*Shaoey and Dot* Mary Beth Chapman 2004 *Shaoey & Dot: Bug Meets Bundle* is an endearing tale told from the point of view of one little ladybug, Dot, who happens upon a mysterious bundle one sunny day. Dot stays with the little bundle as she is carried to the place "where babies come to be found" and promises to stay with the little one throughout her journeys toward getting a family. Written by Christian music artist Steven Curtis Chapman and his wife Mary Beth, this heartwarming tale is inspired by the true story of their adoption of three little girls from China and is a story of hope and faith for all families who have been blessed by a "lost little bundle of love."

*Let's Roll!* Lisa Beamer 2002 Shares details of the author's marriage and recounts her struggle to cope with the tragedy that cost her the life of her husband.

**Who is Coming to Our House?** Joseph Slate 2001-09-24 A modern Christmas classic about how the animals prepare a cozy welcome for the baby Jesus, perfect for under the tree or in stockings. "Who is coming to our house? Someone, someone," says Mouse. As Pig makes room, Lamb cleans up, Goose stacks the hay, and Duck lines the crib with eiderdown, Mary and Joseph are on their way by donkey. **Rapture Ready!** Daniel Radosh 2008-04-08 What does it mean when a band is judged by how hard they pray rather than how hard they rock? Would Jesus buy "Jesus junk" or wear "witness wear"? What do Christian skate parks, raves, and romance novels say about evangelicalism -- and America? Daniel Radosh went searching for the answers and reached some surprising conclusions. Written with the perfect blend of amusement and respect, *Rapture Ready!* is an insightful, entertaining, and deeply weird journey through the often hidden world of Christian pop culture. This vast and influential subculture -- a \$7 billion industry and growing -- can no longer be ignored by those who want to understand the social, spiritual, and political aspirations of evangelical Christians. In eighteen cities and towns throughout thirteen states -- from the Bible Belt to the outskirts of Hollywood -- Radosh encounters a fascinating cast of characters, including Bibleman, the Caped Christian; Rob Adonis, the founder and star of Ultimate Christian Wrestling; Ken Ham, the nation's leading prophet of creationism; and Jay Bakker, the son of Jim and Tammy Faye Bakker, and pastor of his own liberal, punk rock church. From Christian music festivals and theme parks to Passion plays and comedy nights, Radosh combines gonzo reporting with a keen eye for detail and just the right touch of wit. *Rapture Ready!* is a revealing survey of a parallel universe and a unique perspective on one of America's most important social movements.

That miracle came the day they met Audrey Caroline and got the chance to love her for the precious two-and-a-half hours she lived on earth. Upon receiving the original diagnosis, Angie started a blog (*Bring the Rain*) to keep family and friends informed of their journey. Soon, the site exploded in popularity, connecting with thousands who were either experiencing their own heartbreaking situations or simply curious about how God could carry someone through something so tragic. *I Will Carry You* tells the powerful story of a parent losing her child, interwoven with the biblical story of Lazarus to help those who mourn to still have hope—to find grace and peace in the sacred dance of grief and joy. *Waking up in Heaven* Crystal McVea 2013-06-24 The remarkable story of a woman, plagued with guilt and skepticism, dramatically changed by the nine minutes she spent in heaven. "God let me see me through His eyes. And in that instant I knew that God had always loved me, through all of those dark and difficult years when I doubted His existence, through every crisis and every heartbreak that made me turn away from Him more. I knew, in that instant, that His love was endless and boundless, and that if He loved me so much, how could I not love myself?" For most of her life, Crystal McVea was a skeptic whose history of abuse and bad choices made her feel beyond the reach of God--who questioned if God was even real. She had all but given up hope. Then came December 10, 2009--and the moment that changed everything. For nine minutes that night, Crystal went into full respiratory arrest. She was unconscious and unable to breathe on her own, unaware of the crisis happening around her as the hospital staff rushed to save her life. Crystal doesn't remember the trauma or losing consciousness; she just remembers waking up in heaven, next to God. Waking Up in Heaven invites readers to witness the relentless pursuit of God in a life that was broken and seemingly beyond hope, an awe-inspiring account of love, forgiveness, and redemption, and the healing power of God's presence.

**BeDADitudes** Gregory K. Popcak 2017-03-03 Internationally known marriage and family expert Greg Popcak draws on more than twenty years as a counselor as well as his own experience as a father to show how the Beatitudes can be viewed as a practical guide to understanding the love of God and applying that love to being a better father. In the first book to uniquely focus on the Beatitudes and fatherhood, Greg Popcak helps you stop focusing on yourself and instead focus on God, learning how to be the father God wants you to be by becoming a servant leader in your home. As a father of three children, Popcak realized that Jesus' call to be humble in the first Beatitude--Blessed are the poor in spirit--stands in direct opposition to what modern men learn growing up. Instead, they are taught they should live a life of unbroken success, defined by promotions at work and beautiful wives and honor students at home. The Catholic author, speaker, counselor, and radio host will show that when you practice meekness, you will connect with your family by asking them questions and listening closely to their responses. By practicing mercy, you come to know your own sins, the difficulties that lie on the path to sainthood, and how your family needs to hear about God's grace in their lives. In BeDADitudes, you discover the profound love of God found in the Beatitudes and understand how that love can transform you into being an awesome dad.

**Latino Peoples in the New America** José A. Cobas 2018-11-27 "Latinos" are the largest group among Americans of color. At 59 million, they constitute nearly a fifth of the US population. Their number has alarmed many in government, other mainstream institutions, and the nativist right who fear the white-majority US they have known is disappearing. During the 2016 US election and after, Donald Trump has played on these fears, embracing xenophobic messages vilifying many Latin American immigrants as rapists, drug smugglers, or "gang bangers." Many share such nativist desires to build enhanced border walls and create immigration restrictions to keep Latinos of various backgrounds out. Many whites' racist framing has also cast native-born Latinos, their language, and culture in an unfavorable light. Trump and his followers' attacks provide a peek at the complex phenomenon of the racialization of US Latinos. This volume explores an array of racialization's manifestations, including white mob violence, profiling by law enforcement, political disenfranchisement, whitewashed reinterpretations of Latino history and culture, and depictions of "good Latinos" as racially subservient. But subservience has never marked the Latino community, and this book includes pointed discussions of Latino resistance to racism. Additionally, the book's scope goes beyond the United States, revealing how Latinos are racialized in yet other societies.

Being the Body Charles W. Colson 2004-07-12 Charles Colson has been called, "one of the most important social reformers in a generation." Ten years ago in *The Body*, Colson turned his prophetic attention to the church and how it might break out of its cultural captivity and reassert its biblical identity. Today the book's classic truths have not changed. But the world we live in has. Christians in America have had their complacency shattered and their beliefs challenged. Around the world, the clash of world views has never been more strident. Before all of us, daily, are the realities of life and death, terror and hope, light and darkness, brokenness and healing. We cannot withdraw to the comfort of our sanctuaries...we must engage. For, if ever there was a time for Christians to be the Body of Christ in the world, it is now. In this new, revised and expanded edition of *The Body*, Charles Colson revisits the question, "What is the church and what is its relevance to contemporary culture at large?" Provocative and insightful, *Being the Body* inspires us to rise above a stunted "Jesus and me" faith to a nobler view of something bigger and grander than ourselves--the glorious, holy vision for which God created the church. Hardcover ISBN 0849917522
