The Beautiful and the Cursed Page Morgan 2013-05-14 It was bizarre and inexplicable, and after it happened, Ingrid Waverly was forced to leave her life in London behind. She had to trade a world full of fancy dresses and society events for exile in gothic Paris with her mother and her younger sister, Gabby. In Paris there are no grand balls or glittering parties, and disturbingly, the house rented by Ingrid's twin brother, Grayson, isn't a house at all. It's an abbey. A creepy, old abbey with a roof lined in stone gargoyles that could almost be mistaken for living, breathing creatures. And to top it all off, Grayson is missing. Yet no one seems to be concerned about Grayson's whereabouts save for Luc, a devastatingly handsome servant who has some deep and dark secrets of his own. There's one secret about the city that even Luc can't keep hidden, though: there's a murderer on the loose. And every day that Grayson is missing means there's less chance he's still alive. Ingrid is sure her twin isn't dead--she can feel it deep in her soul--but she knows that he's in grave danger, and that it's up to her and Gabby to find him before all hope is lost. And yet the path to him is more dangerous than she could ever imagine.

Her Super-Secret Rebound Boyfriend Kerri Carpenter 2018-06-11 It wasn't shy librarian Lola McBride's idea to crash someone else's high school reunion. It was her best friend who insisted that having a little fun with a super-hot rebound would make Lola forget about her recent breakup. Which is exactly when she meets the hottest guy she's ever seen. Architect Luke Erickson had no idea attending his ten-year reunion would turn out to be so fun. When he catches the sexy brunette in a lie, he counters with an offer. He'll keep her secret—if she pretends to be his girlfriend at an upcoming family reunion. And now Lola and Luke are suddenly spending a lot of time together. Luke may be most likely to avoid relationships at all costs. Lola may be most likely to desire a husband, kids, and white picket fence. Flirting With The Competition Kerri Carpenter 2014-10-27 Under normal circumstances, Whitney March might have appreciated sharing an elevator with a ridiculously attractive and clearly wealthy guy. Even enjoyed it. But when her companion turns out to be the man who almost ran her over in parking garage moments earlier? Nope and nope. Besides, she's on her way to a job interview at a prestigious law firm, and she needs to stay focused. Not staring at the rich and sexy jerk. Then the elevator comes to an abrupt stop. They're stuck. Jordan Campbell has every intention of acing the interview for his dream job, and he's not about to let anything stop him. Not even the sexy, capable, and fiery woman who turns out to be his main competitor he's trapped with. The only thing they have in common is determination to get the job...and an escalating attraction. And it's only a matter of time before these competitors indulge in a very sexy little connection between floors.

Powerless Matthew Cody 2009-10-27 Superheroes soar in this promising debut—and they're kids! Twelve-year-old Daniel, the new kid in town, soon learns the truth about his nice—but odd—new friends: one can fly, another can turn invisible, yet another controls electricity. Incredible. The superkids use their powers to secretly do good in the town, but they're haunted by the fact that the moment they turn thirteen, their abilities will disappear—along with any memory that they ever had them. Is a memory-stealing supervillain sapping their powers? The answers lie in a long-ago meteor strike, a World War II-era comic book (Fantastic Futures, starring the first superhero, Johnny Noble), the green-flamed Witch Fire, a hidden Shroud cave, and—possibly, unbelievably—“powerless” regular-kid Daniel himself. Superhero kids meet comic book mystery in this action-filled debut about the true meaning of a hero.

The Dirty Book Club Lisi Harrison 2017-10-10 From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day

strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of *The Dirty Book Club* help each other find the courage to rewrite their own stories and risk it all for a happy ending.

***** "Filled with a generous mix of fantasy, intrigue, and grab-you-by-the-throat horror, Alethea Kontis's HAVEN is a powerhouse novel every fan of fine YA literature should have on the shelf." -Bram Stoker Award winner Tom Piccirilli "Kontis writes with poise and passion, delivering chills and thrills with every page. A must read." -New York Times bestselling author Sherrilyn Kenyon "HAVEN is a page-turner and its characters are drawn well-they're believable, both in their actions and in their dialogue (the 'dialogue' of young teens isn't as easily captured as some writers with less talent believe). It's an exciting tale of witchery and revenge, told with style and intelligence, that is, most importantly, a heck of a lot of fun. I simply enjoyed it from start to finish." -T. M. Wright, author of A Manhattan Ghost Story ***** Alethea Kontis is a

princess, fairy godmother and geek. She has dabbled in picture books, poetry, essays, online video rants, and making horror movies. Princess Alethea lives on the Space Coast of Florida with her teddy bear, Charlie.
