The Last Book in the Universe (Scholastic Gold) Rodman Philbrick 2013-03-01 This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

Tryst S. L. Jennings 2015-11-10 My name is Heidi DuCane. I might seem like your average happily married woman with average desires. But don't let looks fool you. I have needs that are begging to be satisfied. So what do I want more than anything else? I want my most secret fantasy fulfilled. Have I got your interest now? Are you wondering what my most illicit, dark fantasy involves? I want my husband, Tucker, to watch while another man brings me to pleasure. While I do love Tucker, I've always suspected there's much more out there waiting for me to explore. And my hunch was proven when I met rock superstar Ransom Reed—every woman's wet dream. I would've been insane not to take him up on his offer to share one wild night with him...and Tucker. The sex was mind-blowing! And Tucker enjoyed himself as much as I did. But here's the catch. The sex was so good that one night wasn't enough. Neither Tucker nor I can stop thinking about that scorching hot night. My husband loves me so much that he'll do anything to please me—including helping me reach staggering heights of ecstasy with another man. But it wasn't just the sex that was enticing. I felt something come alive in me, and I felt so deliciously satisfied and loved by both men. Now that Tucker and Ransom have made my most forbidden fantasies come true, I've learned an important lesson. I can never go back to the way things were before....

The Book of the Cave of Treasures E. a. Budge Budge 2005-01-01 And in the days of Nimrod, the mighty man (or giant), a fire appeared which ascended from the earth, and Nimrod went down, and looked at it, and worshipped it, and he established priests to minister there, and to cast incense from it. From that day the Persians began to worship fire...-from "The Fourth Thousand Years" One of the most prolific and respected Egyptologists of the Victorian era, Budge here offers his translation of the 4th-century A.D. Syrian text commonly known as "the Cave of Treasures," a history of the world from the Creation to the crucifixion of Christ and considered by some to be an apocryphal book of the Bible. Budge's extensive notes, linking the work to other ancient writings, as well as the numerous illustrations, make this unusual work, first published in 1927, an excellent resource for students of ancient civilizations and comparative mythology. SIR E. A. WALLIS BUDGE (1857-1934) was curator of Egyptian and Assyrian antiquities at the British Museum from 1894 to 1924. Among his many works of translation and studies of ancient Egyptian religion and ritual is his best-known project, *The Egyptian Book of the Dead*.

Dark Light S. L. Jennings 2013-04-14 LOVE. SEX. MAGIC. Before her 20th birthday, Gabriella was pretty much clueless about all three. In love with her best guy friend since the age of 14 and too crass and intimidating for most of the male population of Colorado Springs, both love and good sex were virtually a myth. And then there's magic. Freakin' magic. There's no way that legend could have a place in her less than exciting life. So why after twenty years of utter obscurity do her adopted parents hit her with the ton of bricks that is her true identity? And how the heck is she supposed to accept all this and instantly become what she was destined to be? Lucky for Gabs, sexy as sin Dorian is more than equipped to help her embrace these new revelations. And while everything about him feels oh so good, she soon learns that there's more behind his crystal blue eyes, chiseled body

and exotic beauty. Something dark, menacing and downright unnatural. Yet Gabs is in way too deep to even try to turn away from him now. Dark Light, Book 1 of the Dark Light Series, is the raw, emotional story of a young woman's journey of self-discovery in a world that was not meant for her. And her scorching hot, lip-biting addiction for the man she can't deny, no matter the cost. *Contains strong adult content.

Saint Or Sinner Cynthia Eden 2018-07-24 Beware of Beauty...because she's got the heart of a real beast. Smart people—and monsters who know the score—fear Josephine Saint. The sexy vampire might appear to be a sensual temptation, but she's a cold-blooded assassin. Mercy? Jo doesn't know the meaning of the word. With each successful hunt, Jo slides one step closer to getting the promised prize that she's coveted—her freedom. Long ago, Josephine made a deal with the devil, and now, the jerk is collecting on the final payment due him. Find the angel...before he rips the world apart. Her latest target is Malik, an angel who has gone dark. The fool fell and crashed hard to earth, and now he's indulging in every sin he can find. And, bonus, the guy has every predator in the land closing in on him because angel wings are highly prized on the black magic market. It's Jo's job to find Malik and bring his sexy angel ass back upstairs except... The angel is already changing...into something new and something very, very deadly. Malik has his own mission, and it doesn't involve being dragged back to heaven. He's ready to lose his wings, ready to pay any price, if it means he can right a wrong from his past. He never expected for Jo to hunt him, and he knows that he won't be able to control himself when she's near. Because Jo—fierce vampire, deadly assassin—she's his charge. He's been watching over her for centuries. Watching her, and wanting her. Now that he's earthbound, Malik can finally make the vamp his. Can a vamp save the world? Maybe...if she can claim a fallen angel's heart. With every moment that Malik spends on earth, the darkness within him grows. When angels fall, they change. They become something new—and a firestorm is about to erupt from Malik. When the fire erupts, it will destroy everything and everyone in its path...His only link to sanity is Jo, and if he loses her...Malik may lose his very soul. The hellfire is coming, and it will rage. SAINT OR SINNER...what will you be?

Man Crush Monday Kirsty Moseley 2020-02-03 Perma-single Amy Clarke prides herself on three things: her pink hair, her Converse collection, and her ability to drink copious amounts of margarita without puking. She isn't looking for love. She's perfectly content with her simultaneous love affairs with Netflix and both Ben and Jerry. The trouble is, sometimes, love finds you. Five months ago, he climbed aboard her train, and nothing has been the same since. Fast-forward to now, she still doesn't know his name, but she knows she wants his babies. Her crush—this tall, dark, and handsome dork who gets on her train every other Monday—has no idea he brightens her day with his panty-wetting smile and laugh that makes her pulse quicken. When a chance encounter outside of work forces them to have their first proper conversation, things quickly go from loving him from afar to up close and very personal. With a string of disastrous exes in her past, has Amy finally found her Mr Perfect? Or does fate have other plans? A new

stand-alone romcom from Kirsty Moseley, best-selling author of *The Boy Who Sneaks in My Bedroom Window* and *Nothing Left to Lose*.

Sophie's World Jostein Gaarder 2007-03-20 One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Eden's Bridge David B. Doty 2012-01-01 *Eden's Bridge: The Marketplace in Creation and Mission* explores a biblically based theology of the marketplace implicit in the creation narrative of Genesis 1-2. The thesis validates the calling and ministry of all marketplace Christians. David Doty invites readers to rethink and redirect the purposes of vocation, trade, and profit toward the purposes of God's Kingdom, as they were revealed in the beginning and are to be restored in Christ's reign. This book is eye-opening and inviting as it explores how God is moving to reclaim the marketplace for His Kingdom, and His redeeming purposes for the world of commerce. The marketplace holds untold potential if business is conducted according to God's plan: poverty can be eradicated, abundant living can be shared among all people, and shalom can prevail. *Eden's Bridge* offers hope for recovering from the recent collapse of the global economic system by envisioning a new view of how wealth is made and how the marketplace is yet to serve God's purposes in His mission to the world.

The Lost World of Adam and Eve John H. Walton 2015-02-27 What if reading Genesis 2-3 in its ancient Near Eastern context shows that the creation account makes no claims regarding Adam and Eve's material origins? John Walton's groundbreaking insights into this text create space for a faithful reading of Scripture along with full engagement with science, creating a new way forward in the human origins debate.

The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy Ellen G. White 2020-02-20 "The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

Reinventing Eden Carolyn Merchant 2013-03-12 This revised edition of Carolyn Merchant's classic *Reinventing Eden* has been updated with a new foreword and afterword. Visionary quests to return to the Garden of Eden have shaped Western Culture. This book traces the idea of rebuilding the primeval garden from its origins to its latest incarnations and offers a bold new way to think about the earth.

End of Eden S. L. Jennings 2017-02-26 I thought I knew what Hell was like. I thought I had been living it all these years on Earth-abandoned, forgotten, and left with a dangerous secret that not only made me the Se7en's #1 target but also turned me into a deadly weapon, a threat to every human in my path. I was wrong. In order to survive Lucifer's plans for me, and his unquenchable thirst for more power, I have to surrender my humanity. I have to lose a part of myself in order to find my way back to him. Back to the demon who saved me, only to break me. Back to Legion. But even supreme evil has its limits, and the real foes never show their devastatingly beautiful faces. Forget fire and brimstone. They aren't shit compared to what's coming. Centuries-old bonds will be broken. Unlikely alliances will be forged. And innocent blood will be spilled. Blood that will stain my hands for the rest of my mortal days. I thought I knew what Hell was like. I was wrong. Hell is coming. Hell is just the beginning.

Born Sinner S. L. Jennings 2016-08-09 Twenty-two years ago, I was cut from a cold, sodden womb, and cradled in the filth and poverty of Chicago's concrete arms. Statistically, I wasn't supposed to survive these streets past the age of eighteen. Fate had a different plan. I was bred for one purpose and one purpose only: to unleash death and destruction on my world. My thoughts are power. My words are weapons. Evil created me then grace

tried to save me. But first... they tried to kill me. They call themselves the Se7en. They are sin and salvation, and everything we've feared from the beginning of time. And their leader is the deadliest of them all. He doesn't lose. He doesn't compromise. And most importantly, he doesn't distract himself with mortal weakness. Not until me. Kill one to save a million. That's what he told me when he took me as his prisoner. Kill one to save a million. That's what he's been trying to tell himself ever since he took me into his arms.

Sinners on Sunset Debra Dunbar 2021-03-16 The tax demons want their pound of flesh. Or fifty-two thousand dollars. Unable to pay what she owes, Eden is forced to fight a never-ending stream of bounty hunters while she tries to clear her name and find the cop who set her up. But demons are not known for their patience, and the new mercenary hired to bring Eden in dead or alive has magical abilities of his own-magical abilities oddly similar to Eden's. Desperate, she turns to a friend for help, but Detective Juke demands a favor in return- help to find the demon or mage responsible for a killing spree that leaves victims dead and boneless and she'll investigate Eden's claims. But time is running out for Eden. The mage-mercenary is closing in. Her owed "favors" to demons are stacking up. And her debt to the enigmatic Bishop is beginning to rival what the tax office believes she owes. Eden will need to rely on her pistol, her wits, and her magic to save herself. And if that isn't enough, she may need to bargain away her soul.

Wicked Ruin S. L. Jennings 2017-09-27 The captivating third installment of the Se7en Sinners Series by New York Times Bestselling author, S.L. Jennings. They say you're never truly ready for Death until it's staring you down, its cold, bony fingers outstretched and scratching against your fragile mortality. I thought I was ready the day my own mother tried to kill me. Perhaps I was ready the moment I was born. But as I peer into the chilling void of Death, breath shallow and heartbeat sluggish, I know that it can't end like this. I was made for a purpose. And that purpose is Legion. Now that we're fighting the battle of our lives, a war that could eliminate mankind, I see that purpose as clear as the whorls of dark ink etched in his skin. Realms are colliding. Alliances are forming. And my heart is being torn in two. I know the code the Se7en live by. Kill one to save a million. But maybe it's not me who was meant to die. Maybe it's the man I thought I could save...the man who once saved me. The man I was created to kill.

God Dwells Among Us G.K. Beale 2015-01-16 The writers and chief actors of the Old Testament expressed a deep longing for the presence of God. This longing is symbolized through history in the Garden of Eden, the ark of the covenant and the tabernacle that housed it, the temple, and the ruins of the temple. In response to this longing, God shares his ultimate mission, in which his people play a part: the expansion of Eden - the temple of God's presence - to all peoples throughout the earth. The temple has always been a source of rich scholarship and theological reflection - but what does it mean for the church's ongoing mission in the world? Beale and Kim build a bridge from the world of biblical theology to our modern-day life. They help us to see clearly that the themes of Eden, the temple, God's glorious presence, new creation, and the mission of the church are ultimately facets of the same reality. Hence, from Eden to the New Jerusalem, God's people are his temple on the earth, the first-fruits of the new creation. God has always desired to dwell among us; now the church needs to follow its calling to extend the borders of God's kingdom and take his presence to the ends of the earth.

Sum David Eagleman 2009-02-10 At once funny, wistful and unsettling, Sum is a dazzling exploration of unexpected afterlives—each presented as a vignette that offers a stunning lens through which to see ourselves in the here and now. In one afterlife, you may find that God is the size of a microbe and unaware of your existence. In another version, you work as a background character in other people's dreams. Or you may find that God is a married couple, or that the universe is running backward, or that you are forced to live out your afterlife with annoying versions of who you could have been. With a probing imagination and deep understanding of the human condition, acclaimed neuroscientist David Eagleman offers wonderfully imagined tales that shine a brilliant light on the here and now.

Wicked and Wild Cynthia Eden 2018-04-24 She was wicked... Everyone knew that Valerie Storm was the baddest bit—um, witch on the block. She

might look like Snow White, but she had the heart of a wicked queen. She turned her enemies to ash, she danced on their graves, and she had to be stopped. But who could stand up to someone so wicked? He was wild. Griffin Bastien was the most powerful shifter to ever walk the earth. His claws had sent plenty of his foes to the grave. Bloodlust burned fast and hard within him, and when his beast took over, there was no stopping him. Then Wicked met Wild. Neither of them believed in love. And neither of them ever expected the firestorm that ignited when they kissed. But some things—some people—can't be controlled. The need that Valerie and Griffin feel for each other, the white-hot lust, will change their world. Even hell doesn't burn this hot. Too bad that Griffin has been keeping secrets. Too bad that he is the original assassin sent to destroy Valerie. Because when she finds out the truth, there will be no greater fury than a wicked witch betrayed. Even the biggest, baddest beast might discover that he's absolutely lost when a witch casts her spell, and he will be willing to do anything to reclaim the mate he never expected. Buckle up, it's gonna be a wild ride. Author's Note: WICKED AND WILD is a complete, stand-alone story that is set in the world of my "Bad Things" paranormal books. Expect a sexy alpha, a very fierce heroine, and hot times ahead.

Purgatorio, Poema di Dante Dante Alighieri 1787

Seven Days That Divide the World John C. Lennox 2011-08-23 What did the writer of Genesis mean by "the first day"? Is it a literal week or a series of time periods? If I believe that the earth is 4.5 billion years old, am I denying the authority of Scripture? In response to the continuing controversy over the interpretation of the creation narrative in Genesis, John Lennox proposes a succinct method of reading and interpreting the first chapters of Genesis without discounting either science or Scripture. With examples from history, a brief but thorough exploration of the major interpretations, and a look into the particular significance of the creation of human beings, Lennox suggests that Christians can heed modern scientific knowledge while staying faithful to the biblical narrative. He moves beyond a simple response to the controversy, insisting that Genesis teaches us far more about the God of Jesus Christ and about God's intention for creation than it does about the age of the earth. With this book, Lennox offers a careful yet accessible introduction to a scientifically-savvy, theologically-astute, and Scripturally faithful interpretation of Genesis.

The First Book of Moses, Called Genesis 1999 Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

Fallen Reign S. L. Jennings 2018-04-02 Vengeance is mine. Yesterday, I had the audacity to imagine a future. One that didn't include hunting demons hellbent on destroying humanity or being used as a pawn for my father's revenge. One comprised of a home and a family and all the things I'd longed for as a broken child. Then in the blink of a silver speckled eye, my foolish hope was extinguished, and my world came crumbling down. We stood strong. We fought. We lost. I lost. Legion, the demon I dared to love, was gone. Now I'm going to tear myself in two and do the unthinkable to find him. I'm going to put my trust in his brother-his enemy-and make a deal with the Devil. And while his darkness and depravity echo mine, I know this won't end well for either of us. My body may survive, maybe even my soul. I can't promise the same for my heart. This time, I will not fail. I will not hesitate. And if it comes down to it, I'll be the weapon I was created to be. I will follow the code of the Se7en and do what I should have done when we had the chance. Kill one to save a million. Kill him to save the world.

Evidence of Desire Lexi Blake 2019-01-08 A fast-paced contemporary romance that sizzles from the New York Times bestselling author of Order of Protection where passion for the law isn't the only thing heating up the courtroom. Isla Shayne knows she's in over her head. As former all-star linebacker Trey Adams's personal lawyer, she's used to handling his business dealings and private financial matters, not murder charges. She needs to find an experienced criminal attorney who speaks her client's language. David Cormack of Garrison, Cormack and Lawless is exactly what she needs in the courtroom--and the only man she wants in the bedroom. For David, taking on the Adams case means diving back into a world he thought

he'd left behind and colliding head on with tragic possibilities he's in no mood to face. There's a reason professional football is in his past and no matter how close Isla gets to the truth he intends to leave it there. But long days working on the case together lead to hot nights in each other's arms. As their feelings grow, the case takes a deadly twist that could change the game between the two lovers forever.

Fear of Falling S. L. Jennings 2013-08-09 I can't remember the last time I felt completely safe. Security seemed more like a luxury to me, reserved for those who were fortunate enough to have picture perfect childhoods. For those who didn't bear the ugly scars that keep me bound in constant, debilitating fear. I've run from that fear my entire life. But when I met him, for once, I couldn't run anymore. He scared the hell out of me in a way that excited every fiber of my being. It wasn't the tattoos or the piercings. It wasn't the warmth that seemed to radiate from his frame and blanket me whenever he was near. It was just...him. The scary beautiful man that threatened to alter 23 years of routine and rituals, and make me face my crippling fear. My name is Kami and I am constantly afraid. And the thing that scares me the most is the very thing I want. "Don't worry," he smiled, pulling me into the hard warmth of his chest. "I've got you. I'll always catch you when you fall." And just like that, Blaine had staked his claim on the untouched part of me that no living soul had ever moved. He had captured every fear, every reservation, and crushed them in the palm of his inked hand. *** This book deals with sensitive subjects such as domestic violence and sexual abuse. Not intended for readers under 17 years of age.

Dante's Paradise Dante (Alighieri) 1984 The Paradise, which Dante called the sublime canticle, is perhaps the most ambitious book of The Divine Comedy. In this climactic segment, Dante's pilgrim reaches Paradise and encounters the Divine Will. The poet's mystical interpretation of the religious life is a complex and exquisite conclusion to his magnificent trilogy. Mark Musa's powerful and sensitive translation preserves the intricacy of the work while rendering it in clear, rhythmic English. His extensive notes and introductions to each canto make accessible to all readers the diverse and often abstruse ingredients of Dante's unparalleled vision of the Absolute: elements of Ptolemaic astronomy, medieval astrology and science, theological dogma, and the poet's own personal experiences.

Gods of Eden William Bramley 1993-03-01 They Came To Earth Millions Of Years Ago To Spread The Poison Of Hatred, War And Catastrophe... They Are With Us Still... Human history is a seemingly endless succession of bloody conflicts and devastating turmoil. Yet, inexplicably, in the light of astonishing intellectual and technological advancement, Man's progress has been halted in one crucial area: he still indulges the primitive beast within and makes war upon his neighbors. As a result of seven years of intense research, William Bramley has uncovered the sinister thread that links humanity's darkest events -- from the wars of the ancient pharaohs to the assassination of JFK. In this remarkable, shocking and absolutely compelling work, Bramley presents disturbing evidence of an alien presence on Earth -- extraterrestrial visitors who have conspired to dominate Humankind through violence and chaos since the beginning of time...a conspiracy which continues to this very day.

The Lost Books of the Bible and The Forgotten Books of Eden Rutherford Hayes Platt 1927 Presented here are two volumes of apocryphal writings reflecting the life and time of the Old and New Testaments. Stories told by contemporary fiction writers of historical Bible times in fascinating and beautiful style.

We Sinners Hanna Pylväinen 2012-08-21 This stunning debut novel—drawn from the author's own life experience—tells the moving story of a family of eleven in the American Midwest, bound together and torn apart by their faith The Rovaniemis and their nine children belong to a deeply traditional

church (no drinking, no dancing, no TV) in modern-day Michigan. A normal family in many ways, the Rovaniemis struggle with sibling rivalry, parental expectations, and forming their own unique identities in such a large family. But when two of the children venture from the faith, the family fragments and a haunting question emerges: Do we believe for ourselves, or for each other? Each chapter is told from the distinctive point of view of a different Rovaniemi, drawing a nuanced, kaleidoscopic portrait of this unconventional family. The children who reject the church learn that freedom comes at the almost unbearable price of their close family ties, and those who stay struggle daily with the challenges of resisting the temptations of modern culture. With precision and potent detail, *We Sinners* follows each character on their journey of doubt, self-knowledge, acceptance, and, ultimately, survival.

First Impressions Jude Deveraux 2016-03-29 In the aftermath of her beloved daughter's wedding, forty-five-year-old single mother Eden Palmer endeavors to transition into solitary life in a North Carolina small town, where she unexpectedly finds passion, intrigue, and betrayal.

The Dark Prince S. L. Jennings 2013-04-14 ***The Dark Prince is the sequel to Dark Light of the Dark Light Series*** "5 BIG BEAUTIFUL BRIGHT SHINING "LIGHT" STARS for this awesome sequel. I was worried because a lot of times they just don't live up to their hype but this one far exceeded my expectations and I think that you will all love it as much as I did!" - Wolfel's World of Books "I love when a second book tops the first and this is exactly what this book did for me. It just keeps getting better and better and by the time I was done I was silently cursing the heavens that I will have to wait to keep going with Dorian and Gabs." - Up All Night Book Blog "The Dark Prince is not your average PNR. I loved the fact that S.L. didn't go down the usual Vampire/werewolf path but gave us PNR lovers something so totally different and out of the box. Absolutely AMAZING!!!!" - First Class Books "The Dark Prince had it all: love, betrayal, heartache, suspense, murder, dark, light, raw, emotional, intense, sexy, steamy and HOLY HELL the hot men!!! I loved, loved, loved this book..." - Swoon Worthy Books *****Book 2 of the Dark Light Series***** Dorian Skotos is Dark. And although that brand of sheer, unrelenting evil is a direct threat to her life, Gabriella is tragically in love with him. Gabriella knew it was all too good to be true. The way his touch radiated electricity right to her core, the way his ice blue eyes somehow made panties drop involuntarily, how his sexy half-smile crumbled the barriers around her heart...Dorian was extraordinary in every way. She ignored the alarm bells for the sake of pleasure and a little slice of peace from her mixed-up life. She thought that whatever he was, she could help him. Maybe even change him. But now that the proof of Dorian's true identity and what he was sent for is staring her in the face, Gabriella can't deny the inevitable. And confronting that truth could very well slaughter more than just her fragile heart. ***Intended for readers 17+ for sizzling hot sex, violence & language.***
