Foxe: Voices of the Martyrs John Foxe 2019-10-08 What would you do for the cross of Christ? For two thousand years, Christians have courageously triumphed over beatings, stonings, burnings, wild beasts, and every form of evil to boldly proclaim one truth: the name of Jesus. *Voices of the Martyrs AD 33 - Today* is their story and your Christian heritage. In the 16th century, English preacher John Foxe created what would later be called the "second most important book in history" after the Bible: Foxe's *Book of Martyrs*. With dozens of images, modernized English, and up-to-date accounts, Foxe: *Voices of the Martyrs* faithfully binds the testimonies of more than 50 of Foxe's heroes from the Early Church to the Reformation with Christians in the Enlightenment, the Industrial Revolution, and through the twentieth century. More importantly, Foxe: *Voices of the Martyrs* unites past Christians with believers today. Building on over fifty years of ministry to persecuted Christians, The Voice of the Martyrs organization shares sixty-seven stories of Christians who have stood faithfully to the death since 2000. Their courage in the face of ISIS and the Taliban, brutal dictatorships, and government crackdowns will inspire you to boldness and remind you that the same Spirit of Christ Who strengthened Stephen, Peter, and Paul is at work in you today.

The Ante-Nicene Fathers Alexander Roberts 2007-05-01 "One of the first great events in Christian history was the Council of Nicaea in 325 AD, convened to organize Christian sects and beliefs into a unified doctrine. The great Christian clergymen who wrote before this famous event are referred to as the Ante-Nicenes and the Apostolic Fathers, and their writings are collected here in a ten-volume set. The Ante-Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices. But they are also real and flawed men, who are more like their fellow Christians than they are like the Apostles, making their words echo in the ears of spiritual seekers. In Volume I of the 10-volume collected works of the Ante-Nicenes first published between 1885 and 1896, readers will find the writings of: Clement of Rome, the fourth pope, who was supposedly martyred by being tied to an anchor and tossed overboard Mathetes, an anonymous writer considered the first Christian apologist Polycarp, a Christian bishop who was stabbed to death after he failed to burn at the stake Ignatius, a student of John the Apostle, who was Bishop of Antioch before he was killed Barnabas, an anonymous writer given the name of Saint Barnabas Papias, author of Interpretations of the Sayings of the Lord, a textbook on quotes from Jesus Justin Martyr, a Christian apologist and accomplished philosopher, and Irenaeus, disciple

of Polycarp, apologist, and bishop of Lugdunum."
