*Japanese Death Poems* 1998-04-15 "A wonderful introduction the Japanese tradition of jisei, this volume is crammed with exquisite, spontaneous verse and pithy, often hilarious, descriptions of the eccentric and committed monastics who wrote the poems." -- Tricycle: The Buddhist Review Although the consciousness of death is, in most cultures, very much a part of life, this is perhaps nowhere more true than in Japan, where the approach of death has given rise to a centuries-old tradition of writing jisei, or the "death poem." Such a poem is often written in the very last moments of the poet's life. Hundreds of Japanese death poems, many with a commentary describing the circumstances of the poet's death, have been translated into English here, the vast majority of them for the first time. Yoel Hoffmann explores the attitudes and customs surrounding death in historical and present-day Japan and gives examples of how these have been reflected in the nation's literature in general. The development of writing jisei is then examined--from the longing poems of the early nobility and the more "masculine" verses of the samurai to the satirical death poems of later centuries. Zen Buddhist ideas about death are also described as a preface to the collection of Chinese death poems by Zen monks that are also included. Finally, the last section contains three hundred twenty haiku, some of which have never been assembled before, in English translation and romanized in Japanese.

**Narrow Road to the Interior** Matsuo Basho 2019-05-14 A

masterful translation of one of the most-loved classics of Japanese literature—part travelogue, part haiku collection, part account of spiritual awakening Bashō (1644-1694)—a great luminary of Asian literature who elevated the haiku to an art form of utter simplicity and intense spiritual beauty—is renowned in the West as the author of *Narrow Road to the Interior*, a travel diary of linked prose and haiku recounting his journey through the far northern provinces of Japan. This edition, part of the Shambhala Pocket Library series, features a masterful translation of this celebrated work. It also includes an insightful introduction by translator Sam Hamill detailing Bashō's life and the art of haiku, three other important works by Bashō—*Travelogue of Weather-Beaten Bones*, *The Knapsack Notebook*, and *Sarashina Travelogue*—and two hundred and fifty of his finest haiku, making this the most complete single-volume collection of Bashō's writings. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

**Deep South** Paul Theroux 2015 The travel writer Paul Theroux turns his unflinching eye on an American South too often overlooked. He finds there a paradoxical place, full of incomparable music, unparalleled cuisine, and yet also some of the nation's worst schools, housing, and unemployment rates. On road trips spanning four seasons, wending along rural highways, Theroux visits gun shows and small-town churches, laborers in Arkansas, and parts of Mississippi where they still call the farm up the road 'the plantation.' He talks to mayors and social workers, writers and reverends, the working poor and farming families ... the unsung heroes of the south, the people who, despite it all, never left, and also those who returned home to

rebuild a place they could never live without  
*Poems Li Po* 2015-07-30 Li Po (AD 701-62) and Tu Fu (AD 712-70) were devoted friends who are traditionally considered to be among China's greatest poets. Li Po, a legendary carouser, was an itinerant poet whose writing, often dream poems or spirit-journeys, soars to sublime heights in its descriptions of natural scenes and powerful emotions. His sheer escapism and joy is balanced by Tu Fu, who expresses the Confucian virtues of humanity and humility in more autobiographical works that are imbued with great compassion and earthy reality, and shot through with humour. Together these two poets of the T'ang dynasty complement each other so well that they often came to be spoken of as one - 'Li-Tu' - who covers the whole spectrum of human life, experience and feeling.

*The Penguin Book of Haiku* 2018-05-31 The first Penguin anthology of Japanese haiku, in vivid new translations by Adam L. Kern. Now a global poetry, the haiku was originally a Japanese verse form that flourished from the sixteenth to nineteenth centuries. Although renowned for its brevity, usually running three lines long in seventeen syllables, and by its use of natural imagery to make Zen-like observations about reality, in fact the haiku is much more: it can be erotic, funny, crude and mischievous. Presenting over a thousand exemplars in vivid and engaging translations, this anthology offers an illuminating introduction to this widely celebrated, if misunderstood, art form. Adam L. Kern's new translations are accompanied here by the original Japanese and short commentaries on the poems, as well as an introduction and illustrations from the period.

*On the Narrow Road to the Deep North* Lesley Downer 1989 The author retraces the journey in 1689 of Matsuo Basho, described in his *Oku no hosomichi* = The narrow road to the deep north.

*On Love and Barley* Matsuo Basho 1985-08-29 Basho, one of the greatest of Japanese poets and the master of haiku, was also a Buddhist monk and a life-long traveller. His poems combine

'karumi', or lightness of touch, with the Zen ideal of oneness with creation. Each poem evokes the natural world - the cherry blossom, the leaping frog, the summer moon or the winter snow - suggesting the smallness of human life in comparison to the vastness and drama of nature. Basho himself enjoyed solitude and a life free from possessions, and his haiku are the work of an observant eye and a meditative mind, uncluttered by materialism and alive to the beauty of the world around him.

The Ink Dark Moon Ono no Komachi 2015-01-21 These translated poems were written by 2 ladies of the Heian court of Japan between the ninth and eleventh centuries A.D. The poems speak intimately of their authors' sexual longing, fulfillment and disillusionment.

**Moon Woke Me Up Nine Times** Matsuo Basho 2013-04-02

Vivid new translations of Basho's popular haiku, in a selected format ideal for newcomers as well as fans long familiar with the Japanese master. Basho, the famously bohemian traveler through seventeenth-century Japan, is a poet attuned to the natural world as well as humble human doings; "Piles of quilts/ snow on distant mountains/ I watch both," he writes. His work captures both the profound loneliness of one observing mind and the broad-ranging joy he finds in our connections to the larger community. David Young, acclaimed translator and Knopf poet, writes in his introduction to this selection, "This poet's consciousness affiliates itself with crickets, islands, monkeys, snowfalls, moonscapes, flowers, trees, and ceremonies...Waking and sleeping, alone and in company, he moves through the world, delighting in its details." Young's translations are bright, alert, musically perfect, and rich in tenderness toward their maker.

*Narrow Road to the Interior* Bashō Matsuo 1991 Matsuo Basho

**Sketches** Matsuo Basho 1967-02-28 'It was with awe That I beheld Fresh leaves, green leaves, Bright in the sun' In his perfectly crafted haiku poems, Basho described the natural world with great simplicity and delicacy of feeling. When he composed The Narrow Road to the Deep North, he was an ardent student of Zen Buddhism, setting off on a series of travels designed to strip away the trappings of the material world and bring spiritual enlightenment. He wrote of the seasons changin, of the smells of the rain, the brightness of the moon, and beauty of the waterfall, through which he sense mysteries of the universe. There's seventeenth-century travel writing not only chronicle Basho's perilous journeys through Japan, but they also capture his vision of eternity in the transient world around him. In his lucid translation Nobuyuki Yuasa captures the Lyrical qualities of Basho's poetry and prose by using the natural rhythms and language of the contemporary speech. IN his introduction, he examines the development of the haibun style in which poetry and prose stand side by side. this edition also includes maps and notes on the texts. Roads of Oku Dennis Kawaharada 2015 "Between 2004 and 2014,

Karen and I made a dozen trips to Japan, to revisit places I went to on my first trip in 1970 and to go to places related to family and ancestral histories and myths.... Inspired by the travels of Basho and Sora, we logged over 20,000 miles across the four main islands ... up to Cape Soya, at the northern tip of Hokaido, and down to Cape Kasasa, at the southwestern corner of Kyushu"-

**Elisabeth Tonnard** 2013 Elisabeth Tonnard's *In This Dark Wood* is a study of urban alienation in America. In a haunting, modern-gothic style, it pairs images of people walking alone in nighttime city streets with 90 different English translations, collected by Tonnard, of the famous first lines of Dante's *Inferno*: "Nel mezzo del cammin di nostra vita / mi ritrovai per una selva oscura / ché la diritta via era smarrita." ("In the middle of the journey of our life / I found myself in a dark wood / for the straight way was lost"). The images were selected from the Joseph Selle collection at the Visual Studies Workshop in Rochester, New York, which contains over a million negatives from a company of street photographers who worked in San Francisco from the 1940s to the 70s. This edition is a reprint of a work originally self-published in 2008.

*Sleep with Strangers* Dolores Hitchens 2015-12-08 Rediscover one of America's pioneering women crime writers with this classic noir starring a Long Beach private investigator reminiscent of Raymond Chandler's Philip Marlowe "Are you trying to tell me you don't want the job, Mr. Sader?" It started as a missing persons case and grew more puzzling with the discovery of another strangely coincidental disappearance. Private eye Jim Sader finds himself deep in a multilayered intrigue revolving around oil and real estate and the sleazy underpinnings of Long Beach, California, in the 1950s. Taut, suspenseful, and gritty, many consider *Sleep with Strangers* to be Dolores Hitchens' best novel.

*The Narrow Road to the Deep North and Other Travel Sketches* Matsuo Basho 2020-02-27 'It was with awe That I beheld Fresh leaves, green leaves, Bright in the sun' When the Japanese haiku master Basho composed *The Narrow Road to the Deep North*, he was an ardent student of Zen Buddhism, setting off on a series of travels designed to strip away the trappings of the material world and bring spiritual enlightenment. He writes of the seasons changing, the smell of the rain, the brightness of the moon and the beauty of the waterfall, through which he sensed the mysteries of the universe. These writings not only chronicle Basho's travels, but they also capture his vision of eternity in the transient world around him. Translated with an Introduction by Nobuyuki Yuasa

**First Person** Richard Flanagan 2018-04-03 Kif Kehlmann, a young, penniless writer, thinks he's finally caught a break when he's offered \$10,000 to ghostwrite the memoir of Siegfried "Ziggy" Heidl, the notorious con man and corporate criminal. Ziggy is about to go to trial for defrauding banks for \$700 million; they have six weeks to write the book. But Ziggy swiftly proves almost impossible to work with: evasive, contradictory, and easily distracted by his still-running "business concerns"—which Kif worries may involve hiring hitmen from their shared office. Worse, Kif finds himself being pulled into an odd, hypnotic, and ever-closer orbit of all things Ziggy. As the deadline draws near, Kif becomes increasingly unsure if he is ghostwriting a memoir, or if Ziggy is rewriting him—his life, his future, and the very nature of the truth. By turns comic, compelling, and finally chilling, *First Person* is a haunting look at an age where fact is indistinguishable from fiction, and freedom is traded for a false idea of progress.

**Alfred Lord Tennyson** Hallam Tennyson Baron Tennyson 1897  
Lips too Chilled Matsuo Basho 2015-02-26 'Nothing more lonely -'  
A selection of Basho's most magical haiku Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th century California and the Russian steppe. Here are stories lyrical

and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions Basho (1644-1694). Basho's *On Love and Barley and The Narrow Road to the Deep North and Other Travel Sketches* are available in Penguin Classics.

**Basho's Narrow Road** Matsuo Basho 2013-06-15 Matsuo Basho (1644-94) is considered Japan's greatest haiku poet. *Narrow Road to the Interior (Oku no Hosomichi)* is his masterpiece. Ostensibly a chronological account of the poet's five-month journey in 1689 into the deep country north and west of the old capital, Edo, the work is in fact artful and carefully sculpted, rich in literary and Zen allusion and filled with great insights and vital rhythms. In *Basho's Narrow Road: Spring and Autumn Passages*, poet and translator Hiroaki Sato presents the complete work in English and examines the threads of history, geography, philosophy, and literature that are woven into Basho's exposition. He details in particular the extent to which Basho relied on the community of writers with whom he traveled and joined in linked verse (renga) poetry sessions, an example of which, *A Farewell Gift to Sora*, is included in this volume. In explaining how and why Basho made the literary choices he did, Sato shows how the poet was able to transform his passing observations into words that resonate across time and culture.

*A River Dies of Thirst* Mahmoud Darwish 2009-08-25 This remarkable collection of poems, meditations, fragments, and journal entries was Mahmoud Darwish's last volume to come out in Arabic. This River is at once lyrical and philosophical, questioning and wise, full of irony, resistance, and play. Darwish's musings on unrest and loss dwell on love and humanity; myth and dream are inseparable from truth. Throughout this personal collection, Darwish returns frequently to his ongoing and often lighthearted conversation with death. *A River Dies of Thirst* is a collection of quiet revelations, embracing poetry, life, death, love, and the human condition.

*Travel Writings* Matsuo Basho 2020-04-20 "The travel writings of Matsuo Bashō are of enormous literary importance, and so it is a joy to see them collected in this compact volume, in translations of exemplary elegance, faithfulness, and accessibility. The annotations are especially valuable: they show a solid grasp of the author's life, work, and times, and provide rich and detailed background information about allusions to Chinese and Japanese classics. Along with the high quality of the translations themselves, this thorough commentary makes the book a significant scholarly resource and will help readers appreciate the density and delicacy of Bashō's writing. A very welcome addition to the English-language literature on one of the central poets of the Japanese tradition." —David B. Lurie, Columbia University  
*Four Seasons* Basho Matsuo 2013-09 *Collection Of Japanese Haiku Poems Translated To English.*

*Back Roads to Far Towns* Bashō Matsuo 1996 One spring morning in 1689, Basho, arguably the greatest of all Japanese poets, set forth on foot, accompanied by his friend and disciple Sora, from his hermitage in Edo (old Tokyo) on one final journey--a pilgrimage that eventually took him nearly 1,500 miles. Now, more than 300 years later--via beautifully spare prose sprinkled with haiku and graceful translation--this book provides the account of Basho's arduous trek. 16 illustrations.

**Book of Haikus** Jack Kerouac 2013-04-01 Highlighting a lesser-known aspect of one of America's most influential authors, this new collection displays Jack Kerouac's interest in and mastery of haiku. Experimenting with this compact poetic genre throughout his career, Kerouac often included haiku in novels, correspondence, notebooks, journals, sketchbooks, and recordings. In this collection, Kerouac scholar Regina Weinreich supplements an incomplete draft of a haiku manuscript found in Kerouac's archives with a generous selection of Kerouac's other haiku, from both published and unpublished sources. With more than 500 poems, this is a must-have volume for Kerouac

enthusiasts everywhere.

**The Sound of One Hand Clapping** Richard Flanagan

2014-05-13 A sweeping novel of world war, migration, and the search for new beginnings in a new land, *The Sound of One Hand Clapping* was both critically acclaimed and a bestseller in Australia. Recognized with the Australian Booksellers' Book of the Year Award and the Vance Palmer Prize for Fiction, it now introduces to an international readership a young Australian who is emerging as one of our most talented new storytellers. In the winter of 1954, in a construction camp for a hydroelectric dam in the remote Tasmanian highlands, when Sonja Buloh was three years old and her migrant Slovenian father was drunk, her mother Maria walked off into a blizzard, never to return. Thirty-five years later, Sonja returns to Tasmania and a father haunted by memories of the European war and other, more recent horrors. As the shadows of the past begin to intrude ever more forcefully into the present, Sonja's empty life and her father's living death are to change forever. *The Sound of One Hand Clapping* is about the barbarism of an old world left behind, about the harshness of a new country, and the destiny of those in a land beyond hope who seek to redeem themselves through love.

*Bashō's Haiku* Matsuo Bashō 2012-02-01 2005 CHOICE

Outstanding Academic Title *Basho's Haiku* offers the most comprehensive translation yet of the poetry of Japanese writer Matsuo Bashō (1644-1694), who is credited with perfecting and popularizing the haiku form of poetry. One of the most widely read Japanese writers, both within his own country and worldwide, Bashō is especially beloved by those who appreciate nature and those who practice Zen Buddhism. Born into the samurai class, Bashō rejected that world after the death of his master and became a wandering poet and teacher. During his travels across Japan, he became a lay Zen monk and studied history and classical poetry. His poems contained a mystical quality and expressed universal themes through simple images

from the natural world. David Landis Barnhill's brilliant book strives for literal translations of Bashō's work, arranged chronologically in order to show Bashō's development as a writer. Avoiding wordy and explanatory translations, Barnhill captures the brevity and vitality of the original Japanese, letting the images suggest the depth of meaning involved. Barnhill also presents an overview of haiku poetry and analyzes the significance of nature in this literary form, while suggesting the importance of Bashō to contemporary American literature and environmental thought.

*Essays in Idleness* Kenko 2013-12-05 These two works on life's fleeting pleasures are by Buddhist monks from medieval Japan, but each shows a different world-view. In the short memoir *Hōjōki*, Chōmei recounts his decision to withdraw from worldly affairs and live as a hermit in a tiny hut in the mountains, contemplating the impermanence of human existence. Kenko, however, displays a fascination with more earthy matters in his collection of anecdotes, advice and observations. From ribald stories of drunken monks to aching nostalgia for the fading traditions of the Japanese court, *Essays in Idleness* is a constantly surprising work that ranges across the spectrum of human experience. Meredith McKinney's excellent new translation also includes notes and an introduction exploring the spiritual and historical background of the works. Chōmei was born into a family of Shinto priests in around 1155, at a time when the stable world of the court was rapidly breaking up. He became an important though minor poet of his day, and at the age of fifty, withdrew from the world to become a tonsured monk. He died in around 1216. Kenkō was born around 1283 in Kyoto. He probably became a monk in his late twenties, and was also noted as a calligrapher. Today he is remembered for his wise and witty aphorisms, 'Essays in Idleness'. Meredith McKinney, who has also translated Sei Shōnagon's *The Pillow Book* for Penguin Classics, is a translator of both contemporary and classical Japanese literature. She lived in Japan for twenty years and is currently a

visiting fellow at the Australian National University in Canberra. '[Essays in Idleness is] a most delightful book, and one that has served as a model of Japanese style and taste since the 17th century. These cameo-like vignettes reflect the importance of the little, fleeting futile things, and each essay is Kenko himself' Asian Student

**The Narrow Road to the Deep North** Richard Flanagan 2015  
\*\*\*WINNER OF THE MAN BOOKER PRIZE 2014\*\*\* Forever after, there were for them only two sorts of men: the men who were on the Line, and the rest of humanity, who were not. In the despair of a Japanese POW camp on the Burma Death Railway, surgeon Dorrigo Evans is haunted by his love affair with his uncle's young wife two years earlier. Struggling to save the men under his command from starvation, from cholera, from beatings, he receives a letter that will change his life forever. Hailed as a masterpiece, Richard Flanagan's epic novel tells the unforgettable story of one man's reckoning with the truth. 2002 Many glimpses into daily life and culture are contained in the journal entries and haiku that record the 17th-century Japanese poet's impressions of his journey to the northern province of Honshu. This newly illustrated edition features sumi-e ink sketches by Shiro Tsujimura. The original Japanese text follows the translation. Annotation copyrighted by Book News, Inc., Portland, OR

**Basho** Bashō Matsuo 2008 Matsuo Basho stands today as Japan's most renowned writer, and one of the most revered. Yet despite his stature, Basho's complete haiku have never been collected under one cover. Until now. To render the writer's full body of work in English, Jane Reichhold, an American haiku poet and translator, dedicated over ten years to the present compilation. In *Barbo: The Complete Haiku* she accomplishes the feat with distinction. Dividing the poet's creative output into seven periods of development, Reichhold frames each period with a decisive biographical sketch of the poet's travels, creative influences, and

personal triumphs and defeats. Supplementary material includes two hundred pages of scrupulously researched notes, which also contain a literal translation of the poem, the original Japanese, and a Romanized reading. A glossary, chronology, index of first lines, and explanation of Basho's haiku techniques provide additional background information. Finally in the spirit of Basho, elegant semi-e ink drawings by well-known Japanese artist Shiro Tsujimura front each chapter.

**The Spring of My Life** Kobayashi Issa 1997-10-15 Kobayashi Issa (1763-1827), along with Basho and Buson, is considered one of the three greatest haiku poets of Japan, known for his attention to poignant detail and his playful sense of humor. Issa's most-loved work, *The Spring of My Life*, is an autobiographical sketch of linked prose and haiku in the tradition of Basho's famous *Narrow Road to the Interior*. In addition to *The Spring of My Life*, the translator has included more than 160 of Issa's best haiku and an introduction providing essential information on Issa's life and valuable comments on translating (and reading) haiku.
