Orphan Train Christina Baker Kline 2019-01-08 From Christina Baker Kline comes a novel about two women: one about to age out of the foster care system, the other 90 years old and carrying both a tremendous secret and a story of a life formed by a part of American history almost entirely forgotten: the Orphan Trains Molly Ayer has one last chance, and she knows it. Close to being kicked out of her foster home -- just months from turning 18 and "aging out" of the system -- Molly should be grateful that her boyfriend found her a community service project: helping an old lady clean out her home. Molly can't help but think that the 50 hours will be tedious, but at least they'll keep her out of juvie, and right now that's all she cares about. Ninety-one-year-old Vivian Daly has lived a quiet life on the coast of Maine for decades. But in her attic, hidden in trunks, are keys to a turbulent past. Molly is about to discover -- as she and Vivian unpack her possessions, and memories -- that Vivian's story is a piece of America's tumultuous history now largely forgotten: the tale of a young Irish immigrant, orphaned in New York City and put on a train to the Midwest with hundreds of other orphaned children whose destiny would be determined by luck and chance. As Molly digs deeper, she finds surprising parallels in her own experience as a Penobscot Indian and Vivian's story -- and Molly realizes that she has the power to help Vivian find answers to mysteries that have haunted her for her entire life. Rich in detail and epic in scope, *THE TRAIN RIDER* is a powerful novel of upheaval and resilience, of second chances, of unexpected friendships, and of the secrets we carry with us that keep us from finding out who we are.

The Last Train Gordon Titcomb 2010-09-14 A picture book about an old train station from a bygone era. The golden age of the railroad may have passed, but its legacy still fascinates us. Based on a song by the acclaimed musician Gordon Titcomb, *The Last Train* is a beautiful celebration of that bygone era. Titcomb's lyrics are matched by Wendell Minor's handsome, richly-detailed paintings. ALL ABOARD! "What a gorgeous tribute this is that preserves as it distills for future generations the life of a little railroad station."—Arlo Guthrie

The Greatest Invention Silvia Ferrara 2022-03-01 In this exhilarating celebration of human ingenuity and perseverance—published all around the world—a trailblazing Italian scholar sifts through our cultural and social behavior in search of the origins of our greatest invention: writing. The L where a tabletop meets the legs, the T between double doors, the D of an armchair's oval backrest—all around us is an alphabet in things. But how did these shapes make it onto the page, never mind form complex structures such as this sentence? In *The Greatest Invention*, Silvia Ferrara takes a profound look at how—and how many times—human beings have managed to produce the miracle of written language, traveling back and forth in time and all across the globe to Mesopotamia, Crete, China, Egypt, Central America, Easter Island, and beyond. With Ferrara as our guide, we examine the enigmas of undeciphered scripts, including famous cases like the Phaistos Disk and the Voynich Manuscript; we touch the knotted, colored strings of the Inca quipu; we study the turtle shells and ox scapulae that bear the earliest Chinese inscriptions; we watch in awe as Sequoyah single-handedly invents a script for the Cherokee language; and we venture to the cutting edge of decipherment, in which high-powered laser scanners bring tears to an engineer's eye. A code-cracking tour around the globe, *The Greatest Invention* chronicles a previously uncharted journey, one filled with past flashes of brilliance, present-day scientific research, and a faint, fleeting glimpse of writing's future.

The Children's Train Viola Ardone 2021-01-12 Based on true events, a heartbreaking story of love, family, hope, and survival set in post-World War II Italy--written with the heart of *Orphan Train* and *Before We Were Yours*--about poor children from the south sent to live with families in the north to survive deprivation and the harsh winters. Though Mussolini and the fascists have been defeated, the war has devastated Italy, especially the south. Seven-year-old Amerigo lives with his mother Antonietta in Naples, surviving on odd jobs and his wits like the rest of the poor in his neighborhood. But one day, Amerigo learns that a train will take him away from the rubble-strewn streets of the city to spend the winter with a family in the north, where he will be safe and have warm clothes and food to eat. Together with thousands of other southern children, Amerigo will cross the entire peninsula to a new life. Through his curious, innocent eyes, we see a nation rising from the ashes of war, reborn. As he comes to enjoy his new surroundings and the possibilities for a better future, Amerigo will make the heartbreaking choice to leave his mother and become a member of his adoptive family. Amerigo's journey is a moving story of memory, indelible bonds, artistry, and self-exploration, and a soaring examination of what family can truly mean. Ultimately Amerigo comes to understand that sometimes we must give up everything, even a mother's love, to find our destiny. --Scheggia tra le Pagine

Cathedral Ben Hopkins 2021-01-26 A sweeping story about obsession, mysticism, art, earthly desire, and the construction of a Cathedral in medieval Germany. At the center of this story is the Cathedral. Its design and construction in the thirteenth and fourteenth centuries in the Rhineland town of Hagenburg unites a vast array of unforgettable characters whose fortunes are inseparable from the shifting political factions and economic interests vying for supremacy. From the bishop to his treasurer to local merchants and lowly stonecutters, everyone, even the town's Jewish denizens, is implicated and affected by the slow rise of Hagenburg's Cathedral, which in no way enforces morality or charity. Around this narrative center, Ben Hopkins has constructed his own monumental edifice, a novel that is rich with the vicissitudes of mercantilism, politics, religion, and human enterprise. Fans of Umberto Eco, Hilary Mantel, and Ken Follett will delight at the atmosphere, the beautiful prose, and the vivid characters of Ben Hopkins's *Cathedral*. "Cathedral is a brilliantly organized mess of great, great characters. It is fascinating, fun, and gripping to the very end." —Roddy Doyle, Booker Prize-winning author of *Paddy Clarke Ha Ha Ha* "A varied cast of hugely engaging characters jostle for status, rising and falling according to the whims of pirates and Popes. An immersive, old-fashioned read that rattles along at a cracking pace." —Richard Beard, author of *Lazarus is Dead* and *The Day That Went Missing* "Six hundred pages sounds long, but this deeply human take on a medieval city and its commerce and aspirations, its violent battles and small intimacies, never feels that way. This sweeping work is as impressive as the cathedral at its center." —Publishers Weekly, starred review, PW Pick

Shark vs. Train Chris Barton 2011-02-11 Shark VS. Train! WHO WILL WIN?! If you think Superman vs. Batman would be an exciting matchup, wait until you see Shark vs. Train. In this hilarious and wacky picture book, Shark and Train egg each other on for one competition after another, including burping, bowling, Ping Pong, piano playing, pie eating, and many more! Who do YOU think will win, Shark or Train? [star] "This is a genius

concept." -- Publishers Weekly, starred review [star] "Lichtenheld's snarling shark and grimacing train are definitely ready for a fight, and his scenarios gleefully play up the absurdity. The combatants' expressions are priceless when they lose. A glum train in smoky dejection, or a bewildered, crestfallen shark? It's hard to choose; both are winners." -- Kirkus, starred review

Orphan Train Christina Baker Kline 2013-04-02 The #1 New York Times Bestseller Now featuring a sneak peek at Christina's forthcoming novel *The Exiles*, coming August 2020. "A lovely novel about the search for family that also happens to illuminate a fascinating and forgotten chapter of America's history. Beautiful."—Ann Packer Between 1854 and 1929, so-called orphan trains ran regularly from the cities of the East Coast to the farmlands of the Midwest, carrying thousands of abandoned children whose fates would be determined by pure luck. Would they be adopted by a kind and loving family, or would they face a childhood and adolescence of hard labor and servitude? As a young Irish immigrant, Vivian Daly was one such child, sent by rail from New York City to an uncertain future a world away. Returning east later in life, Vivian leads a quiet, peaceful existence on the coast of Maine, the memories of her upbringing rendered a hazy blur. But in her attic, hidden in trunks, are vestiges of a turbulent past. Seventeen-year-old Molly Ayer knows that a community service position helping an elderly woman clean out her home is the only thing keeping her out of juvenile hall. But as Molly helps Vivian sort through her keepsakes and possessions, she discovers that she and Vivian aren't as different as they appear. A Penobscot Indian who has spent her youth in and out of foster homes, Molly is also an outsider being raised by strangers, and she, too, has unanswered questions about the past. Moving between contemporary Maine and Depression-era Minnesota, *Orphan Train* is a powerful novel of upheaval and resilience, of second chances, and unexpected friendship.

It's a good way to learn all the different names of train cars, too." She's had experience as a seamstress, and the New York Children's Aid Society has established a special service: placing out seamstresses and trade girls. The son of one of New York City's wealthiest entrepreneurs, Thornton Quincy faces a dilemma. His father is dying, and in order to decide which of his sons will inherit everything, he is requiring them to do two things in six months: build a sustainable town along the Illinois Central Railroad, and get married. Thornton is tired of standing in his twin brother's shadow and is determined to win his father's challenge. He doesn't plan on meeting a feisty young woman on his way west, though.

Orphan Trains Marylin Irvin Holt 1994-02-01 "From 1850 to 1930 America witnessed a unique emigration and resettlement of at least 200,000 children and several thousand adults, primarily from the East Coast to the West. This 'placing out,' an attempt to find homes for the urban poor, was best known by the 'orphan trains' that carried the children. Holt carefully analyzes the system, initially instituted by the New York Children's Aid Society in 1853, tracking its imitators as well as the reasons for its creation and demise. She captures the children's perspective with the judicious use of oral histories, institutional records, and newspaper accounts. This well-written volume sheds new light on the multifaceted experience of children's immigration, changing concepts of welfare, and Western expansion. It is good, scholarly social history."—Library Journal
