The Stone Angel Margaret Laurence 2015-07-22 The Stone Angel, The Diviners, and A Bird in the House are three of the five books in Margaret Laurence's renowned "Manawaka series," named for the small Canadian prairie town in which they take place. Each of these books is narrated by a strong woman growing up in the town and struggling with physical and emotional isolation. In *The Stone Angel*, Hagar Shipley, age ninety, tells the story of her life, and in doing so tries to come to terms with how the very qualities which sustained her have deprived her of joy. Mingling past and present, she maintains pride in the face of senility, while recalling the life she led as a rebellious young bride, and later as a grieving mother. Laurence gives us in Hagar a woman who is funny, infuriating, and heartbreakingly poignant. "This is a revelation, not impersonation. The effect of such skilled use of language is to lead the reader towards the self-recognition that Hagar misses."—Robertson Davies, *New York Times* "It is [Laurence's] admirable achievement to strike, with an equally sure touch, the peculiar note and the universal; she gives us a portrait of a remarkable character and at the same time the picture of old age itself, with the pain, the weariness, the terror, the impotent angers and physical mishaps, the realization that others are waiting and wishing for an end."—Honor Tracy, *The New Republic* "Miss Laurence is the best fiction writer in the Dominion and one of the best in the hemisphere."—Atlantic "[Laurence] demonstrates in *The Stone Angel* that she has a true novelist's gift for catching a character in mid-passion and life at full flood. . . . As [Hagar Shipley] daydreams and chatters and lurches through the novel, she traces one of the most convincing—and the most touching—portraits of an unregenerate sinner declining into senility since Sara Monday went to her reward in Joyce Cary's *The Horse's Mouth*."—Time "Laurence's triumph is in her evocation of Hagar at ninety. . . . We sympathize with her in her resistance to being moved to a nursing home, in her preposterous flight, in her impatience in the hospital. Battered, depleted, suffering, she rages with her last breath against the dying of the light. *The Stone Angel* is a fine novel, admirably written and sustained by unfailing insight."—Granville Hicks, *Saturday Review* "The Stone Angel is a good book because Mrs. Laurence avoids sentimentality and condescension; Hagar Shipley is still passionately involved in the puzzle of her own nature. . . . Laurence's imaginative tact is strikingly at work, for surely this is what it feels like to be old."—Paul Pickrel, Harper's

The Land Gardeners Bridget Elworthy 2022-04-26 The Land Gardeners show you how to establish organic garden beds and sow, grow and harvest over 100 varieties of cut flowers. 'With their instinctive flair, Elworthy and Courtauld established cutting gardens that bring the deep poetry of organic flowers to their enthusiastic customers.' Patrick Kinmonth For American Vogue In this visual diary of life in the garden, The Land Gardeners share their beliefs on the importance of soil health, introduce you to their favourite blooms and inspire you to create your own cutting garden with expert knowledge on how to grow and what to gather by season. Based in the original walled garden at Wardington Manor, The Land Gardeners have revived the tradition of working with the land to produce abundant, seasonal flowers for clients' use in decoration, design and events. But for all the frivolous bucolic beauty of the flowers, it is the productivity and health of the soil that truly underpins The Land Gardeners' philosophy. The book explores lively soil, the joy (and, arguably, necessity) of gathering from our gardens, and the imperative that we care for our soils and live among healthy, vital gardens.

O Pioneers! Willa Cather 2023-07-16 Willa Cather's *O Pioneers!* was first published in June of 1913 by Houghton Mifflin to high praise. Cather was immensely proud of the work and considered it her first "true" novel, having discovered her own form and subject. Told in five parts, *O Pioneers!* follows the Bergsons, a family of Swedish-American immigrants farming the prairie of Nebraska at the turn of the 20th century. After the death of her father, heroine Alexandra Bergson inherits the family farm, using her insight to transform it from a precarious enterprise to a prosperous one over the following decade. As the Nebraskan farming community grows and her older brothers build families and comfortable lives, Alexandra remains independent, attached only to the land, her youngest brother, Emil, and her neighbor, Marie Shabata. These three central characters navigate duty, familial pressures, tragedy, and uncertain romance. With its independent, entrepreneurial female main character, *O Pioneers!* can be read as a deeply feminist novel that nevertheless upholds American ideals of national destiny through pastoral settlement.

The Complete Poetry of James Hearst James Hearst 2001 Part of the regionalist movement that included Grant Wood, Paul Engle, Hamlin Garland, and Jay G. Sigmund, James Hearst helped create what Iowa novelist Ruth Suckow called a poetry of place. A lifelong Iowa farmer, Hearst began writing poetry at age nineteen and eventually wrote thirteen books of poems, a novel, short stories, cantatas, and essays, which gained him a devoted following. Many of his poems were published in the regionalist periodicals of the time, including the *Midland*, and by the great regional presses, including Carroll Coleman's Prairie Press. Drawing on his experiences as a farmer, Hearst wrote with a distinct voice of rural life and its joys and conflicts, of his own battles with physical and emotional pain (he was partially paralyzed in a farm accident), and of his own place in the world. His clear eye offered a vision of the midwestern agrarian life that was sympathetic but not sentimental - a people and an art rooted in place.
