly attract fervent followings, but they can just as rapidly lose support. In *Constructing Grievance*, Elise Giuliano asks why people with ethnic identities throw their support behind nationalism in some cases but remain quiescent in others. Popular support for nationalism, Giuliano contends, is often fleeting. It develops as part of the process of political mobilization—a process that itself transforms the meaning of ethnic identity. She compares sixteen ethnic republics of the Russian Federation, where nationalist mobilization varied widely during the early 1990s despite a common Soviet inheritance. Drawing on field research in the republic of Tatarstan,

socioeconomic statistical data, and a comparative discourse analysis of local newspapers, Giuliano argues that people respond to nationalist leaders after developing a group grievance. Ethnic grievances, however, are not simply present or absent among a given population based on societal conditions. Instead, they develop out of the interaction between people's lived experiences and the specific messages that nationalist entrepreneurs put forward concerning ethnic group disadvantage. In Russia, Giuliano shows, ethnic grievances developed rapidly in certain republics in the late Soviet era when messages articulated by nationalist leaders about ethnic inequality in local labor markets resonated with people's experience of growing job insecurity in a contracting economy. In other republics, however, where nationalist leaders focused on articulating other issues, such as cultural and language problems facing the ethnic group, group grievances failed to develop, and popular support for nationalism stalled. People with ethnic identities, Giuliano concludes, do not form political interest groups primed to support ethnic politicians and movements for national secession.

Südtirolismen Georg Grote 2014-01-15 Südtirol - Modellfall oder Konfliktherd? Einzigartig oder ein durchaus typischer europäischer Kleinraum? Ein Buch, das die Motivationen und Befindlichkeiten der Südtiroler Gesellschaft hinterfragt und für ein plurikulturelles Verständnis der Südtiroler Geschichte plädiert. Dieses Buch reiht sich ein in die Bemühungen um ein regionales, sprachübergreifendes und plurikulturelles Verständnis von Entwicklungen und Tendenzen in Südtirol und lässt ganz unterschiedliche Meinungen zu Wort kommen. 23 Autoren aus dem Wissenschafts- und Kulturbereich nähern sich multiperspektivisch ihrem Thema, präsentieren ihre Sicht auf Südtirol zwischen Vergangenheit, Gegenwart und Zukunft. Sie widmen sich den Bereichen Minderheitenrecht, Mythen und Erinnerungskulturen, betrachten Literaturen und Sprachkulturen, loten Räume und Identitätsmodelle zwischen Tradition und

Moderne aus. Positive Entwicklungen, Gemeinsamkeiten werden dabei ebenso angesprochen wie Trennendes, Zerwürfnisse und Verletzlichkeiten. Aus dem Inhalt: Kapitel I: Das Minderheitenrecht CHRISTOPH PAN Einführung in die Minderheitenproblematik BEATE SIBYLLE PFEIL Die Südtiroler Leitbildfunktion für die Minderheitenpolitik in Europa Kapitel II: Mythen und Erinnerungskulturen WALTER HAGG Auf der Zielgerade zum Paketabschluss: Erinnerungen an die Autonomieentwicklungen 1988-1992 HANS HEISS Annus semper mirabilis: Das 200. Anniversar der Tiroler Erhebung HANS KARL PETERLINI Mit Freud' durch Südtirol. Psychoanalyse der Tiroler Freiheitskampfkultur mit Fokus auf die Südtirol-Anschläge der 1960er Jahre GEORG GROTE "Besessen und Vergessen". Historische Forschung und Geschichtsvermittlung in Südtirol THOMAS OHNEWEIN Die Südtiroler Landesmuseen: Ausdruck einer neuen Landesidentität Kapitel III: Literaturen JOHANN HOLZNER Literatur statt Lokalpolitik. Über das allmähliche Verschwinden regionaler Streitthemen aus der Südtiroler Lit

Politika 12 Günther Pallaver (Herausgeber) 2014-03-15 Nach langem, zähen Verhandeln, zweimaliger Befassung der UNO-Generalversammlung mit der Südtirolfrage und Verabschiedung eines "Paketes" an Maßnahmen wurde 1972 das zweite Autonomiestatut für Südtirol beschlossen. Darin überträgt der italienische Staat der Provinzverwaltung weitreichende gesetzgeberische Kompetenzen. Zwanzig Jahre später wurde die letzte der Paket-Maßnahmen umgesetzt, womit 1992 der Südtirolkonflikt mit der Streitbeilegungserklärung Österreichs und Italiens vor der UNO offiziell für beendet erklärt werden konnte. Wie hat sich seitdem die Südtirolautonomie weiterentwickelt? Analysiert werden unter diesem Blickwinkel Politik, ethnischer Proporz, Wirtschafts- und Arbeitsmarktpolitik und viele weitere Fragen. Fixer Bestandteil ist wiederum der Rückblick auf die Ereignisse des Vorjahres nach Datum geordnet sowie in einem Essay zusammengefasst und auf den Punkt

gebracht.

Le primarie comunali in Italia Gianfranco Pasquino 2009

The Party Politics of Decentralization Linda Basile 2018-07-05

This book addresses the process of decentralization in Italy, examined from the perspective of political parties. In particular, it assesses whether and to what extent the dynamics of party competition are likely to shape policy agenda and affect policy change. The author starts by providing a thorough account of the process and history of Italian decentralization and the policy outcomes achieved over time, before discussing how party attention to an issue triggers related policy changes (manipulation of salience). Next, the focus shifts to the concrete positions adopted by parties on decentralization to assess whether the pattern of party competition has been consensual or adversarial, and how this pattern influenced the process of reform (manipulation of position). Finally, the author examines the role of frames in party competition. This volume offers essential research that will prove useful to a variety of audiences, ranging from scholars of territorial and Italian politics to those interested in agenda-setting, policy change, and party politics.

Understanding I Partiti Etnoregionalisti La Politica

Before you embark on your journey to find I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale online, it's essential to grasp the concept of I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook formats. I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and

compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to

various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but

I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In

Europa Occidentale

lack advanced formatting features. ~~reader with HTML support.~~

Choosing the right I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook

TXT: Universally compatible with nearly all eReaders and devices.

Understanding I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBooks in these formats.

I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook Websites and Repositories

One of the primary ways to find I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBooks online is through dedicated eBook websites and repositories. These platforms

I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In

Europa Occidentale

offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook Torrenting and Sharing Sites

I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook torrenting and sharing sites have gained popularity for offering a vast selection of eBooks. While these platforms provide access to a wealth of

reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook torrenting and sharing sites, how they work, and how to use them safely.

Find I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale Torrenting vs. Legal Alternatives

I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale Torrenting Sites:

I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook torrenting sites operate on a peer-to-peer (P2P) file-sharing system, where users upload and download I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBooks directly from one another.

I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In

Europa Occidentale

~~While these sites offer I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBooks,~~

the legality of downloading copyrighted material from them can be questionable in many regions.

I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale Legal Alternatives:

Some torrenting sites host public domain I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBooks legally.

Staying Safe Online to download I Partiti Etnoregionalisti La Politica

Europa Occidentale

When exploring I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook Sources:

Be cautious when downloading I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

~~3. Update Your Antivirus Software:~~

Ensure your antivirus software is up-to-date to protect your device from potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBooks that you have the right to access.

I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook Torrenting and Sharing Sites

Here are some popular I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBook torrenting and sharing sites:

~~1. The Pirate Bay:~~

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of I Partiti Etnoregionalisti La Politica Dellidentit Territoriale In Europa Occidentale eBooks, including fiction, non-fiction, and more.

2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly interface.

4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.
