Everything Is Cinema Richard Brody 2008-05-13 A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age. When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

National Bestseller. IndieNext Pick. One of The New York Times Book Review's 100 Notable Books of 2022. "If I Survive You is a collection of connected short stories that reads like a novel, that reads like real life, that reads like fiction written at the highest level." —Ann Patchett A major debut, blazing with style and heart, that follows a Jamaican family striving for more in Miami, and introduces a generational storyteller. In the 1970s, Topper and Sanya flee to Miami as political violence consumes their native Kingston. But America, as the couple and their two children learn, is far from the promised land. Excluded from society as Black immigrants, the family pushes on through Hurricane Andrew and later the 2008 recession, living in a house so cursed that the pet fish launches itself out of its own tank rather than stay. But even as things fall apart, the family remains motivated, often to its own detriment, by what the younger son, Trelawny, calls "the exquisite, racking compulsion to survive." Masterfully constructed with heart and humor, the linked stories in Jonathan Escoffery's *If I Survive You* center on Trelawny as he struggles to carve out a place for himself amid financial disaster, racism, and flat-out bad luck. After a fight with Topper, Trelawny claws his way out of homelessness through a series of odd, often hilarious jobs. Meanwhile, his brother, Delano, attempts a disastrous cash grab to get his kids back, and his cousin Cukie looks for a father who doesn't want to be found. As each character searches for a foothold, they never forget the profound danger of climbing without a safety net. Pulsing with vibrant lyricism and inimitable style, sly commentary and contagious laughter, Escoffery's debut unravels what it means to be in between homes and cultures in a world at the mercy of capitalism and whiteness. With *If I Survive You*, Escoffery announces himself as a prodigious storyteller in a class of his own, a chronicler of American life at its most gruesome and hopeful.

False Papers André Aciman 2011-04-01 Essays on memory by the author of *Our of Egypt* "We remember not because we have something we wish to go back to, nor because memories are all we have. We remember because memory is our most intimate, most familiar gesture. Most people are convinced I love Alexandria. In truth, I love remembering Alexandria. For it is not Alexandria that is beautiful. Remembering is beautiful." Celebrated as one of the most poignant stylists of his generation, André Aciman has written a witty, surprising series of linked essays that ponder the experience of loss, moving from his forced departure from Alexandria as a teenager, through his brief stay in Europe, and finally to the home he's made (and half invented) on Manhattan's Upper West Side.

Find Me André Aciman 2019-10-29 A New York Times Bestseller In this spellbinding exploration of the varieties of love, the author of the worldwide bestseller *Call Me by Your Name* revisits its complex and beguiling characters decades after their first meeting. No novel in recent memory has spoken more movingly to contemporary readers about the nature of love than André Aciman’s haunting *Call Me by Your Name*. First published in 2007, it was hailed as “a love letter, an invocation . . . an exceptionally beautiful book” (Stacey D’Erasmus, *The New York Times Book Review*). Nearly

three quarters of a million copies have been sold, and the book became a much-loved, Academy Award-winning film starring Timothée Chalamet as the young Elio and Armie Hammer as Oliver, the graduate student with whom he falls in love. In *Find Me*, Aciman shows us Elio's father, Samuel, on a trip from Florence to Rome to visit Elio, who has become a gifted classical pianist. A chance encounter on the train with a beautiful young woman upends Sami's plans and changes his life forever. Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, now a New England college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic. Aciman is a master of sensibility, of the intimate details and the emotional nuances that are the substance of passion. *Find Me* brings us back inside the magic circle of one of our greatest contemporary romances to ask if, in fact, true love ever dies.

"Heartbreaking," says Laurie Halse Anderson, author of *Speak*. Growing up in Louisiana in the late 1960s, Tater Henry has experienced a lot of prejudice. His town is slow to desegregate and slower still to leave behind deep-seated prejudice. Despite the town's sensibilities, Rodney Boulett and his twin sister Angie befriend Tater, and as their friendship grows stronger, Tater and Rodney become an unstoppable force on the football field. That is, until Rodney sees Tater and Angie growing closer, too, and Rodney's world is turned upside down. Teammates, best friends—Rodney's world is threatened by a hate he did not know was inside of him. As the town learns to accept notions like a black quarterback, some changes may be too difficult to accept. "John Ed Bradley skillfully shines a beam of humanity through the prism of the game, revealing to us the full spectrum of its colors, from love to hate, bigotry to tolerance, and devotion to betrayal. Anyone who ever played high school football or loved someone who has should read this book." —Tim Green, retired NFL player and bestselling author

Crying in H Mart Michelle Zauner 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Call Me by Your Name Edward Lamberti 2024-05-17 This edited collection explores how Luca Guadagnino's film *Call Me by Your Name* speaks powerfully to questions of contemporary sexual identity and romance. Adapted by James Ivory from Andr  Aciman's novel and directed by Luca

Guadagnino, the film *Call Me by Your Name* has been passionately received among audiences and critics ever since its 2017 release. A love story between seventeen-year-old Elio (Timothée Chalamet) and graduate student Oliver (Armie Hammer) and set in 1983 "somewhere in northern Italy," *Call Me by Your Name* presents a gay relationship in a romantic idyll seemingly untroubled by outside pressures, prejudices, or tragedy. While this means it offers audiences welcome opportunities to swoon in front of an LGBTQ+ romance that equals classic heterosexual romances onscreen, its relevance or political significance today may not be immediately apparent. This edited collection points out the ways in which the film is abundantly infused with narrative, thematic, and stylistic elements that can be interpreted as speaking powerfully to contemporary audiences on questions of sexual identity. How does this love story explore wider tensions that exist between the specific and the general, between the open and the hidden, and between the past and the present? The contributors to this collection provide stimulating and contemplative responses to this question.
