Heaven to Hell David LaChapelle 2010 David LaChapelle. Personnage controversé, explosif et provocant, David LaChapelle est probablement le photographe vivant le plus célèbre du monde. Depuis plus de vingt ans, il s'attache à briser toutes les règles. LaChapelle Heaven to Hell est le dernier chapitre d'une trilogie initiée avec LaChapelle Land (1996), classé dans les best-sellers du New York Times, et poursuivie avec Hotel LaChapelle (1999), l'un des albums de photos les plus recherchés et les plus collectionnés de tous les temps. Considéré comme le Fellini de la photographie, LaChapelle a immortalisé des personnalités aussi diverses que Tupac Shakur, Andy Warhol, Madonna, Amanda Lepore, Lance Armstrong, Eminem, Pamela Anderson, Elizabeth Taylor, David Beckham, Lil' Kim, Hillary

Clinton, Philip Johnson, Paris Hilton, Leonardo DiCaprio, Uma Thurman, Kanye West et Britney Spears, pour n'en citer que quelques-uns. Tout en faisant référence à des sources d'inspiration aussi variées que l'art de la Renaissance, le cinéma, la Bible, la pornographie et la nouvelle pop culture mondialisée, LaChapelle a inventé un langage visuel profondément personnel qui définit notre époque et place devant elle un miroir reflétant à la fois le sacré et le profane.

**David's Adventure with Schizophrenia** David LaChapelle 2012-06-21 When David LaChapelle begins attending Carleton University everything seems to be going in the right direction. But he begins experiencing unexplainable changes in his thought processes which eventually devolves into a full-blown psychotic state. He tries to get help but is turned down, told by the admitting physician that he is fine and not in need of psychiatric care. Not until his family steps in and takes him to the hospital does he come close to receiving any treatment. While there, however, he meets Angela, a fellow patient he will later learn is also suffering from schizophrenia. For now, though, they will embark on a journey that takes them across Canada and beyond. Beginning first with short trips in the greater Toronto

area-including a jaunt to nearby Niagara Falls where a perceived zombie attack necessitates a forced and narrow escape, David and Angela eventually decide a trip to Vancouver is in order. Pawning possessions, selling stocks, sleeping in McDonald's parking lots, and narrowly escaping arrest on a possible kidnapping charge, their escapades provide a rousing, rollicking ride as they traverse the Great White North until Dave finally receives the help he needs to heal and become healthy once more. A whirlwind tour of Canada, New York, and the psychological inner workings of a person with paranoid schizophrenia intertwine with LaChapelle's openness and bracing honesty to turn a frightening disease into a lighthearted, tragicomic romp full of action, hilarity, and more than a few surprises. As his mental state deteriorates, so too does the logic of the adventure, yet somehow he is able to keep it going, showing a resourcefulness not often expected of the mentally ill. A stirring, baffling, and altogether head-scratching caper, David's Adventure with Schizophrenia is as fascinating as it is entertaining.

LaChapelle, Heaven to Hell David LaChapelle 2006 LaChapelle

Heaven to Hell is the long-awaited third volume in an exhilarating trilogy that began with LaChapelle Land (1996) and continued with the infamous Hotel LaChapelle (1999). Packed with astonishing, color-saturated, and provocative images, those titles both became instant collector's items and have since gone through multiple printings. Featuring almost twice as many images as its predecessors, LaChapelle Heaven to Hell is an explosive compilation of new work by the visionary photographer. Since the publication of Hotel LaChapelle, the strength of LaChapelle's work lies in its ability to focus the lens of celebrity and fashion toward more pressing issues of societal concern. LaChapelle's images ? of the most famous faces on the planet, and marginalized figures like transsexual Amanda Lepore or the cast of his critically acclaimed social documentary Rize ? call into question our relationship with gender, glamour, and status. Using his trademark baroque excess, LaChapelle inverts the consumption he appears to celebrate, pointing instead to apocalyptic consequences for humanity itself. While referencing and acknowledging diverse sources such as the Renaissance, art history, cinema, The Bible, pornography, and the new globalized pop culture, LaChapelle has fashioned a deeply personal and epoch-defining visual language that holds up a mirror to our times. Sumptuously packaged in the trilogy's boxed hardcover format, LaChapelle Heaven to Hell is a must-have for anyone interested in contemporary photography. It is also keenly priced, especially for those who have coveted TASCHEN's limited edition, LaChapelle, Artists & Prostitutes. The artist: Not yet out of high school, DavidLaChapelle was offered his first professional job by Andy Warhol to shoot for Interview magazine. His photography has been showcased in numerous galleries and museums, including Tony Shafrazi Gallery and Deitch Projects in New York,

the Fahey-Klein Gallery in California, Camerawork in Germany, Sozzani and Palazzo delle Esposizioni in Italy. His unfettered images of celebrity and contemporary pop culture have appeared on and between the covers of magazines such as Italian Vogue, French Vogue, Vanity Fair, Rolling Stone and i-D. LaChapelle has also directed music videos for artists such as Moby, Jennifer Lopez, Britney Spears, Christina Aguilera, and The Vines. His burgeoning interest in film saw him make the short documentary *Krumped*, an award-winner at Sundance from which he developed *RIZE*, the feature film released worldwide in 2005 to huge critical acclaim. American Photo recently ranked him as one of the top ten "Most Important People in Photography."
