The Heroic Age Hector Munro Chadwick 1912

Created Equal Mark Laita 2008 In America, the chasm between rich and poor is growing, the clash between conservatives and liberals is strengthening, and even good and evil seem more polarized than ever before. At the heart of this collection of portraits is my desire to remind us that we were all equal, until our environment, circumstances or fate molded and weathered us into whom we have become. Los Angeles- and New York-based photographer Mark Laita completed *Created Equal* over the course of eight years; his poignant words reflect the striking polarizations found in his photographs. Presented as diptychs, the images explore social, economic and gender difference and similarity within the United States, emulating and updating the portraiture of Edward Curtis, August Sander and Richard Avedon. This volume includes an introduction by noted culture writer and editorial cult figure Ingrid Sischy.

The Life and Death of Sophie Stark Anna North 2015-05-19 Winner of the 2016 Lambda Literary Award for Bisexual Fiction “I read *The Life and Death of Sophie Stark* with my heart in my mouth. Not only a dissection of genius and the havoc it can wreak, but also a thunderously good story.”—Emma Donoghue, New York Times bestselling author of *Room* “This novel is perceptive, subtle, funny and lingers in unexpected ways. The analysis of a woman who puts her art above all else is equal parts inspiration and warning story. Anna North makes prose look easy.”—Lena Dunham Gripping and provocative, *The Life and Death of Sophie Stark* is a haunting story of fame, love, and legacy told through the propulsive rise of an iconoclastic artist. Sophie Stark begins her filmmaking career by creating a documentary about her obsession, Daniel, a college basketball star. But when she becomes too invasive, she finds herself the victim of a cruel retribution. The humiliation doesn’t stop her. Visionary and unapologetic, Sophie begins to use stories from the lives of those around her to create movies, and as she gains critical recognition and acclaim, she risks betraying the one she loves most. Told in a chorus of voices belonging to those who knew Sophie best, *The Life and Death of Sophie Stark* is an intimate portrait of an elusive woman whose monumental talent and relentless pursuit of truth reveal the cost of producing great art. It is “not only a dissection of genius and the havoc it can wreak, but also a thunderously good story” (Emma Donoghue).

The Origin of Man and of His Superstitions Carveth Read 1920 This volume contains a history and study of magic and animism.
