At the Wolf's Table Rosella Postorino 2019-01-29 The international bestseller based on a haunting true story that raises provocative questions about complicity, guilt, and survival. They called it the Wolfsschanze, the Wolf's Lair. "Wolf" was his nickname. As hapless as Little Red Riding Hood, I had ended up in his belly. A legion of hunters was out looking for him, and to get him in their grips they would gladly slay me as well. Germany, 1943: Twenty-six-year-old Rosa Sauer's parents are gone, and her husband Gregor is far away, fighting on the front lines of World War II. Impoverished and alone, she makes the fateful decision to leave war-torn Berlin to live with her in-laws in the countryside, thinking she'll find refuge there. But one morning, the SS come to tell her she has been conscripted to be one of Hitler's tasters: three times a day, she and nine other women go to his secret headquarters, the Wolf's Lair, to eat his meals before he does. Forced to eat what might kill them, the tasters begin to divide into The Fanatics, those loyal to Hitler, and the women like Rosa who insist they aren't Nazis, even as they risk their lives every day for Hitler's. As secrets and resentments grow, this unlikely sisterhood reaches its own dramatic climax, as everyone begins to wonder if they are on the wrong side of history.

Love Letters from Montmartre Nicolas Barreau 2020-05-12 For fans of Nina George, Elena Ferrante, and Valentina Cebeni, a charming, uplifting novel about a man who sets out to fulfil his dead wife's last wish. Julien Azouly, the famous French writer of beautiful romance novels, has stopped

believing in love. When his beloved wife, Hélène, dies at the age of thirty-three, leaving him alone to raise their young son, Arthur, he is so devastated that he loses faith in the happier side of life—and along with that his ability to write. But Hélène was clever. Before her death, she made her husband promise to write her thirty-three letters, one for each year of her life. Six months after the funeral, Julien finds himself standing in the most famous cemetery in Paris, the painful first letter in his hand. Little does he know that something strange—and wonderful—is about to happen. An ode to love, Paris, and joie de vivre, *Love Letters from Montmartre* brings the reader down narrow streets, past the cozy red bistro on Rue Gabrielle, and all the way to Montmartre cemetery with its beautiful stone angels, where we will discover the truth we all hope to find: that love is real, that miracles can happen and that—most of all—it's never too late to rediscover your dreams. Empathetic and wise, this is the deeply profound yet very human story of a man who finds love just when he thinks all is lost.

I Stole the Rain Elisa Ruotolo 2016-06-13 A trio of unforgettable stories from the superstitious Italian province of Campania In Campania fizzy drinks are delivered by cart, old women sell gold to a furtive clientele, and the tobacconist's daughter is a prize beyond imagining. In the first tale, "I am Super Legend," a local team of beer-swilling, smoking, perennial losers is dragged toward the dubiously prestigious championship by the coach's son, who becomes cursed by his nickname, Super Legend. In "Look at Me," a motherless boy tries to help his father's best friend, the mute Cesare, who has fallen in love with their housekeeper Silvia. And in "The Child Comes Home," a young boy disappears, and his mother - after losing everything and being forced to take up her grandmother's questionably legal profession - is consoled by her bickering sisters-in-law and her undying wish to hear her son's knock on the front door... A sublime mixture of humour and pathos, and brimming with colourful characters, *I Stole the Rain* is a delightful collection from one of Italy's pre-eminent storytellers. Elisa Ruotolo is a Classics teacher who has published several short stories. *I Stole the Rain* is her first collection. 'Armed with a frightening mastery over the complicated landscape of human emotions and an ability to stunningly portray them with crisp, concise prose, Ruotolo has managed to pull off a near impossible balancing act. She's created a set of fictional pieces so believable that they breathe on their own, and so inspired by life that word by word they force the reader to experience every glorious moment of their existence.' *Typographical Era* 'By the end of the book one feels as if a lifetime in stories has passed by in the blink of an eye. The prose is sharp, witty, and transcendent, and the characters remain long after the stories have been read and reread.' *Necessary Fiction*

The Winter Vault Anne Michaels 2009-04-16 *The Winter Vault* is a stunning, richly layered, and timeless novel that is everything we could hope for for Michaels's second novel—and more. Set in Canada and Egypt, and with flashbacks to England and Poland after the war, *The Winter Vault* is a spellbinding love story that juxtaposes momentous historical events with the most intimate moments of individual lives. In 1964, a newly married Canadian couple settle into a houseboat on the Nile just below Abu Simbel. At the time of the building of the Aswan dam, Avery Escher is one of the engineers responsible for the dismantling and reconstruction of a sacred temple, a "machine-worshipper" who is nonetheless sensitive to their destructive power. Jean is a botanist by avocation, passionately interested in everything that grows. They met on the banks of the St. Lawrence River, witnessing the construction of the Seaway as it swallowed towns, homes, and lives. Now, at the edge of another world about to be inundated in the name of progress, much of what they most believe in is tested. When a tragic event occurs, nearing the end of Avery's time in Egypt, he and Jean return to separate lives in Toronto; Avery to school to study architecture and Jean into the orbit of Lucjan, a Polish émigré artist whose haunting tales of occupied Warsaw pull her further from her husband, while offering her the chance to assume her most essential life. Breathtaking, vivid in its exploration of both the physical and emotional worlds of its characters, intensely moving and lyrical, *The Winter Vault* is a radiant work of fiction and contains all the elements for which Anne Michaels is celebrated.

I for Isobel Amy Witting 2014-01-29 Winner of the Barbara Ramsden Prize, 1990. This was life: no sooner had you built yourself your little raft and felt secure than it came to pieces under you and you were swimming again. Born into a world without welcome, Isobel observes it as warily as an alien trying to pass for a native. Her collection of imaginary friends includes the Virgin Mary and Sherlock Holmes. Later she meets Byron, W.H. Auden and T.S. Eliot. Isobel is not so much at ease with the flesh-and-blood people she meets, and least of all with herself, until a lucky encounter and a little detective work reveal her identity and her true situation in life. *I for Isobel*, a modern-day Australian classic, was followed by *Isobel on the Way to the Corner Shop*, winner of the Age Book of the Year Award. Amy Witting was born in Annandale, an inner suburb of Sydney, in 1918. She attended Sydney University, then taught French and English in state schools. Beginning late in life she published six novels, including *The Visit*, *I for Isobel*, *Isobel on the Way to the Corner Shop* and *Maria's War*; two collections of short stories; two books of verse, *Travel Diary* and *Beauty is the Straw*; and her *Collected Poems*. 'When we come to write the history of Australian writing in the twentieth century, the strange case of Amy Witting will be there to haunt us. Here is a writer who not only has great gifts - the kind of expert and mimetic gifts that would impel instant recognition from someone who admired a fine-lined American naturalist like William Maxwell - but a realist who has an effortless immediacy and a compelling sense of

drama that should have ensured the widest kind of appeal, the sort of appeal that Helen Garner could command in her fiction-writing days. And yet this woman who published in the *New Yorker* and commanded the respect of Kenneth Slessor was scarcely encouraged during the long grey sleep of Australian fiction publishing. It wasn't until the publication of *I for Isobel*...that Witting gained a national profile.' Peter Craven 'Australia's Amy Witting is comparable to Jean Rhys, but she has more starch, or vinegar. The effect is bracing.' *New Yorker* 'Isobel is instinctively searching for a lost part of her substance, the very memory of which has been obliterated. Prompted by her inexplicable sense of loss, she goes on her way, deviating, baffled, yet rejecting substitutes. To call the ending happy is to say both too much and too little. Was the lost part also searching for her? Amy Witting's admirers will find this novel as distinctive and compelling as her stories and her poetry.' Jessica Anderson '[Witting] lays bare with surgical precision the dynamics of families, sibling, students in coffee shops, office coterie. One sometimes feels positively winded with unsettling insights. There is something relentless, almost unnerving in her anatomising of foibles, fears obsessions, private shame, the nature of loneliness, the nature of panic.' Janette Turner Hospital 'A beautifully but unobtrusively honed style, a marvellous ear for dialogue, a generous understanding of the complex waywardness of men and women.' Andrew Riemer 'Terrific - incredibly wise...When I finished it I went straight back to the first page.' Cate Kennedy **Forged in Steele** Maya Banks 2013-06-25 The next heart pounding novel in the KGI series from Maya Banks, the *New York Times* bestselling author of *Rush*, *Fever*, and *Burn*, the *Breathless* trilogy. London Diaries Lorenza Mazzetti 2018 Written by Lorenza Mazzetti, the first woman film director ever to be funded by the BFI, *London Diaries/Free Cinema* is the unique story of the birth of Free Cinema in London. It describes the making of *Together* (1957), a neglected masterpiece of British Free Cinema. The book introduces key figures of Free Cinema, such as Lindsey Anderson, and outlines the struggle of a young Mazzetti to find her way in London. Lorenza Mazzetti came to London in 1956 after her family were killed by the Nazis at the end of the 2nd WW. Her struggle to survive is beautifully and poetically reprised in this marvellous diary. Penniless she worked in cafes, got herself into the Slade Art School, and became the first woman to ever get a BFI grant to make a film. The book records both the traumas and the triumphs of making your way in a foreign country, and reflects on the powerful hold that history exerts on an individual, and how a new destiny can be created. Beautifully written it is a gem that has been hidden for a long time. (This is the first English publication of the book).

The Girl with the Leica Helena Janeczek 2019-10-10 1st August 1937. A parade of red flags marches through Paris. It is the funeral procession for Gerda Taro, the first female photographer to be killed on a battlefield. Robert Capa, who leads the procession, is devastated. They have been happy together: he taught her how to use the Leica before they left together to fight in the Spanish Civil War. Other figures from Gerda's past are in the crowd: Ruth Cerf, her friend from Leipzig, who shared the hardships of their first years in Paris after fleeing from Germany; Willy Chardack, who resigned himself to the role of loyal companion after Gerda snubbed him for Georg Kuritzkes, a fighter in the International Brigades. For all of them, Gerda will remain a stronger and more vivid presence than her image of anti-fascist heroine. It is her who binds together a narrative spanning distant times and places, bringing back to life the snapshots of these young people and the challenges they faced in the 1930s, from economic depression to the rise of nazism, to the hostility towards refugees in France. But for those who loved her, those young years would remain a time when, as long as Gerda was alive, everything seemed possible.

Heidi and I have been trading hungry looks all year, and everything she does makes me smile. But I don't do girlfriends, and I certainly can't get involved with the league commissioner's daughter. I need shots on goal, not a hookup and a widely misunderstood paparazzi photo. Can I resist her, though? The way she teases me should be a game penalty for interference with my libido. There's this guy... Jason wants me, but he won't admit it. That man looks at me the way a hockey player eyes the lunch buffet after practice—and I love it. But when victory is finally within my grasp, I blow it and humiliate myself. Even then I can't even avoid him—as the team intern, I'm in constant view of his hard body and cocky smile. I need another chance. Jason Castro is about to learn the true meaning of an overnight sensation. "Sarina Bowen's hockey heroes feed my heart and soul! Delicious, emotional and wildly sexy!"
