The Wagner Operas Ernest Newman 1991-10-13 In this classic guide, the foremost Wagner expert of our century discusses ten of Wagner's most beloved operas, illuminates their key themes and the myths and literary sources behind the librettos, and demonstrates how the composer's style changed from work to work. Acclaimed as the most complete and intellectually satisfying analysis of the Wagner operas, the book has met with unreserved enthusiasm from specialist and casual music lover alike. Here, available for the first time in a single paperback volume, is the perfect companion for listening to, or attending, *The Flying Dutchman*, *Tannhäuser*, *Lohengrin*, *Tristan and Isolde*, *Die Meistersinger*, the four operas of the Ring Cycle, and *Parsifal*. Newman enriches his treatment of the stories, texts, and music of the operas with biographical and historical materials from the store of knowledge that he acquired while completing his numerous books on Wagner, including the magisterial *Life of Richard Wagner*. The text of *The Wagner Operas* is filled with hundreds of musical examples from the scores, and all the important leitmotifs and their interrelationships are made clear in Newman's lucid prose. "This is as fine an introduction as any ever written about a major composer's masterpieces. Newman outlines with unflinching clarity and astuteness each opera's dramatic sources, and he takes the student through the completed opera, step by step, with all

manner of incidental insight along the way."--Robert Bailey, New York University

Born Liquid Zygmunt Bauman 2018-11-26 *Born Liquid* is the last work by the great sociologist and social theorist Zygmunt Bauman, whose brilliant analyses of liquid modernity changed the way we think about our world today. At the time of his death, Bauman was working on this short book, a conversation with the Italian journalist Thomas Leoncini, exactly sixty years his junior. In these exchanges with Leoncini, Bauman considers, for the first time, the world of those born after the early 1980s, the individuals who were 'born liquid' and feel at home in a society of constant flux. As always, taking his cue from contemporary issues and debates, Bauman examines this world by discussing what are often regarded as its most ephemeral features. The transformation of the body - tattoos, cosmetic surgery, hipsters - aggression, bullying, the Internet, online dating, gender transitions and changing sexual preferences are all analysed with characteristic brilliance in this concise and topical book, which will be of particular interest to young people, natives of the liquid modern world, as well as to Bauman's many readers of all generations.

Marcovaldo Italo Calvino 2012-10-26 A charming portrait of one man's dreams and schemes, by "the greatest Italian writer of the twentieth century" (The Guardian). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he anticipates. Spanning from the 1950s to the 1960s, the twenty stories in Marcovaldo are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece "conveys the sensuous, tangible qualities of life" (The New York Times).

Gods of Aberdeen Micah Nathan 2005-06-03 A haunting novel about a brilliant young man who enrolls at a small New England college and becomes entangled in a mysterious death -- and the ultimate scientific quest. Eric Dunne is a sixteen-year-old academic phenom. Desperate to escape his foster family, Eric graduates early from high school and earns a scholarship to Aberdeen College, a small, prestigious school in northern Connecticut. Aberdeen is a school for the privileged youth of America's elite, an isolated world where hard drinking and hard studying go hand in hand. When Eric is assigned a work-study job with the college's head librarian, Cornelius Graves, Eric begins to hear strange and disconcerting rumors about his new mentor. Despite himself, he is curiously drawn to Cornelius, if only to divine whether it's true that he's searching for the Philosopher's Stone, a mythical substance that supposedly holds the secret to eternal life. At the same time, Eric's preternatural aptitude for Latin quickly attracts the attention of Arthur Fitch, a charismatic and aloof senior who invites him to become a research assistant for Dr. William Cade, Aberdeen's most celebrated professor. Eric is accepted into Cade's small circle of sophisticated students, all of whom live off campus on Cade's country estate, and soon discovers that his new friends are not just conducting research for Dr. Cade -- they, too, are searching for the Philosopher's Stone. When an alchemical experiment goes fatally wrong, Eric is drawn deeper into the dark secrets surrounding the legendary substance. As the police investigation narrows and Eric gets swept up in Professor Cade's obsession, the tensions on the estate and in Eric's new friendships threaten to explode and, with them, Eric's idealized world. Like *The Secret History* and *A Separate Peace*, *Gods of Aberdeen* demonstrates the selfishness and savagery that can lie at the heart of the most rarefied academic setting.

The Human Quality A. Peccei 2013-10-22 An autobiographical statement of the author's belief in the global approach to development and world problems. How can the human species survive the crisis of its own extraordinary techno-scientific success? In this truly unique book Aurelio Peccei shows us that the solution cannot be found in external factors. It must lie in re-establishing a sound cultural balance within man himself so that he becomes capable of living in harmony with the new human condition and changed world environment. Only by a cultural revolution which changes the human quality can we control and orient the material revolutions. Aurelio Peccei's distinguished career in industry, conservation, international affairs and as a counsellor on major world problems needs little introduction. He was a founder-member of the Club of Rome in 1968 and has been a member of its Executive Committee ever since. Inevitably he draws upon his wisdom and experience to highlight the arguments in his book

The Pumpkin Eater Penelope Mortimer 2011-04-26 The Pumpkin Eater is a surreal black comedy about the wages of adulthood and the pitfalls of parenthood. A nameless woman speaks, at first from the precarious perch of a therapist's couch, and her smart, wry, confiding, immensely sympathetic voice immediately captures and holds our attention. She is the mother of a vast, swelling brood of children, also nameless, and the wife of a successful screenwriter, Jake Armitage. The Armitages live in the city, but they are building a great glass tower in the country in which to settle down and live happily ever after. But could that dream be nothing more than a sentimental delusion? At the edges of vision the spectral children come and go, while our heroine, alert to the countless gradations of depression and the innumerable forms of betrayal, tries to make sense of it all: doctors, husbands, movie stars, bodies, grocery lists, nursery rhymes, messes, aging parents, memories, dreams, and breakdowns. How to pull it all together? Perhaps you start by falling apart.

In the Sea There are Crocodiles Fabio Geda 2011-08-09 When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule

in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

Playing Away Adele Parks 2001-02-12 It's sexy. It's roguish. It's hilarious. It's a sensational debut novel from London, a joyously comic take on modern marriage and its fallout. Single people may feel they have it rough...but wait until you see what happens when married folk fall in lust. Connie Green's life should be perfect. She has a hot career, her wonderful husband Luke, and a bunch of great girlfriends. But Connie has a big problem. She has just met overwhelmingly sexy John at a business conference. Her head and her heart said, "no way," but her traitorous body shrieked, "yes, YES!" Now Connie's deep into a tawdry affair, which is destroying her peace of mind and her grand plan for Happily Ever After. Maybe John is her destiny. After all, she's losing weight. It can't be a bad thing if she's losing weight. Can it? Connie longs to confide in her girlfriends. They've always discussed their sex lives before, preferably over cocktails. But this infidelity thing makes it a trifle awkward. Rose would be horrified. For her, it's pretty clear-cut; nice girls don't have affairs. And Daisy is too busy being in love. Sam knows about John but she doesn't want to believe it. How could and why would Connie cheat on her lovely husband? Sam's working hard to ignore the fact that Connie's shagging John every chance she gets. Maybe Lucy would understand; she's bonking a married man herself. Connie just wishes Lucy would be a little less cynical about the whole thing. What Connie wants is...Well, Connie's not quite sure what she wants. And that's exactly the trouble. A novel for every woman juggling the untidy mix of work, romance, sex, and marriage, *Playing Away* shimmers with equal parts comic relief and penetrating insight. As Connie and her brave, silly, colorful friends search for answers along the precarious paths of love and lust, we glimpse more than a little bit of ourselves. With bold strokes both moving and outrageously funny, Adele Parks has crafted a stunningly revealing portrait of the lives of hip, urban women, poised at the cusp of a millennium.

Bertone Luciano Greggio 2020-05-12 For almost a century, Carrozzeria Bertone has created some of the most sensational models in automotive

history. The extraordinary concept cars such as the B.A.T.Mobiles, the Testudo, the Canguro, the Carabo and the futuristic Stratos - to mention but a few - were joined by iconic sports cars, such as the numerous Lamborghini Miuras, Marzals, Espadas and Countachs and the Alfa Romeo Montreal, as well as more “down-to-earth” cars that went into mass production. This last category features the Alfa Romeo Giulietta Sprint, the Fiat X1/9 and the Nuova Mini Innocenti along with the many Citroëns designed between the late 1980s and early 2000s. These are just a few of the models featured in the extensive and varied Bertone catalogue to which great designers of the calibre of Giorgetto Giugiaro and Marcello Gandini have contributed. In-depth historical contextualization by Luciano Greggio, a great connoisseur of the Bertone marque, and a magnificent collection of photographs make up this latest volume in the series Masterpieces of Style.
