The Elder's Kitten Key Kirita 2021-05-14 "It's something that truly cannot be explained without you experiencing it," I said, then put my nail to my throat, looking down into her curious eyes, pausing. "I will not do anything, I swear. But the only way for you to understand what I mean is for you to experience it. You'll need to drink my blood." "Drink your blood?" she gasped out and jumped back, looking from my throat to my eyes, shaking her head, "What will happen if I do?" "At first, you won't like it, and every part of you will tell you to spit it out, but you need to fight it and drink, anyway. Then comes the part that I cannot explain, but it will not hurt you in any way, I swear," I said as I pierced my throat, then pulled my hand away, watching as her eyes went wide in fear when she saw the blood dripping from my throat. "Go ahead," I encouraged, putting my hand at the back of her neck, pulling her to my wound. She pushed against me for a moment but hesitantly brought her mouth to my throat, accepting my blood. When she tasted it, she tried to push against me to get me to release her, but I held her tightly, forcing her to drink it. It was undeniable once the second wave hit her as she immediately moaned against me, pressing her hips against me, rolling, so she was lying on top of me, drinking my blood as quickly as she could, as the only thing she desired more than my blood, was my body. I chuckled softly as she moaned out, wrapping one hand around my shoulder, the other gripping my chest tightly before slowly making its way down until she met the waistband of my pants. As much as I wanted to allow her to continue her descent, I took her hand and placed it back on my shoulder. I suppressed my growl as she continued to rock back and forth against me, making it nearly impossible to not rip her clothes off and give her body what it was craving. 'I know you want it right now, little kitten. But I promised I would not take advantage of you, knowing what my blood was doing to you. But fuck, you are not making this easy.' I thought as I closed my eyes, doing everything I could not

take her innocence, though her body was literally begging me to.

Arnold, author of the National Book Award finalist *What Girls Are Made Of* The rite has existed for as long as anyone can remember: When the king dies, his son the prince must venture out into the gray lands, slay a fierce dragon, and rescue a damsel to be his bride. She has no memory of what came before she was captured by the dragon or what horrors she faced in its lair. She knows only this handsome young man, the story he tells of her rescue, and her destiny of sitting on a throne beside him. It's all like a dream, like something from a fairy tale. As Ama follows Emory to the kingdom of Harding, however, she discovers that not all is as it seems. There is more to the legends of the dragons and the damsels than anyone knows, and the greatest threats may not be behind her, but around her, now, and closing in.

heap, sinking into the ground. The buildings and all the people inside have all been atomized and transformed into the dungeon: an 18-level labyrinth filled with traps, monsters, and loot. A dungeon so enormous, it circles the entire globe. Only a few dare venture inside. But once you're in, you can't get out. And what's worse, each level has a time limit. You have but days to find a staircase to the next level down, or it's game over. In this game, it's not about your strength or your dexterity. It's about your followers, your views. Your clout. It's about building an audience and killing those goblins with style. You can't just survive here. You gotta survive big. You gotta fight with vigor, with excitement. You gotta make them stand up and cheer. And if you do have that "it" factor, you may just find yourself with a following. That's the only way to truly survive in this game--with the help of the loot boxes dropped upon you by the generous benefactors watching from across the galaxy. They call it Dungeon Crawler World. But for Carl, it's anything but a game.

agony. A piece of my father died along with her. I'm given the opportunity to right a wrong. To finish the last remaining Moone before they become a fully-fledged wolf. It won't be easy but I've got this. The offspring of that despicable family cannot be allowed to ever reach full power. I'll die before I allow it to happen. I leave my pack and head for the city. Evie I'm just a regular girl, living a regular life. I work hard, living from day to day, trying to make ends meet. Minding my own business. You know, normal stuff. When, from out of nowhere, he crashes into me while I'm on a jog. Quite literally crashes into my clumsy ass. Then again, maybe I crashed into him. I'm not sure how it went down, only that he's a colossal jerk. I wish he wasn't quite so sexy because...back to the part about him being a jerk. I'm being polite since "jerk" is too nice a word. I'm happy to see the back of him. Partly because he has such a nice back but also because he sucks...big time! Only, the sexy jerkface keeps turning up. I can't seem to get rid of him. Do I even want to? Yes. No. Argh! It's annoying. Then I find out that I'm not such a regular girl after all. Not even close. Just like that, everything changes. And I mean everything. Authors note: Scarred Wolf is a standalone shifter romance. It features a sassy heroine who has no idea who she really is and a sexy alpha who'll help her figure things out. No, that's not true, she'll help him figure things out. Okay, maybe a little bit of both. Beware, this book contains super-hot, growly scenes and naughty language that will make you blush!

Expositions of the Psalms 1-32 (Vol. 1) Saint Augustine (of Hippo)

1990 "As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. In the Book of Psalms are to be found the history of the people of Israel, the theology and spirituality of the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life, his theological reflections and his pastoral concerns as Bishop of Hippo."--Publisher's website.
