The Psychic Vampire Codex Michelle A Belanger 2004-07-01 The *Psychic Vampire Codex* is the first book to examine the phenomenon and experience of modern vampirism completely from the vampire's perspective. Father Sebastiaan, a fellow vampire writes in the foreword that Michelle Belanger's system "introduced a breath of fresh air into the vampire subculture. It freed us to look at ourselves in a new light, and it also helped those outside our community to view us differently. No longer were we parasites or predators . . . we could use our inborn abilities to help people heal." Psychic vampires are people who prey on the vital, human life energies of others. They are not believed to be undead. They are mortal people whose need for energy metaphorically connects them to the life-stealing predators of vampire myth. In *The Psychic Vampire Codex*, Michelle Belanger, author and psychic vampire, introduces readers to the fascinating system of energy work used by vampires themselves and provides the actual codex text widely used by the vampire community for instruction in feeding and other techniques. Belanger also examines the ethics of vampirism and

offers readers methods of protection from vampires. The Psychic Vampire Codex explodes all preconceptions and myths about who and what psychic vampires really are and reveals a vital and profound spiritual tradition based on balance, rebirth, and an integral relationship with the spirit world.

Akhkharu - Vampyre Magick Michael W. Ford 2021-06-14 AKHKHARU - Vampyre Magick is a truly grimoire of forbidden, guiding and inspiring the aspirant towards the heretical and considerably 'secretive' initiatory rites formulated from the Black Order of the Dragon, beginning in the mid-1990's. Vampyre Magick is founded on the core and foundation of Luciferian Philosophy, with a decidedly deep alignment of the daimonic totality of predatory spirituality. The formulation of Vampyre Magick is founded on the essence behind the mythological vampire: Life Force (QI) is the reality behind the symbol of blood: Energy is formulated by thoughts, moods, focus, beliefs, outlook and so supports or diminishes the living body. Sorcerous detachment from the physical body, shaping the Body of Shadow and transitioning from the mental realm to the astral plane, this involves the alignment with demonic and predatory spirits and deities, including Lamastu, Lilith, and

the Udug-hul. Balance is existent within the two-fold experience of initiation, the aspirant becomes aware of the occurrence of the mind, including philosophical beliefs, gradually enhances and accumulates insight and power which is a gate-opening subtlety towards a metaphysical framework of the control and accumulation of the energy so generated by the thoughts and perception of consciousness. The rational and disciplined calculation of the Black Adept, shaping and conquering earthly life so visualized with Vampyric Awareness (the transformation from the mundane to the predatory mastery of energy via the meditative and will-to-power unity of Will-Desire-Belief) elevates the Vampyre Magickian towards the hidden levels of liminal experience. Akhkharu guides the aspirant with beginning steps: philosophic transformation, self-mastery, and the strengthening of will; the techniques of feeding and draining energy (Life Force) from the living by unnoticeable techniques. Initiation into the Nightside, the alchemy which manipulates fantasy, imagination, will, desire and belief to attain power and liberation by the "drinking" of energy. The initiatory path of the Gates of the Qlippoth and Vampyre teachings are unveiled, gaining the path to Infernal Apotheosis, Baptized as a Vampyre Magickian whose potential has now glimpsed the anti-cosmic liberation of chaos and the abyss. Infernal Geometry and the Left-Hand Path Toby Chappell 2019-05-21 A comprehensive guide to the history and practice of Angular Magic • Details the development of the magical system of the Nine Angles by the Church of Satan and the Temple of Set, as well as its internal body, the Order of the Trapezoid • Analyzes the 3 key rites of Angular Magic: Die Elektrischen Vorspiele, the Ceremony of the Nine Angles, and the Call to Cthulhu • Explores historical influences on Angular Magic, including Pythagorean number mysticism, John Dee's Enochian magic, and the writings of H. P. Lovecraft • Includes practical examples, daily practices, and guidance on creating your own rituals

Revealing the magical uses of number and geometry as tools for introspection, self-development, and creating change in both the inner and outer worlds, Toby Chappell explores the rites, history, and potent practices of Angular Magic and Infernal Geometry, the Left-Hand Path of Sacred Geometry. Focusing on the advanced magical system of the Nine Angles, he details the system's development by the early Church of Satan and later the Temple of Set, as well as its internal body, the Order of the Trapezoid. He shows how the system first emerged in the Ceremony of the Nine Angles, written by Michael Aquino and published in Anton Szandor LaVey's *The Satanic Rituals*. He explores historical influences on Angular Magic, including Pythagorean number mysticism, John Dee's Enochian magic, the theories of William Mortensen, and, most importantly, the writings of H. P. Lovecraft as well as other contributors to his Cthulhu mythos. The author analyzes the 3 key rites of Angular Magic: *Die Elektrischen Vorspiele*, the Ceremony of the Nine Angles, and the Call to Cthulhu, expanding upon them to demonstrate how readers can craft their own rituals. He examines the Nine Angles individually, detailing their keywords, powers, and related deities, and explains how each can be used in magical practices and as part of an ongoing initiatory process. He offers practical examples, including use of Angular Magic in divination, sigils, and magical symbols, and guidance on creating your own practices--a core component of the ever-evolving Left-Hand Path. Offering a self-directed path of magic and empowerment, previously unavailable to those outside the Temple of Set, Chappell shows how the Nine Angles must be worked with and experienced personally in order to effect true transformation and change.

Mardukite Zuism Joshua Free 2019-12-05 Ancient Sumerians and Babylonians of Mesopotamia used the cuneiform Tablets of Destiny & Epic of Creation to systematize all cosmic knowledge into a

workable paradigm called "Mardukite Zuism"-a precise systemology received directly from the Anunnaki. And for the first time in modern history, a religious movement has emerged with workable spiritual technology that is relevant to the state of humanity far more than anything before known. The true Destiny of Humanity is to achieve spiritual Self-Actualization; the reunion of Self with the Divine. History demonstrates how dangerous and troublesome the idea of "Religion" actually is and how easily it is misused. For purposes of incorporating Mardukite Zuism into a contemporary standard, the idea of religion is here treated as: a concise spiritual paradigm and set of beliefs and practices regarding Divine "Infinite Beingness"-or else "God." It should be understood that the Highest form of "True Worship" is to fulfill personal destiny and this begins with the Spirit-the true Self-and all external practices, rituals, ceremonies and historical examples are but outer reflections of this ideal. The word "ZU" meant "knowing" in original Sumerian cuneiform script. Goals and ideals of Zuism reflect this. Mardukite Zuism seeks to assist an individual in reclaiming a realization of the True Self or "I-AM" as the Immortal Spirit, in line with a most ancient directive: to "Know Thyself." In view of the fact that all modern humans are subjected to technologies depriving them of their freedoms to be, think, know and pursue truth: the goals and ideals of Zuism are to effectively revive and repair abilities and certainties of the Individual. Joshua Free first publicly launched "Mardukite Ministries" on the Summer Solstice, June 21, 2008. An active research division called the "Mardukite Chamberlains" was established in 2009, which developed and published a research library. In 2019, Joshua Free released the first published practical discoveries of "Mardukite Systemology" which now contributes applicable methods of spiritual technology that further the development of "Mardukite Zuism" as an effective religion to promote the spiritual advancement of anyone. Following the recent release of "Tablets of Destiny: Using Ancient Wisdom

to Unlock Human Potential" and "Crystal Clear: The Self-Actualization Manual", this concise booklet by Joshua Free expertly presents a summation of the most promising futurist religious movement of the 21st century!
