World War Z Max Brooks 2006-09-12 #1 NEW YORK TIMES BESTSELLER • “Prepare to be entranced by this addictively readable oral history of the great war between humans and zombies.”—Entertainment Weekly We survived the zombie apocalypse, but how many of us are still haunted by that terrible time? We have (temporarily?) defeated the living dead, but at what cost? Told in the haunting and riveting voices of the men and women who witnessed the horror firsthand, *World War Z* is the only record of the pandemic. The Zombie War came unthinkably close to eradicating humanity. Max Brooks, driven by the urgency of preserving the acid-etched first-hand experiences of the survivors, traveled across the United States of America and throughout the world, from decimated cities that once teemed with upwards of thirty million souls to the most remote and inhospitable areas of the planet. He recorded the testimony of men, women, and sometimes children who came face-to-face with the living, or at least the undead, hell of that dreadful time. *World War Z* is the result. Never before have we had access to a document that so powerfully conveys the depth of fear and horror, and also the ineradicable spirit of resistance, that gripped human society through the plague years. THE INSPIRATION FOR THE MAJOR MOTION PICTURE “Will spook you for real.”—The New York Times Book Review “Possesses more creativity and zip than entire crates of other new fiction titles. Think Mad Max meets The Hot Zone. . . . It’s Apocalypse Now, pandemic-style. Creepy but fascinating.”—USA Today “Will grab you as tightly as a dead man’s fist. A.”—Entertainment Weekly, EW Pick “Probably the most topical and literate scare since Orson Welles’s War of the Worlds radio broadcast . . . This is action-packed social-political satire with a global view.”—Dallas Morning News

The End Is Always Near Dan Carlin 2019-10-29 Now a New York Times Bestseller. The creator of the wildly popular award-winning podcast Hardcore History looks at some of the apocalyptic moments from the past as a way to frame the challenges of the future. Do tough times create tougher people? Can humanity handle the power of its weapons without destroying itself? Will human technology or capabilities ever peak or regress? No one knows the answers to such questions, but no one asks them in a more interesting way than Dan Carlin. In *The End is Always Near*, Dan Carlin looks at questions and historical events that force us to consider what sounds like fantasy; that we might suffer the same fate that all previous eras did. Will our world ever become a ruin for future archaeologists to dig up and explore? The questions themselves are both philosophical and like something out of *The Twilight Zone*. Combining his trademark mix of storytelling, history and weirdness Dan Carlin connects the past and future in fascinating and colorful ways. At the same time the questions he asks us to consider involve the most important issue imaginable: human survival. From the collapse of the Bronze Age to the challenges of the nuclear era the issue has hung over humanity like a persistent Sword of Damocles. Inspired by his podcast, *The End is Always Near* challenges the way we look at the past and ourselves. In this absorbing compendium, Carlin embarks on a whole new set of stories and major cliffhangers that will keep readers enthralled. Idiosyncratic and erudite, offbeat yet profound, *The End is Always Near* examines issues that are rarely presented, and makes the past immediately relevant to our very turbulent present.

The End of the World Maria Manuel Lisboa 2011 Our fear of the world ending, like our fear of the dark, is ancient, deep-seated and perennial. It crosses boundaries of space and time, recurs in all human communities and finds expression in every aspect of cultural production - from pre-historic cave paintings to high-tech computer games. This volume examines historical and imaginary scenarios of apocalypse, the depiction of its likely triggers, and imagined landscapes in the aftermath of global destruction. Its discussion moves effortlessly from classic novels including Aldous Huxley's *Brave New World*, George Orwell's *Nineteen Eighty-Four* and Margaret Atwood's *Oryx and Crake*, to blockbuster films such as *Blade Runner*, *Armageddon* and *Invasion of the Body Snatchers*. Lisboa also takes into account religious doctrine, scientific research and the visual arts to create a penetrating, multi-disciplinary study that provides profound insight into one of Western culture's most fascinating and enduring preoccupations.

The Poisonwood Bible Barbara Kingsolver 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection "Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty." —Los Angeles Times Book Review *The Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium,

the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleana Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

Apocalypse Z Manel Loureiro 2012 After a zombie breakout ravages Spain, a few survivors arrive in the Canary Islands, one of the last zones safe from the Undead. But there, they encounter a military state embroiled in a civil war with a hungry population without the resources needed to survive.

The Last Passenger Manel Loureiro 2015-01-01 Reporter Kate Kilroy accepts an assignment to travel on the Valkyrie, a German ship veiled in secrecy for decades after it was discovered adrift in 1939 with only one passenger aboard, a baby boy named Isaac Feldman. Obsessed with understanding his origins, Feldman has spent a small fortune restoring the Valkyrie to try to solve the mystery. Assembling a team of experts and sparing no expense, he aims to precisely recreate the circumstances of the Valkyrie's doomed final voyage. Her discussion of available SFT stands alongside an analysis of how various subgenres emerged and developed in a given language. She also examines the reasons a given subgenre has been translated into English. Z-Burbia: The Complete Series Boxset Jake Bible Z-Burbia: A Post Apocalyptic Zombie Adventure Novel Description- When the zombie apocalypse hits the quiet Asheville, NC subdivision of Whispering Pines, the residents don't turn to the police or the military. Nope. They rely on their iron-fisted Home Owners Association! Which Jace Stanford and his family aren't too keen on. Undead hordes are hard enough to deal with in a post-apocalyptic hellscape, who needs HOA fines too? Filled with blood, gore, plenty of bad jokes, cannibals, dreaded HOA covenants, and a whole lot of snark, Z-Burbia is guaranteed to thrill and entertain! Welcome to life in Z-Burbia! Reviews- "The first novel in Jake Bible's series Z-Burbia hooked me. What appeared to be a jokey take on zombie fiction quickly develops some great characters and story." -BoingBoing.net "For those still not convinced about the zombie genre, Z-Burbia is worth a read if only for its female characters: Jake Bible doesn't have time for vapid whimpering damsels in distress. Oh no. Bible's characters are thinking, acting, feisty sorts." -Lee Murray, Bram Stoker Award-winning novelist Z-Burbia 2: Parkway To Hell: Description- With Whispering Pines refusing to give up and die, Jace "Long Pork" Stanford has nothing better to do than find out who the heavily-armed newcomers in town are. Well, while he's not busy dealing with the ever present Z hordes. Or running for his life from paramilitary mercenaries. Or possibly blowing up more of the zombie-infested city because he can't help pressing buttons. Buttons are meant to be pressed, even in the apocalypse, right? Looks like it's just another day in Z-Burbia! Z-Burbia 3: Estate of the Dead: Description- Jace Stanford has lost family, friends, and his arm to the zombie apocalypse that hit his subdivision of Whispering Pines. But he's also gained something he never in a million years would have thought would be a plus: the cannibal savant known as Elsbeth. Now Jace needs Elsbeth's help more than ever. But is she up to the task when her past is revealed? A past that is possibly more shocking than the zombie apocalypse itself? Jace is gonna find out the hard way. And, as everyone knows, in Z-Burbia the hard way usually means a whole lot of people are going to die! Welcome back to Z-Burbia, y'all! Z-Burbia 4: Cannibal Road: Description- Forced out of Asheville, Jace Stanford's family, along with a convoy of suburbanites, misfits, criminals, and soldiers, must battle their way through the I-40 corridor of Eastern Tennessee. When they are separated from their friends and allies in Knoxville, the Stanfords have to rely on their skills as post-apocalyptic survivors to fight off the Zs, insane Vols fans, homicidal sorority girls, and the most deadly of the post-apocalyptic threats- cannibal gangs! No longer are the Stanfords trying to survive day by day, but hour by hour and minute by minute, as they flee Z-Burbia and race through the hellscape of Cannibal Road! Reviews- "Once again Mr. Bible has cracked me up in the zombie apocalypse! Jace is still funny as hell, I love him. Elsbeth is still bad ass and she is my favorite. Stella and the kids brought out some cans of whoop ass as well!" -Melissa Martin, 5-star Goodreads review "I'm running out of things to say about how much I love this series. Each book is just as good as the last." -Jennifer Wheeler, 5-star Goodreads review Z-Burbia 5: The Bleeding Heartland: Description- The American Midwest was a bucolic landscape that didn't quite adjust to the zombie apocalypse. Instead of open arms and welcoming faces, there are now open mouths and ravenous Zs. The blue collar drive to work hard has become a red-mouthed hunger for flesh. Jace Stanford, his family, and the rag tag bunch of Whispering Pines survivors, private military contractors, laborers, and former (hopefully?) cannibals now must face the vast, exposed space of America's Heartland in order to get to a

possible sanctuary in the post-apocalyptic ruins of Boulder, Colorado. Just a simple convoy from point A to point B, right? Yeah, right. Nothing is ever simple in Z-Burbia! Z-Burbia 6: Rocky Mountain Die: Description- With the plains to their backs, Jace Stanford and crew are just steps from their destination: the Stronghold of Boulder, CO. All they have to do is battle the mega-powerful, corporate/political/military entity that is the Consortium, survive the brainwashed killing machines that call themselves the Sisters, and deal with a mad scientist hell bent on making life really, really hard for everyone because he's just a f*cking jerk. Not a problem! If anyone can get his friends and family through a nightmare like this, it's Jace Stanford! What's that? There's a horde of zombies that's close to half a million strong coming for them all? Okay, everyone's screwed... It is Z-Burbia after all! The Wrath of the Just Manel Loureiro 2014 A group of survivors find sanctuary from the zombie plague in Gulfport, Mississippi, but the price of safety is subservience to a fascist dictator and his brutal enforcers.

Dark Days Manel Loureiro 2013 As the rules of civilization crumble, a lawyer, a pilot, and a nurse become comrades-in-arms in the fight against extinction. But not every enemy wears a rotting face, and anyone who doesn't have your back just might have your head. Humankind's twilight is at hand.

Day by Day Armageddon: Shattered Hourglass J. L. Bourne 2012-12-26 A Navy commander leads Task Force Hourglass in mission to take back the continental United States, where the undead dominate what's left of the human population.

Dark Recollections Chris Philbrook 2013-10-23 Welcome to the Second Edition of the post apocalyptic epic. Beheading a zombie isn't easy in a world where you're more afraid of the living than the dead. Adrian Ring's simple life is thrown into chaos when the world is ripped apart by a plague of undead and legions of desperate survivors. Retreating to Auburn Lake Preparatory Academy, Adrian attempts to rescue friends and family on the way while dancing around his impending insanity over who and what he left behind, and evading maniac survivors. He saves his cat Otis, but shoots his mom. Pretty successful, all things considered. Of course, his sanity takes a hit as a result. Real, flawed, and raw, Dark Recollections is the first

part of Adrian's own story of how he survived after "That Day." Told through his eyes as he talks to his laptop, affectionately named 'Mr. Journal,' and through short stories that entwine with his tales that bring forth dark visions of a world being eaten alive by an unimaginable evil. Adrian's Undead Diary is an eight part epic about a solitary, guilt stricken man that didn't think he deserved to live, but realizes very soon that he survived, and suffered for a reason. Dark Recollections is the first book in the AUD series. It covers Adrian's journal entries from September 21st 2010, to December 1st, 2010. Intermingled with his personal diary entries, book one also contains the short stories Phil's Story, McGreevy's Report, and Soccer Mom. The second edition of the book contains slight revisions to the table of contents, a new foreword by the author, and some editorial revisions.
