Solo Hope Solo 2013-06-18 "My family doesn't do happy endings. We do sad endings or frustrating endings or no endings at all. We are hardwired to expect the next interruption or disappearance or broken promise." Hope Solo is the face of the modern female athlete. She is fearless, outspoken, and the best in the world at what she does: protecting the goal of the U.S. women's soccer team. Her outsized talent has led her to the pinnacle of her sport—the Olympics and the World Cup—and made her into an international celebrity who is just as likely to appear on ABC's *Dancing with the Stars* as she is on the covers of *Sports Illustrated*, *ESPN The Magazine*, and *Vogue*. But her journey—which began in Richland, Washington, where she was raised by her strong-willed mother on the scorched earth of defunct nuclear testing sites—is similarly haunted by the fallout of her family history. Her father, a philanderer and con man, was convicted of embezzlement when Solo was an infant. She lost touch with him as he drifted out of prison and into homelessness. By the time they reunited, years later, in the parking lot of a grocery store, she was an All-American goalkeeper at the University of Washington and already a budding prospect for the U.S. national team. He was living in the woods. Despite harboring serious doubts even about the provenance of her father's last name (and her own), Solo embraces him as fiercely as she pursues her dreams of being a world-class soccer player. When those dreams are threatened by her standing within the national team, as when she was famously benched in the semifinals of the 2007 World Cup after four shutouts and spoke her piece publicly, we see a woman of uncompromising independence and hard-won perseverance navigate the petty backlash against her. For the first time, she tells her version of that controversial episode, and offers with it a full understanding of her hard-scrabble life. Moving, sometimes shocking, Solo is a portrait of an athlete finding redemption. This is the Hope Solo whom few have ever glimpsed. Signed poster inside.

Going Solo Roald Dahl 2012-02-02 In Going Solo, the world's favourite storyteller, Roald Dahl, tells of life as a fighter pilot in Africa. 'They did not think for one moment that they would find anything but a burnt-out fuselage and a charred skeleton, and they were astounded when they came upon my

still-breathing body lying in the sand nearby.' In 1938 Roald Dahl was fresh out of school and bound for his first job in Africa, hoping to find adventure far from home. However, he got far more excitement than he bargained for when the outbreak of the Second World War led him to join the RAF. His account of his experiences in Africa, crashing a plane in the Western Desert, rescue and recovery from his horrific injuries in Alexandria, flying a Hurricane as Greece fell to the Germans, and many other daring deeds, recreates a world as bizarre and unnerving as any he wrote about in his fiction. 'Very nearly as grotesque as his fiction. The same compulsive blend of wide-eyed innocence and fascination with danger and horror' Evening Standard 'A non-stop demonstration of expert raconteurship' The New York Times Book Review Roald Dahl, the brilliant and worldwide acclaimed author of *Charlie and the Chocolate Factory*, *James and the Giant Peach*, *Matilda*, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, *Roald Dahl's Twisted Tales* by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.
