*Away Laughing on a Fast Camel* Louise Rennison 2009-10-06 The Sex God has left the country, taking Georgia's heart with him. So she decides to display glaciosity to all boys -- a girl can only have her heart broken so many times. Until she meets Masimo, the new singer for the Stiff Dylans. The Sex God is gone, but here comes the Dreamboat, and Georgia's away laughing on a fast camel (whatever that means).

*The Borges Enigma* Cynthia Lucy Stephens 2021 Borges once stated that he had never created a character: 'It's always me, subtly disguised'. This book focuses on the ways in which Borges uses events and experiences from his own life, in order to demonstrate how they become the principal structuring motifs of his work. It aims to show how these experiences, despite being 'heavily disguised', are crucial components of some of Borges's most canonical short stories, particularly from the famous collections *Ficciones* and *El Aleph*. Exploring the rich tapestry of symmetries, doubles and allusions and the roles played by translation and the figure of the creator, the book provides new readings of these stories, revealing their hidden personal, emotional and spiritual dimensions. These insights shed fresh light on Borges's supreme literary craftsmanship and the intimate puzzles of his fictions.

*Love Is Blind* William Boyd 2019-09-24 When he is hired as the personal piano tuner for a brilliant pianist, Brodie Moncur suddenly finds himself swept up into a life of luxury that he could never have imagined. But while accompanying his new employer on tours from Paris to St. Petersburg, Brodie falls madly in love with the Russian soprano Lika Blum: beautiful, worldly, seductive—and forbidden. Though seemingly doomed from the start, Brodie's passion for Lika only grows as their lives become increasingly more intertwined, more secretive, and, finally, more dangerous. A tale of dizzying passion and brutal revenge; of artistic endeavor and the illusions it can create; of the possibilities that life offers and the cruel speed with which they can be snatched away, *Love Is Blind* is a dazzling work of historical fiction that unfolds across fin de siècle Europe.

**Book Lovers** Emily Henry 2022-05-03 “One of my favorite authors.”—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of Beach Read and People We Meet on Vacation. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

**Inventing Tomorrow** Sarah Cole 2019-10-22 H. G. Wells played a central role in defining the intellectual, political, and literary character of the twentieth century. A prolific literary innovator, he coined such concepts as “time machine,” “war of the worlds,” and “atomic bomb,” exerting vast influence on popular ideas of time and futurity, progress and decline, and humanity's place in the universe. Wells was a public intellectual with a worldwide readership. He met with world leaders, including Roosevelt, Lenin, Stalin, and Churchill, and his books were international best-sellers. Yet critics and scholars have largely forgotten his accomplishments or relegated them to genre fiction, overlooking their breadth and diversity. In *Inventing Tomorrow*, Sarah Cole provides a definitive account of Wells's work and ideas. She contends that Wells casts new light on modernism and its values: on topics from warfare to science to time, his work resonates both thematically and aesthetically with some of the most ambitious modernists. At the same time, unlike many modernists, Wells believed that literature had a pressing place in public life, and his works reached a wide range of readers. While recognizing Wells's limitations, Cole offers a new account of his distinctive style as well as his interventions into social and political thought. She illuminates how Wells embodies twentieth-century literature at its most expansive and engaged. An ambitious rethinking of Wells as both writer and thinker, *Inventing Tomorrow* suggests that he offers a timely model for literature's moral responsibility to imagine a better global future.

**Indigenous Intellectual Property** Matthew Rimmer 2015-12-18 Taking an interdisciplinary approach unmatched by any other book on this topic,

this thoughtful Handbook considers the international struggle to provide for proper and just protection of Indigenous intellectual property (IP). In light of the United Nations Declaration on the Rights of Indigenous Peoples 2007, expert contributors assess the legal and policy controversies over Indigenous knowledge in the fields of international law, copyright law, trademark law, patent law, trade secrets law, and cultural heritage. The overarching discussion examines national developments in Indigenous IP in the United States, Canada, South Africa, the European Union, Australia, New Zealand, and Indonesia. The Handbook provides a comprehensive overview of the historical origins of conflict over Indigenous knowledge, and examines new challenges to Indigenous IP from emerging developments in information technology, biotechnology, and climate change. Practitioners and scholars in the field of IP will learn a great deal from this Handbook about the issues and challenges that surround just protection of a variety of forms of IP for Indigenous communities.

**Stigmata** Hélène Cixous 2002-01-31 Hélène Cixous -- author, playwright and French feminist theorist -- is a key figure in twentieth-century literary theory. Stigmata brings together her most recent essays for the first time. Acclaimed for her intricate and challenging writing style, Cixous presents a collection of texts that get away -- escaping the reader, the writers, the book. Cixous's writing pursues authors such as Stendhal, Joyce, Derrida, and Rembrandt, da Vinci, Picasso -- works that share an elusive movement in spite of striking differences. Along the way these essays explore a broad range of poetico-philosophical questions that have become characteristic of Cixous' work: \* love's labours lost and found \* feminine hours \* autobiographies of writing \* the prehistory of the work of art Stigmata goes beyond theory, becoming an extraordinary writer's testimony to our lives and times.

*The Ascent of Mount Carmel* Marc Foley OCD 2013 Saint John of the Cross is one of Christianity's greatest poets and mystics. Nevertheless, his subject matter and writing style, coupled with his use of Scholastic terminology, can make his prose difficult to understand and intimidating. Readers of *The Ascent of Mount Carmel: Reflections* will thank Father Marc Foley for making John's thought accessible and refreshingly contemporary. The author shares with contemporary spiritual seekers his seasoned wisdom, gleaned from years of reading and teaching John of the Cross. He deftly weaves together insights from psychology, theology, and literature to make *The Ascent of Mount Carmel* both understandable and relevant to daily life.

**Metamorphosing Dante** Fabio Camilletti 2010-12-01 After almost seven centuries, Dante endures and even seems to haunt the present.

*Metamorphosing Dante* explores what so many authors, artists and thinkers from varied backgrounds have found in Dante's oeuvre, and the ways in which they have engaged with it through rewritings, dialogues, and transpositions. By establishing trans-disciplinary routes, the volume shows that, along with a corpus of multiple linguistic and narrative structures, characters, and stories, Dante has provided a field of tensions in which to mirror

and investigate one's own time. Authors explored include Samuel Beckett, Walter Benjamin, André Gide, Derek Jarman, LeRoi Jones/Amiri Baraka, James Joyce, Wolfgang Koeppen, Jacques Lacan, Thomas Mann, James Merrill, Eugenio Montale, Pier Paolo Pasolini, Cesare Pavese, Giorgio Pressburger, Robert Rauschenberg, Vittorio Sereni, Virginia Woolf.

Silence Diarmaid MacCulloch 2014-08-26 A provocative meditation on the role of silence in Christian tradition by the New York Times bestselling author of *Christianity We live in a world dominated by noise. Religion is, for many, a haven from the clamor of everyday life, allowing us to pause for silent contemplation. But as Diarmaid MacCulloch shows, there are many forms of religious silence, from contemplation and prayer to repression and evasion. In his latest work, MacCulloch considers Jesus's strategic use of silence in his confrontation with Pontius Pilate and traces the impact of the first mystics in Syria on monastic tradition. He discusses the complicated fate of silence in Protestant and evangelical tradition and confronts the more sinister institutional forms of silence. A groundbreaking book by one of our greatest historians, Silence challenges our fundamental views of spirituality and illuminates the deepest mysteries of faith.*

The Age of Sex Crime Jane Caputi 1987 The sexualized serial murder of women by men is the subject of this provocative book. Jane Caputi argues that the sensationalized murders by men such as Jack the Ripper, Son of Sam, Hillside Strangler, and the Yorkshire Ripper represent a contemporary genre of sexually political crimes. The awful deeds function as a form of patriarchal terrorism, "disappearing" women at a rate of some four thousand annually in the United States alone. Caputi asks us not only to name the phenomenon of sexually political murder, but to recognize sex crime in all of its various interconnecting manifestations.

**Writings by Western Icelandic Women** 1997-01-10 There are two Icelands. One is the island in the North Sea, occupied since before the arrival of the Vikings. The other is "Western Iceland," the communities throughout North America, settled by Icelandic immigrants in the 19th and 20th centuries, and still maintaining strong ties to their mother country. While the prominent role of women in the development of Western Iceland has long been acknowledged, there is little recognition of their contribution to its literary life. This collection of short stories and poems spans 75 years of writings. It includes translated work by little-known authors such as Undina - "a modest poet," as well as works in English by prominent writers such as Laura Goodman Salverson, twice a winner of the Governor-General's Award. From the hopefulness of the early immigration in the 1870s to the conflict of assimilation in the 1950s, the pieces reflect a range of experiences common to immigrant women from many cultures. *Writings by Western Icelandic Women* includes many works translated for the first time from their original Icelandic, and rescues from obscurity the voices and experiences of women as they struggled in a new country. It offers insight into the many obstacles, both personal and professional, that faced these

pioneering writers. An introduction by Kirsten Wolf provides a literary and historical context, and is complemented by photographs and brief author biographies.

**Stories of the Vikings** Mary MacGregor 2018-03-01 On a summer day nearly twelve hundred years ago, three ships with bright red sails drew near to one of the little ports of the Dorset coast in the south of England. The townsfolk saw the ships, and paying no heed to the bright sails, said carelessly one to another, 'The merchantmen will be in port to-day.' And the harbour-master gathered together a few of his men and hastened to the quay. For he, too, had seen the ships, and, as in duty bound, he went to meet them, to demand from the captains the port taxes which were lawfully due to the king. But townsfolk and harbour-master alike had made a grievous mistake that summer day. For, as they soon discovered to their cost, and as the red sails might have forewarned them, the three ships were no peaceful merchantmen...
