Too Good to Be True: The Colossal Book of Urban Legends Jan Harold Brunvand 2011-02-07 "If you enjoy these too-good-to-be-true tales, Brunvand's new book will give you hours of pleasure."—Chicago Tribune A fabulously entertaining book from the ultimate authority on those almost believable tales that always happen to a "friend of a friend." Alligators in the sewers? A pet in the microwave? A tragic misunderstanding of the function of cruise control? No, it didn't really happen to your friend's sister's neighbor: it's an urban legend. And no matter how savvy you think you are, you are sure to find in this collection of over 200 tales at least one story you would have sworn was true. Jan Harold Brunvand has been collecting and studying this modern folklore for over twenty years. In *Too Good to Be True* he captures the best stories in their best retellings, along with their latest variations and examples of how the stories have changed as they move from person to person and place to place. To help you find your favorite, Brunvand has arranged the tales thematically. "Bringing Up Baby" is full of episodes of child-rearing gone wrong, including the grisly tale of the drugged out baby-sitter who mistakes the kid for a turkey. "Funny Business" showcases stories of infamous lapses in customer service, such as the story of the shockingly expensive chocolate chip cookie recipe. And "The Criminal Mind" features both brilliant --if they were real --scams, as well as the purported antics of the less mentally gifted. Whether you want to become an expert debunker or just have plenty of laughs, this book will surprise and entertain you. Illustrated throughout. "Informative and entertaining.... Brunvand has collected more than 200 of the most-repeated and best-known examples of modern folk-myth."—Tampa Tribune "[N]ot only an entertaining anthology, but an excellent introduction to the study of folklore itself."—Publishers Weekly "A fun read... . All the classics are here from the killer upstairs to the Kentucky Fried Rat."—New City "Resonant stories that express our hidden anxieties ... make us laugh, [or] arouse our fascinated horror."—San Francisco Chronicle Book Review "Informative and entertaining... . Brunvand has collected more than 200 of the most-repeated and best-known examples of modern folk-myth."—Tampa Tribune "[N]ot only an entertaining anthology, but an excellent introduction to the study of folklore itself."—Publishers Weekly

House of Shadows Darcy Coates 2015-10-15 Sophie's world is shattered when disaster bankrupts her family. She's still reeling when she's offered an unexpected solution: Mr. Argenton, a wealthy stranger, has asked for her hand in marriage. Marrying Mr. Argenton will save her family, but it condemns Sophie to a life in Northwood, a vast and unnaturally dark mansion situated hours from civilization. Still, she has no choice but accept the offer and hope the darkness won't swallow her whole. It's a struggle to adjust to her new position as mistress over the desolate house. Mr. Argenton's relatives are cold, and Mr. Argenton himself is keeping secrets. Even worse, the house is more than it seems. Doors slam. Inhuman figures slink through the surrounding forest. A piano plays itself in the middle of the night. Blood drips a macabre warning down the walls. Day by day, Sophie is inevitably pulled towards the terrifying truth at the heart of this gothic mystery: Northwood's ancient halls are haunted, and the man she married—the man she's coming to love—is hiding an unforgivable truth about his ancestral home...and the spirits that now haunt them both.

The Shadows Alex North 2020-07-07 "This is absorbing, headlong reading, a play on classic horror with an inventiveness of its own... As with all the best illusions, you are left feeling not tricked, but full of wonder." - The New York Times The haunting new thriller from Alex North, author of the New York Times bestseller *The Whisper Man* You knew a teenager like Charlie Crabtree. A dark imagination, a sinister smile--always on the outside of the group. Some part of you suspected he might be capable of doing something awful. Twenty-five years ago, Crabtree did just that, committing a murder so shocking that it's attracted that strange kind of infamy that only exists on the darkest corners of the internet--and inspired more than one copycat. Paul Adams remembers the case all too well: Crabtree--and his victim--were Paul's friends. Paul has slowly put his life back together. But now his mother, old and suffering from dementia, has taken a turn for the worse. Though every inch of him resists, it is time to come home. It's not long before things start to go wrong. Paul learns that Detective Amanda Beck is investigating another copycat that has struck in the nearby town of Featherbank. His mother is distressed, insistent that there's something in the house. And someone is following him. Which reminds him of the most unsettling thing about that awful day twenty-five years ago. It wasn't just the murder. It was the fact that afterward, Charlie Crabtree was never seen again...

The Slender Man Dexter Morgenstern 2012-11-08 In Murphy, North Carolina, a tragic accident occurs claiming the lives of several elementary school children. Alyssa's brother Adam is the only child spared, and what

seems like a tragic ending is merely invitation to an ancient horror as the town's remaining children begin disappearing. Alyssa realizes that she and her brother are among those suffering from a mysterious ailment and haunted by sinister apparitions. Alyssa sees a sometimes amorphous, sometimes man-like shadow. Her peers see their deceased loved ones, and then disappear. As each day passes, more children are taken, and Alyssa knows that the ominous figure is responsible. Now if Alyssa wants to save herself and her brother from becoming the next victims, she has to figure out what it is and how to fight it, before it's too late.

Shadow on the Stairs Blair Daniels 2018-07-28 How will you die? Dr. Atwell knows. He knows how everyone will die, even the ones he won't kill himself. He also knows about all your clones. You didn't really think you were the original, did you? He's even traveled back in time to bring his daughter back from the dead. SHADOW ON THE STAIRS is a collection of short thriller, horror, mystery, and suspense stories. Each bite-sized page turner is a quick, exciting read, made more so by Dr. Atwell's elaborate narrative subtly woven between the stories. Supernatural and paranormal encounters. Deranged murders and master assassins. Mad experiments and profane rites... Delve into these mysteries and join the hunt to discover the truth. Praise for Shadow on the Stairs: "This book is filled with quick and easy-to-read horror stories that pack a punch."

★★★★ Review "Blair has the incredible ability to weave the most mundane passing thoughts into creepy nightmares. She does this without evocative shock and gore and instead builds imagery and cadence that lead you there. She manages to build a world of existential dread that is not too unlike our own and doesn't waste time." ★★★★★ Review "I devoured it in a day and a half. Blair's writing is in that perfect Goldilocks zone where it's accessible and easy to read but not dumbed-down or too simple. I got chills more than once reading this!" ★★★★★ Review Read now to see the full-page illustrations. Exquisite original illustrations from the author make this collection truly unique. 101 True Scary Stories to Read in Bed Tonight Lane Loomis 2017-09-28 This book contains 101 bite-sized horror stories that are intended to scare and unsettle you. These are real peoples' accounts of the creepy and the occult--of their near-misses with madmen and paranormal entities. Each chapter is a short, stand alone campfire tale, a retelling of a frightening or gruesome incident that has stuck with the teller, something that gives them pause to this day when they find themselves alone in the dark. These stories have been collected with the knowledge that real life is scarier than fiction. Read with caution.

Be Afraid, Be Very Afraid: The Book of Scary Urban Legends Jan Harold Brunvand 2004-10-15 An anthology of the most chilling urban legends of all time collected by the maestro himself. Urban legends are those strange, but seemingly credible tales that always happen to a friend of a friend. For the first time, Professor Jan Harold Brunvand, "who has achieved almost legendary status" (Choice), has collected the creepiest, most terrifying urban legends, many that have spooked you since your childhood and others that you believe really did occur—even if it was one town over to some poor hapless coed who left a party early only to be followed by a man who just got loose from a mental hospital. From the classic hook-man story told around many a campfire to "Saved by a Cell Phone," these spine-tingling urban legends will give you goose bumps, even when you know they can't be true. Still, you'll continue to check the backseat of your car at gas stations and look under your bed at night before praying for sleep.

99 Brief Scenes from the End of the World T. W. Grim 2012-05-21 Decades ago, scientists sent a radio transmission into space, hoping to communicate with an extra-terrestrial culture. It detailed our culture, accumulated mathematical knowledge, and the finer points of human physiology. Now, years later, they have finally received a reply... The Western Hemisphere is plunged into chaos, as exposure to the alien radio signal transforms millions of ordinary citizens into savage lunatics, their re-programmed minds relentlessly driving them to spread mayhem and death. From the southernmost point of Chile to the farthest reaches of Northern Canada, the day dawns upon a desperate struggle for survival. Fleeing from raging fires, disastrous havoc, and the murderous rampaging of the infected, the survivors must try to overcome the odds and survive to see tomorrow - but, with a mentally unstable President contemplating full-scale nuclear war on the East, will there even be a tomorrow? Originally published as a condensed serial on Reddit.com, in the

SubReddit Library of Shadows, 99 Brief Scenes From the End of The World is a taut, adrenaline-fueled excursion into the darkest depths of the human id. It takes the reader from the embattled streets of suburbia to a besieged church in a Texan border town; to top-secret government facilities, where powerful men play a game of political chess, using people as pawns. Will the alien transmission succeed in destroying us all - or does salvation lie within the extraordinary mind of a catatonic little girl?

KIN Kealan Patrick Burke 2012-01-04 A novel by the Bram Stoker Award-winning author of THE TURTLE BOY. On a scorching hot summer day in Elkwood, Alabama, Claire Lambert staggers naked, wounded, and half-blind away from the scene of an atrocity. She is the sole survivor of a nightmare that claimed her friends, and even as she prays for rescue, the killers -- a family of cannibalistic lunatics -- are closing in. A soldier suffering from post-traumatic stress disorder returns from Iraq to the news that his brother is among the murdered in Elkwood. In snowbound Detroit, a waitress trapped in an abusive relationship gets an unexpected visit that will lead to bloodshed and send her back on the road to a past she has spent years trying to outrun. And Claire, the only survivor of the Elkwood Massacre, haunted by her dead friends, dreams of vengeance... a dream which will be realized as grief and rage turn good people into cold-blooded murderers and force alliances among strangers. It's time to return to Elkwood. In the spirit of such iconic horror classics as The Texas Chainsaw Massacre and Deliverance, Kin begins at the end and studies the possible aftermath for the survivors of such traumas upon their return to the real world -- the guilt, the grief, the thirst for revenge -- and sets them on an unthinkable journey... back into the heart of darkness.

Tales of Scp: Book of Horror Stories. Michael Nooras 2019-02-26 SCP means secure contain and protect. I have compiled one of the top tales from the foundation which is SCP. I put it together as a book to bring more presence to the website. Please, sit tight and enjoy the stories as it goes through the SCP universe. Tales range from mystery to horror stories. If you are looking for an inspiration or creative idea, the original website the SCP foundation has tons of authors and ideas to look through.About SCP foundationMankind in its present state has been around for a quarter of a million years, yet only the last 4,000 have been of any significance.So, what did we do for nearly 250,000 years? We huddled in caves and around small fires, fearful of the things that we didn't understand. It was more than explaining why the sun came up, it was the mystery of enormous birds with heads of men and rocks that came to life. So we called them 'gods' and 'demons', begged them to spare us, and prayed for salvation.In time, their numbers dwindled and ours rose. The world began to make more sense when there were fewer things to fear, yet the unexplained can never truly go away, as if the universe demands the absurd and impossible.Mankind must not go back to hiding in fear. No one else will protect us, and we must stand up for ourselves.While the rest of mankind dwells in the light, we must stand in the darkness to fight it, contain it, and shield it from the eyes of the public, so that others may live in a sane and normal world.

Dangerous Games to Play in the Dark Lucia Peters 2019-09-03 What begins as a test of bravery or a sleepover activity—chanting in front of a mirror, riding an elevator alone, taking pictures in the dark—can become something . . . dangerous. This compendium collects the most spine-chilling games based on urban legends from around the world. Centuries-old games such as Bloody Mary and Light as a Feather, Stiff as a Board are detailed alongside new games from the internet age, like The Answer Man, a sinister voice that whispers secrets to whomever manages to contact him with a cellphone. With step-by-step instructions, historical context, and the stakes for each game, this black handbook is the ideal gift for anyone looking for a late-night thrill—but beware who, or what, may come out to play.

Puppet Skin Danger Slater 2016-07-18 Hannah graduates from middle school on Friday. That's the day she transforms into a living puppet, like her parents and teachers before her. No longer a human girl made of flesh and feelings, but a perfect wooden new self, whose strings lead up from her limbs into an endless black void above. With no pain. No sorrow. No sickness. No fear. But Hannah has begun to suspect that something is very, very wrong. And in a world where emotion is treated like a disease, and unknown terrors lurk inside everyone, just keeping your soul alive past childhood might be the greatest challenge of all. "PUPPET SKIN is a dark, grotesquely-beautiful Bizarro nightmare fable for alienated teens of all ages. If you've ever felt lost in this deranged universe, Danger's book knows exactly what you mean." - John Skipp, author of *THE LIGHT AT THE END* and *THE ART OF HORRIBLE PEOPLE*

Different The Creepypasta Collection Modern Uban Legends You Cant Unread eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right The Creepypasta Collection Modern Uban Legends You Cant Unread eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.
